An Industrial Visit Report

An Industrial visit to Chennai Central Prison was organized by the Bharath Institute of Law, Bharath Institute of Higher Education and Research, on November 2nd 2019. Providing students an exposure about gaining knowledge about prisoners was the aim of the Industrial visit. Mr. Saleem Ahamed, Mr. Siva Prasad, Mrs. Mary Benila and Ms. Archanahad accompanied students in the Industrial Visit.

All the students had assembled at around 8.30AM in the university campus and departed to Chennai Central Prison at 9.00AM. The destination was reached at 10.30AM. The industry which we visited was Chennai Central Prison at 11.00 AM. The Jail Superintendent had interaction with the students and faculties and also the Superintendent helped all the students to visit the prisoners and had a safe interaction with the said prisoners and Duty doctors in the prison.

The prison had a huge boundary wall and we had visited all blocks in that prison and came to know the different type of prisoners like convicts, under trials and détentés who were isolated in the different cells according to their convictions. The Duty doctor in that prison explained to the students about the importance of doctor in prison to save life and in the basis of humanity.

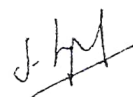

It is among the largest prison complexes in India. The prison complex occupies an area corresponding to 212 acres. It comprises three complexes of buildings: Puzhal Prison I for convicts, Puzhal Prison II for remand prisoners and Special Prison for women. A separate enclosure houses civil debtor convicts as well. It has an isolation cell to segregate new entrants till medical examination is completed.

The facilities include cells and dormitories with windows, lavatories with doors, meditation hall, library, amphitheatre, auditorium, jail court with video-conferencing facility, mechanised kitchens, high-security blocks with exclusive kitchen and hospital, gym, canteen, public music system, rehabilitation block and separate gallows for men and women prisoners.

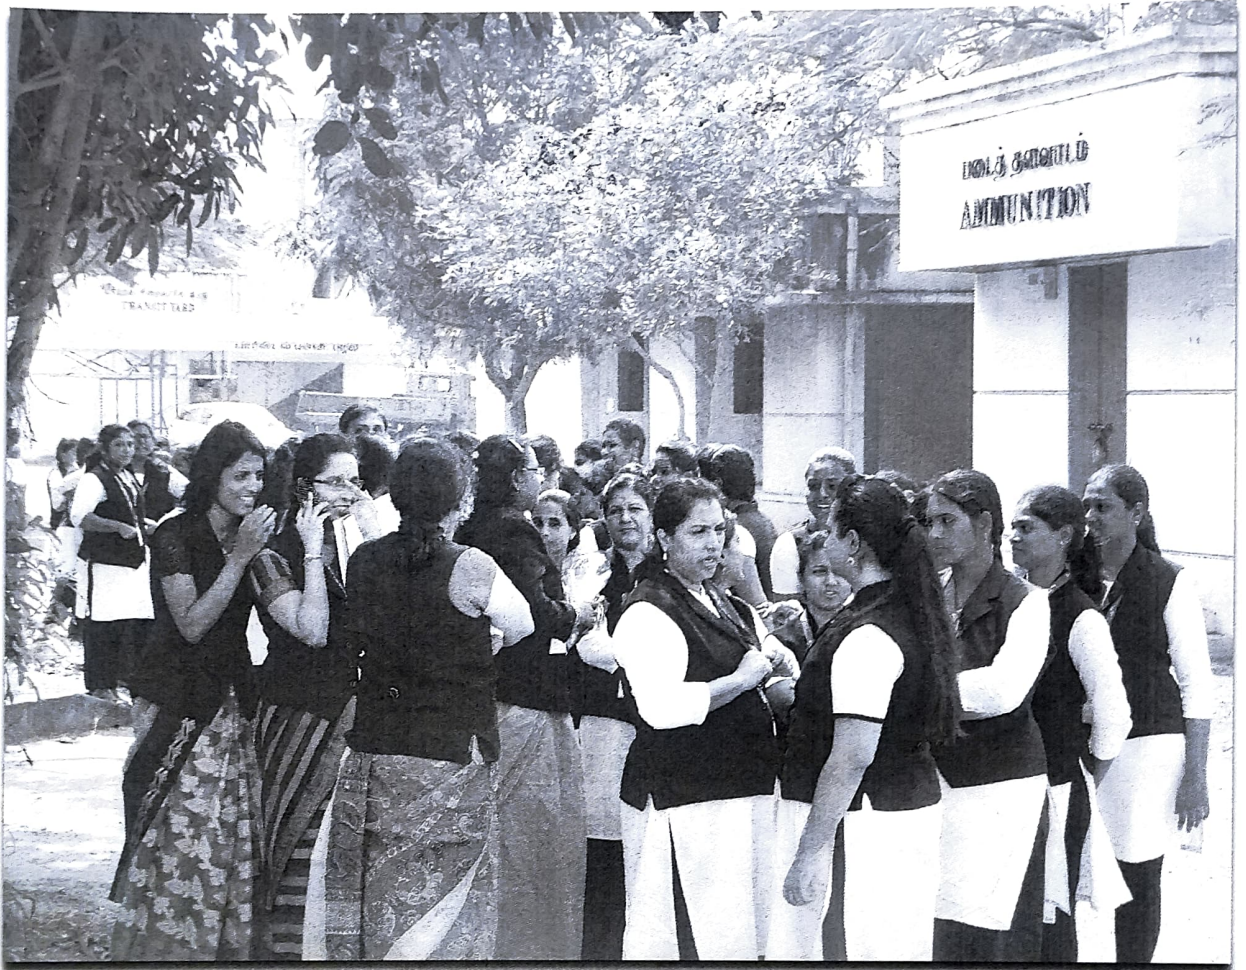

The prison became operational since 26 September 2006, and the first batch of prisoners from Chennai Central Prison were transferred on 14 December 2006. The prison has facilities to house 1,251 remand prisoners, 1,250 convicted prisoners and 500 women prisoners.

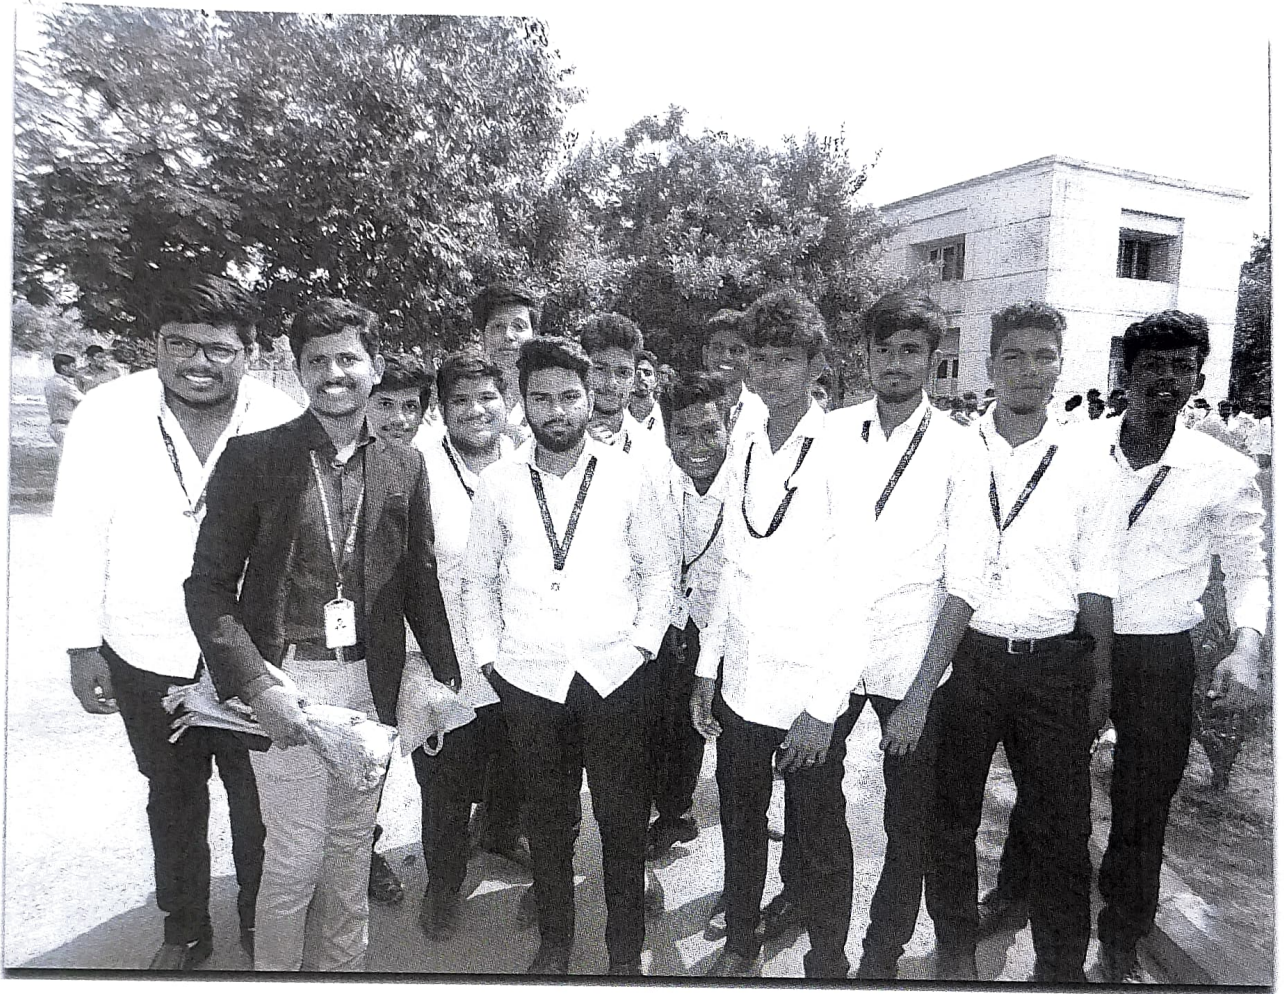

The Central prison visit was very useful to the students to understand the practical aspects of prison and the criminal reformation system as well the awareness of prison and the fundamental purpose of prison is to protect the public, and to punish those who have done wrong meanwhile giving them an opportunity to reform themselves in this period, learn new skills that may help them earn a decent living after they complete their sentence.
