Madam,

Sub: Academic visit for the Under graduate Students of your institution – reg

Ref: Your request letter dated 25-11-2021

Our department committee considered your request of having an academic visit by the undergraduate (1<sup>st</sup> Year BDS) students of your institution to our department for getting sensitized about the various aspects pertaining to the field of anatomy. I am pleased to state that it was decided to accept your request for the academic visit and in this regard, your students may visit our department on 16 – 18<sup>th</sup> Dec, 2021. This is extended as a goodwill and curtesy offer without any financial commitment on either side of us.

**Please Note:** Full compliance to the Covid 19 pandemic guidelines issued by the state government has to be ensured which includes completion of two doses of approved vaccines, wearing a face mask all the time, maintaining social distance etc by the visitors.

Yours sincerely,

(V. SANKAR)

## **Visit to Anatomy Department - A Report**

We the Department of Anatomy, Sree Balaji Dental College and Hospital, Bharath Institute of Higher Education and Research, has organized a Anatomy tour to the Department of Anatomy, Dr.A.L.M. Postgraduate Institute of Basic Medical Sciences, University of Madras, Taramani campus for the 1<sup>st</sup> year BDS Students on December 17<sup>th</sup> 2021 . The students were accompanied by the staffs of anatomy department.

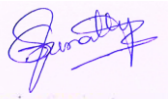

About the department, it was started in 1977 and Dr. A. Krishnamurthi was the founder. He headed the department, followed by Dr. R. Muthusamy (1976). Currently Dr. V. Sankar (2012), is the head of the department and with young spirited team with Dr. S. Prakash, Professor and Dr. R. Ramesh Kumar, Assistant Professor and Dr. Muhammed Ibrahim, Assistant Professor. The department is strengthening by uninterrupted research in the field for stem cells repair, male reproductive disorders and cerebral stroke.

The aim is to explore and to facilitate the students to gain more knowledge in anatomy, especially with regard to live dissection along with the demonstration.

The students and the staff's departure the college campus and reached the Taramani Campus, University Madras at 10.00 a.m. Students were engaged by the PG students for a visit around the department to see the displays wet and dry specimens in the museum. Later on they had a demonstration of the dissected cadaver in the dissection hall.

At the end of the day, the students were benefitted and excited to learn anatomy using cadaver and could be a valuable way to study and understand the subject.

At 4.00 p.m. the students and faculty members reached the college campus and disbursed. This anatomy tour visit was very productive as all the students got exposure to practical learning method in anatomy which helped the students to improve their knowledge in anatomy subject. .
