To

The HR – Manager,
SANDS,
SIPCOT IT Park,
Siruseri,
Chennai,
Tamil Nadu,
India.

Dear Sir,

Sub: Permission for Industrial Visit – Reg.

On behalf of Bharath Institute of Higher Education and Research where I serve as the Head of the Department, I wish to request for permission to conduct an industrial visit at your company SANDS. Our school is reputed at providing quality education in the various engineering courses in Chennai

We wish to undertake an industrial visit at your company on 26.09.2019 to acquire practical knowledge in Signals & System. Our academic curriculum focuses on engaging students in practical experiences to observe the implementation of what they are taught in University. We believe that your company will give our students relevant knowledge during this visit.

A group of 75 students in 2nd year and two faculty members intend to participate in this industrial visit. Kindly make arrangements for a tour in the relevant departments in your company.

Please allow us to conduct an industrial visit to your company and meet your skilled employee. Kindly contact us on hodcse@bharathuniv.ac.in if there are other requirements for the visit.

Thank you in advance.
Yours faithfully,

Prof. & Head, Dept. of CSE

D.O.Lr / Industrial Visit/2018/ dated 09.07.2018

Dear Sir,

Sub: Industrial Visit for 2nd year students reg.

With reference to the requisition letter dated 14.09.2019, students of 2nd year accompanied with two faculties are permitted for the industrial visit in our industry on 26.09.2019 at 10:00 AM.

We Signals & Systems (India) Private Limited commonly known as SANDS are primarily a technology company manufacturing niche products using embedded technology for the Generation, Transmission & Distribution segments of the Power Industry.

On the Services front we specialize in Meter Data Analytics for the Power Distribution companies, to curb Energy thefts and fraud management. We also undertake testing of Energy meters at site on behalf of the utilities as part of the regulatory guidelines.

Make sure that students maintain discipline inside the industry campus.

For more details and queries please contact - +91- 9360222758 / 9381061041

Thank You,

HR – Manager,
SANDS

Industrial Visit Report

Date: 26/09/2019

Students Attended: Third year students

Faculty In-charge: Mrs.C Anuradha, Mrs. Priya N

Over 75 Students accompanied with two faculties of Computer Science & Engineering visited SANDS office in SIPCOT IT Park, Siruseri, and Chennai. Registration process was done. Each student was given Identity Card. They were given presentation about their organization and recent programming languages in Industry.

Objective of the Visit:

- How to become a coder?
- Basic requirements for a fresher's in IT Industry
- How SANDS works?
- What's their Current Position in Industry?
- Demo on Real-time Projects.

About the Organisation:

Signals & Systems (India) Private Limited commonly known as SANDS is primarily a technology company manufacturing niche products using embedded technology for the Generation, Transmission & Distribution segments of the Power Industry.

On the Services front we specialize in Meter Data Analytics for the Power Distribution companies, to curb Energy thefts and fraud management. We also undertake testing of Energy meters at site on behalf of the utilities as part of the regulatory guidelines.

Our core guiding principle has been 'Make Global Standard Products in India' ever since the inception of the company. We've received several accolades and recognition for the innovative products that we've designed and manufactured in India.

Most of our products have been first of its kind in the country. We have over a decade, entered into the Industrial segment with solutions for effective management of their Energy needs.
