Dear Sir,

Sub: Permission for Industrial Visit – Reg.

On behalf of Bharath Institute of Higher Education and Research where I serve as the Head of the Department, I wish to request for permission to conduct an industrial visit at your company KAASHIV. Our school is reputed at providing quality education in the various engineering courses in Chennai.

We wish to undertake an industrial visit at your company to acquire practical knowledge in new technologies. Our academic curriculum focuses on engaging students in practical experiences to observe the implementation of what they are taught in University. We believe that your company will give our students relevant knowledge during this visit.

A group of 75 students in Ist year and two faculty members intend to participate in this industrial visit. Kindly make arrangements for a tour in the relevant departments in your company.

Please allow us to conduct an industrial visit to your company and meet your skilled employee.

Kindly contact us on hodcse@bharathuniv.ac.in if there are other requirements for the visit.

Thank you in advance.

Yours faithfully,

Industrial Visit Report

Date: 16/08/2019

Students Attended: FIRST Year Students

Faculty In-charge :Ms Selva priya & Mr Raghu

Over 76 Students accompanied with two faculties of Computer Science & Engineering visited SANDS ACADEMY, Chennai. Students were instructed to make registration. They were given schedule for the day. They were let inside the company and were instructed about the rules and regulations to be followed inside the company.

Objective of the Visit:

- What SANDS ACADEMY does?
- What technologies they work with?
- Embedded technology
- Transmission & Distribution segments

SANDS ACADEMY is going through a renaissance, a redefinition of its philosophy in software field and its business values. The one thing that is constant, however, is its belief in people and technology. A belief that is strengthened by the passion of its team, a passion for people and the passion to drive technology beyond its limits.

SANDS ACADEMY is an amalgamation of best practices and competencies brought in by leading professionals on some of the most renowned names of the Corporate World. Knowledge drives us. Over the past decades, SANDS ACADEMY has provided specialized Knowledge Services to a wide range of industry verticals. This puts us in a unique position where we are able to not only deliver cutting edge solutions but also help build in-house competencies of our Clients, be it in the Knowledge Services domain or a part of our Enterprise Services.

It's primarily a technology company manufacturing niche products using embedded technology for the Generation, Transmission & Distribution segments of the Power Industry. On the Services front we specialize in Meter Data Analytics for the Power Distribution companies, to curb Energy thefts and fraud management. We also undertake testing of Energy meters at site on behalf of the utilities as part of the regulatory guidelines.
