An Industrial Visit Report

An Industrial visit to Celebrity Fashions Limited was organized by the Department of Economics, Bharath Institute of Higher Education and Research, on January 24th 2020. Providing students an exposure about Practical working environment was the aim of the Industrial visit. Dr. S. Palpandi and M. Vasuki had accompanied students in the Industrial Visit.

All the students had assembled at around 9.00AM in the university campus and departure to Celebrity Fashions Limited was at 9.30AM. The destination was reached at 10.30AM. The industry which we visited was Celebrity Fashions Limited at 11.00 AM. The HR helped all the students in knowing the various operations that involved in the company through practical exposure of each and every function of various departments that has been performance involved.

Celebrity Fashions Limited was built over centuries. Our longevity is an extraordinary achievement, especially against the backdrop of multiple financial crises, international conflicts, and the agricultural, industrial and now technological revolutions.

This story is best told through our rich archive of photographs, ledgers, letters, minute books, equipment and a range of, in some cases unexpected, curiosities housed in the Celebrity Fashions Limited. The material in these archives is unique, irreplaceable and priceless.

Communicate the strength and depth of the Values that have underpinned Celebrity Fashions from the very beginning.

And it's not just the story of a fashion company – it is the story of the communities that we

serve, as well as our colleagues, our buildings, and our products. The archives allow us to share those stories.

At 4.00PM, all the students and faculty members reached the campus and disbursed. On the whole, the industrial visit was very fruitful as all the students got exposure to practical learning that is how theatrical concepts are put into action.
