An Industrial Visit Report

An Industrial visit to Barclays Bank was organized by the Department of Commerce, Bharath Institute of Higher Education and Research, on June 5th 2019. Providing students an exposure about Practical working environment was the aim of the Industrial visit. Mrs.S.Barani Chelvi and Mrs.G.Vinothini had accompanied students in the Industrial Visit.

All the students had assembled at around 9.00AM in the university campus and departure to Barclays bank was at 9.30AM. The destination was reached at 10.30AM. The industry which we visited was Barclays bank at 11.00 AM. The HR helped all the students in knowing the various operations that involved in the bank through practical exposure of each and every function of various departments that has been performance involved.

About the Barclays traces its ancestry back to two goldsmith bankers, John Freame and Thomas Gould, who were doing business in Lombard Street, London in 1690. In 1736, Freame's son, Joseph took his brother-in-law, James Barclay on as a partner, and the name has remained a constant presence in the business ever since.

Barclays was built over centuries. Our longevity is an extraordinary achievement, especially against the backdrop of multiple financial crises, international conflicts, and the agricultural, industrial and now technological revolutions.

This story is best told through our rich archive of photographs, ledgers, letters, minute books, equipment and a range of, in some cases unexpected, curiosities housed in the Barclays Group Archives in Manchester, UK. The material in these archives is unique, irreplaceable and priceless. They don't just tell the story of Barclays' businesses around the world, they also

communicate the strength and depth of the Values that have underpinned Barclays from the very beginning.

And it's not just the story of a bank – it is the story of the communities that we serve, as well as our colleagues, our buildings, and our products. The archives allow us to share those stories.

At 4.00PM, all the students and faculty members reached the campus and disbursed. On the whole, the industrial visit was very fruitful as all the students got exposure to practical learning that is how theatrical concepts are put into action; it helped the students to improve banking operations in world wide.
