## **An Industrial Visit Report**

An Industrial visit to a Construction site was organized by the School of Architecture, Bharath Institute of Higher Education and Research, on 26<sup>th</sup> October 2019. Providing students an exposure about construction details and on site methodologies . Ar. Uma Shankari, Ar. Dhivya , Ar. Shehnaz, Ar. Abirami and Ar. Sachin Kumar had accompanied students in the Industrial Visit.

All the students had assembled at around 8.45AM in the university campus and departed at sharp 9.00AM. The destination was reached at 9.30AM. The faculties split up with students to help them understand the different materials, brick bonding, construction details, and proceeded to ask them to document the entire site through photos and sketches.

The site we visited is a stilt plus four building. It is a residential building. Located at a prime spot, is all set to bring a life with elegant design, upmarket specifications & best in class construction.

Premium 2 & 3 BHK homes, specially crafted with perfect planning to offer excellent comfort & luxurious lifestyle! With best amenities like Pleasing landscape, Rainwater harvesting, CCTV with security cameras, Elegant and durable pavers for stilt parking floor and drive way, Acoustically insulated standby generator back-up for common area and for essential fan and light points, Automatic elevators with ARD function and Solar power for common areas.

The Site visit broadened the student's architecture vision towards the onsite execution and the effort and methods adapted to bring out the design of an Architect. At 5.00PM, all the students and faculty members reached the campus.
