An Industrial Visit Report

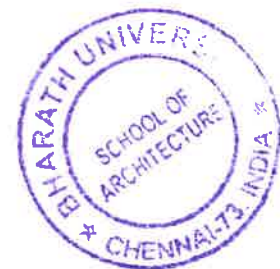

An Industrial visit to a Construction site was organized by the School of Architecture, Bharath Institute of Higher Education and Research, on 19th August 2019. Providing students an exposure about construction techniques and services of high rise buildings. . Ar. Farook Ali, Ar. Sneha and Ar. Shehnaz, had accompanied students in the Industrial Visit.

All the students had assembled at around 8.45AM in the university campus and departed at sharp 9.00AM. The destination was reached at 10.00AM. The faculties split up with students to help them understand the different landscape construction techniques used in landscape projects and proceeded to ask them to document the entire site through photos and sketches.

The site we visited is a Nine storey office building. Located at a prime spot, is all with elegant design, upmarket specifications & best in class construction.

Premium construction, specially crafted with perfect planning with pleasing landscape to offer excellent comfort & luxurious environment. With best amenities like Site landscaping and Terrace gardening in the first floor.

The Site visit broadened the student's architecture vision towards the onsite execution of landscape construction and the effort and methods adapted to bring out the design of an Architect. At 5.00PM, all the students and faculty members reached the campus.
