An Industrial Visit Report

An Industrial visit to Indu Remedies Private Limited, Mogappair West, Chennai was organized by the Department of Chemistry, Faculty of Arts & Science, Bharath Institute of Higher Education and Research, on 11th October 2019. Providing students an exposure about Practical working and its enhancement was the aim of the Industrial visit. Dr. G. Padmapriya had accompanied students in the Industrial Visit.

All the students had assembled at around 9.00 am in the university campus and departure to Indu Remedies Private Limited was at 9.45 am. The destination was reached at 10.45 am. The industry which we visited was Indu Remedies Private Limited at 11.00 am. The HR helped all the students in knowing the various operational skills that is involved in the pharma industry through practical exposure of each and every function of various departments that has been involved.

Indu Remedies Private Limited is a Private incorporated on 23 November 2004. It is classified as Non-Govt. Company and is registered at Registrar of Companies, Chennai. It is involved in Wholesale of pharmacy goods and household goods.

INDU REMEDIES PRIVATE LIMITED is a wholesaler company based on the National Industrial Classification (NIC) code of 51397 and it is involved in the business activities related to this industry code such as Pharmaceutical and medical goods, wholesale of pharmaceutical and medical goods.

Indu Remedies Private Limited was built and structured since 2004. Our longevity is an extraordinary achievement, especially against the backdrop of multiple financial crises, the agricultural, industrial and new technological revolutions.

At 3.00 pm, all the students and faculty members reached the campus and disbursed. On the whole, the industrial visit was very fruitful and knowledgeable as all the students got exposed to practical learning which would definitely be helpful for our theoretical concepts that will be put into action; it helped the students to improve industrial operations in national wide.
