An Industrial Visit Report

An Industrial visit to Karur Vysya Bank was organized by the Department of Mathematics and Statistics, Bharath Institute of Higher Education and Research, on March 18th 2020. Providing students an exposure about Practical working environment was the aim of the Industrial visit. Dr.P.Sumathi and Mr. V. Nandhakumar had accompanied students in the Industrial Visit.

All the students had assembled at around 9.00AM in the university campus and departure to Karur Vysya Bank was at 9.30AM. The destination was reached at 10.30AM. The industry which we visited was Karur Vysya Bank at 11.00 AM. The HR helped all the students in knowing the various operations that involved in the bank through practical exposure of each and every function of various departments that has been performance involved.

About the Karur Vysya Bank is a Scheduled Commercial Bank in India. It has completed 100 years of operation and is one of the leading banks in India, headquartered in Karur in Tamil Nadu. It was set up in 1916 by M. A. Venkatarama Chettiar and Athi Krishna Chettiar. The bank primarily operates in treasury, corporate/wholesale banking and retail banking segments.

KVB provides services such as personal, corporate, agricultural banking and services to NRIs and MSME. Under personal banking, the bank provides housing loan, personal loan; insurance; and fixed deposits among others. Under corporate banking, KVB provides services like corporate loans; demat account, multicurrency current account and general insurance among others. Schemes provided by KVB under agricultural banking include Green Harvester, Green Trac and KVB Happy Kisan among others. Under MSME, the bank provides products such as KVB MSME Cash, KVB MSME Term Loan, KVB MSME Vendor Bill Discounting and KVB MSME Standby Term Loan among others. The bank had added more branches and 10 ATMs during the year thus bringing the total to 798 branches and 1,780+ ATMs as on 1 July 2018. It introduced a number of initiatives in FY16 like reloadable cards, kisan credit cards, automatic passbook kiosk, e-book, etc.

The latest being introduction of fast tag and UPI based payment system. Total business volume is 1,00,000+ crore as of December 2019.

And it's not just the story of a bank – it is the story of the communities that we serve, as well as our colleagues, our buildings, and our products. The archives allow us to share those stories.

At 4.00PM, all the students and faculty members reached the campus and disbursed. On the whole, the industrial visit was very fruitful as all the student's got exposure to practical learning that is how theatrical concepts are put into action; it helped the students to improve banking operations in world wide.
