An Industrial Visit Report

An Industrial visit to TCS Ltd was organized by the Department of Computer Science, Bharath Institute of Higher Education and Research, on August 1st 2019. Providing students an exposure about Practical working environment was the aim of the Industrial visit. Dr. D. Keraina Hanrix and Mr. S. Kannan had accompanied students in the Industrial Visit.

All the students had assembled at around 9.00AM in the university campus and departure to TCS was at 9.30AM. The destination was reached at 10.30AM. The industry which we visited was TCS Ltd at 11.00 AM. The HR helped all the students in knowing the various operations that involved in the sector through practical exposure of each and every function of various departments that has been performance involved.

About Tata Consultancy Services (TCS) is an Indian multinational information technology (IT) services and consulting company headquartered in Mumbai, Maharashtra, India with its largest campus located in Chennai, Tamil Nadu, and India. As of February 2021, TCS is the largest IT services company in the world by market capitalization (\$200 billion). It is a subsidiary of the Tata Group and operates in 149 locations across 46 countries.

TCS is the second largest Indian company by market capitalization and is among the most valuable IT services brands worldwide. In 2015, TCS was ranked 64th overall in the Forbes World's Most Innovative Companies ranking, making it both the highest-ranked IT services company and the top Indian company. As of 2018, it is ranked eleventh on the Fortune India 500 list. In April 2018, TCS became the first Indian IT company to reach \$100 billion in

market capitalization and second Indian company ever (after Reliance Industries achieved it in 2007) after its market capitalization stood at 6.793 trillion (equivalent to ₹7.7 trillion or US\$100 billion in 2020) on the Bombay Stock Exchange

Communicate the strength and depth of the Values that have underpinned Barclays from the very beginning. And it's not just the story of a TCS – it is the story of the sector that we serve, as well as our colleagues, our buildings, and our products. The archives allow us to share those stories.

At 4.00PM, all the students and faculty members reached the campus and disbursed. On the whole, the industrial visit was very fruitful as all the students got exposure to practical learning that is how theatrical concepts are put into action; it helped the students to know IT operations in world wide.
