## **An Industrial Visit Report**

An Industrial visit to Velciti Consulting Engineers was organized by the School of Civil and Infrastructure Engineering, Bharath Institute of Higher Education and Research, on February 7<sup>th</sup> 2020. Providing students an exposure about Practical working environment was the aim of the Industrial visit. Dr. P. Dayakar had accompanied students in the Industrial Visit.

All the students had assembled at around 9.00AM in the university campus and departure to Velciti Consulting Engineers was at 9.30AM. The destination was reached at 10.30AM. The industry which we visited was Velciti Consulting Engineers at 11.00 AM. The Managing director helped all the students in knowing the various operations that involved in the plant through practical exposure of each and every function of various departments that has been performance involved.

About the Velciti Consulting Engineers has started in year of 2010 by a team of Professional with strong determination of providing excellent engineering services in the field of Geotech & Highways with more than 25 years' experience. We are proud to say that we are the major foundation design company India. With an ambition of giving quality and economic design to the major structure like bridges, windmills, dams, highways, airports etc by exactly understanding the requirements of clients and executing it in time as per the Indian Standards. Our approach to business involves providing high standard services to our clients. We customize our approach not only to the Client but also to the projects by strictly adhering to the standards.

At 4.00PM, all the students and faculty members reached the campus and disbursed. On the whole, the industrial visit was very fruitful as all the students got exposure to practical learning that is how theoretical concepts are put into action; it helped the students to improve the knowledge.
