Students Industrial Visit Report

Unikerz technologies Pvt Ltd

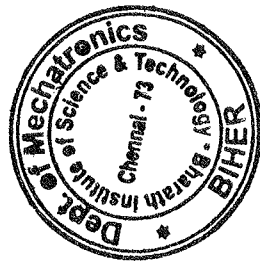

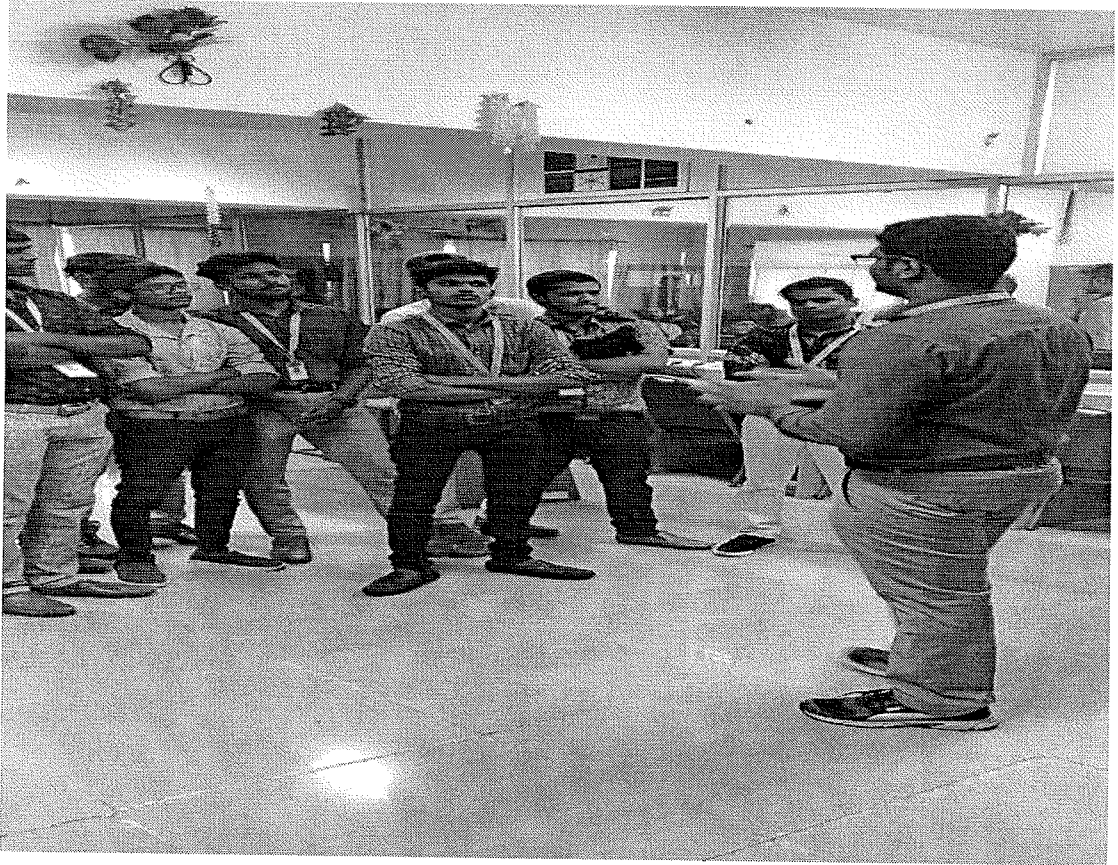

We visited Unikerz Technologies on 08.11.2019, located at Adambakkam with 42 students and 2 faculties of Mechatronics Department. Unikerz Technologies Pvt Ltd in Chennai is one of the leading businesses in the Institutes For Industrial Automation. Also known for PLC Training Institutes, Automation Training Institutes, Scada Training Institutes, Institutes For Industrial Automation, Industrial Automation Training Institutes and much more.

It was established in the year 2016 to provide simple and easily operable automated mechanisms as per the customer requirements. They provide training in the same with experienced people who make the learning process very easy. There was a workshop already organised by the department of Mechatronics which led us to the knowledge about the presence of the company and their expertise in automation and training.

Even though the workplace which we visited was like a micro scale industry, the quality of output and the knowledge gained is nevertheless. We thank our management, staffs and our department for arranging this Industrial Visit to the best upcoming Automation and training company which let us gain insights to the current trends.
