Students Industrial Visit Report

M&H Progressive skills

We visited M&H Progressive skills Technologies on 01.10.2019, located at Ekkattuthangal with 60 students and 4 faculties of Mechatronics Department. M&H Skills Automation Courses in Chennai is one of the leading businesses in the PLC Training Institutes. Also known for PLC Training Institutes, Robotic Training Centres, Institutes For Robotics, Scada Training Institutes, Computer Training Institutes For Embedded System, Computer Training Institutes For Internet On Things, VFD Training Institutes, Institutes For Industrial Robotics and much more.

It was established in the year 2016 to provide simple and easily operable automated mechanisms as per the customer requirements.

They provide training in the same with experienced people who make the learning process very easy, It is known to provide top service in the following categories: PLC Training Institutes, Robotic Training Centres, Institutes For Robotics, Scada Training Institutes, Computer Training Institutes For Embedded System, Computer Training Institutes For Internet On Things, VFD Training Institutes, Institutes For Industrial Robotics.

Even though the workplace which we visited was like a micro scale industry, the quality of output and the knowledge gained is nevertheless. We thank our management, staffs and our department for arranging this Industrial Visit to the best upcoming Automation and training company which let us gain insights to the current trends.
