Respected Sir,

Sub: To permit AHS students to visit Rela Institute of Medical Sciences

I would like to bring to your notice that there are 405 AHS students from different specialties under School of Allied Health Sciences. It would be a great opportunity for the students to visit Rela Institute of Medical Sciences which will help them to gain sound knowledge and experience in their respective fields. I request you to please permit them to visit your hospital on 5th, 6th and 7th of November 2019 which will encourage and motivate the students immensely.

Thanking you,

Yours sincerely

A REPORT ON THE HOSPITAL VISIT

Hospitals serve humanity and play a vital role in the social welfare of any society. The main aim of hospitals is to offer maximum health services and ensure care and cure. Further, there are other hospitals also which serve as training centers for the upcoming physicians and offer training to professionals.

Many hospitals also conduct research works for people. The essential services which are available in a hospital include emergency and casualty services, OPD services, IPD services, and operation theatre.

Dr. Rela Institute and Medical Centre is Multispeciality Hospital is committed to being an internationally significant health care system with the state of the art of infrastructure facilities and functioning. Leading edge technologies extensive research resources and best in the world treatment options make this mutispeciality hospital the healthcare destination of choice for a great number of international patients on India

There were 405 students from different specialties under School of Allied Health Sciences to visit Rela Institute of Medical Sciences which will help them to gain medical knowledge and experience in their respective technology fields. Students of final year visited the Hospital on November 5th 2019. 129 second year students visited the hospital on 6th of November 2019. The first year students visited the hospital on November 7th 2019.

Students were excited to visit the state-of-the-art building of Dr. Rela Institute & Medical Center. with lots of modern and well equipped with advanced service facilities. The students started their hospital tour from the ground floor. They visited OPD Reception, 'May I Help You desk', TPA

Desk, Corporate care centre, Health Check department and then they were moved to the Emergency Department.

They saw the entire process of planned and non-planned admission and how an injured patient is moved inside the emergency. Students toured the top floor of the building where the In-patient wards are located. General Bed, Semi-Private wards, Private wards, and ICU was situated on that floor. Students have oriented themselves with the practical exposure of these clinical departments which they have studied in the textbooks. Later, the students surveyed various support and utility service departments such as Linen and Laundry, CSSD, Pantry, Cafeteria, Administration etc. The students viewed the Operation Theatre from outside. The hospital has multiple OTs for different types of surgeries like Cardiac, Orthopedic or Neurology. Excellent parking facility is an added boon to the hospital. The culture at the Hospital allowed learners and educators to extend support regarding a patient's safety. The security of the patients and hospital staff is of primary importance to them as they are constantly on the alert to avoid mishaps or misfortunes. It was a wonderful and interactive visit, where the students understood the operations of various departments of a multi-specialty hospital and also witnessed the real-life scenario inside a large hospital
