# REPORT ON FIELD VISIT TO SPASTIC SOCIETY OF INDIA

## The Spastics Society of Tamil Nadu

As a part of requirement we the post basic B.Sc nursing students went to spastic society of India for field visit on 10-12-2019 along with the BSC nursing IIIrd year students and M.SC nursingist year student under the guidance of Prof.Mrs.Ajitha Nancy, Mrs.Saradhadevi, Mrs.Ajithakumari and Mrs.Ashwini.

We started from the college campus at 9am and reached SPASTIC SOCIETY centre at 10 am and from there we were guided by the concerned person for the orientation programme.The orientation was taken by Mr. Kishore –the coordinator of spastic.

## OBJECTIVES OF THE VISIT

- Educating about mental retarded child, autism, Cerebral palsy.
- To create awareness and understanding.
- To help eliminate social stigma about Mental retardation, Autism.
- To train the nursing students to gain valuable experiences in working with the chronic mentally ill child through SPASTIC treatment and rehabilitation
- To know about the positive and negative symptoms of MR Child.
- To know the management of mental abilities ,autism,cerebral palsy.
- To understand the role of all those involved in the community care

## ABOUT SPASTIC

The spastic society of Tamilnadu (SPASTIN) was established in 1981 ,under the aegis of the ministry of social justice and empowerment ,Government of India.It is a voluntary non-governmental organization advocating for and empowering person with disability and their families through need based intervention.At present there are 400 children in the school.At the core of everything that SPASTIN undertakes is the passionate belief in the dignity of human life.It is for these underpinning values,SPASTIN champions for the rights of disabled persons ,the right of life, to information ,to education,tohealth,to employment to social security,to reaction leading to full participation.

## VISION AND MISSION

Towards full inclusion of person with disabilities by advocating for their rights and empowering them and their families through need base intervention. "towards inclusion of persons with disabilities into main stream society."
