Dear Sir,

**Sub: Request for the approval of Industrial Visit to Naval Air Station-reg**

Bharath Institute of Higher Education & Research (BIHER) offers four year Undergraduate Course (B. Tech) in Aeronautical & Aerospace Engineering. Industrial Visits are arranged to have industrial exposure in terms of technology and to update student's knowledge.

Hence, we are eager to arrange an Industrial Visit to your organization to give our students a glimpse of the aircrafts of the Indian Navy. This practical knowledge may create interest in their studies and this interaction may give guide lines to students who wish to take up their career in defence forces.

So, we would be grateful, if permission is given for a batch of 180 students accompanied by the six staff members on any convenient date during 20<sup>th</sup> January – 30<sup>th</sup> March of 2020.

We look forward for your approval

Thanking You

Yours sincerely,
