Dear Sir,

**Subject:** Request for the approval of one-day Industrial Visit/Hands-on Training at your premises in Chennai – Reg.

Bharath Institute of Higher Education and Research (BIHER) offers four year Undergraduate B.Tech. programs in Aeronautical Engineering and Aerospace Engineering. Industrial Visit and Hands-on Training are arranged for students to provide them exposure in term of technology and industry.

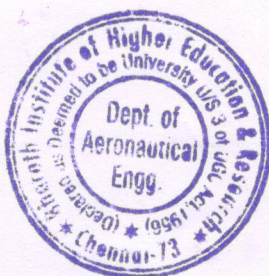

Students learn Python programming in their 2<sup>nd</sup> semester and it would be better if they receive a hands-on training from industry experts. Therefore, Department of Aeronautical Engineering is eager to arrange one-day Industrial Visit/Hands-on Training for our students on “Application of Python Programming in Drones” at your organization. This practical knowledge would create more interest in them for the studies. We have also signed MoU with your organization.

So, we would be grateful, if permission is granted for 175 students. Faculty members and supporting staffs would accompany them during the visit on any convenient date in between 10<sup>th</sup> February and 10<sup>th</sup> March’20.

We look forward for your approval.

Thanking you.

Yours sincerely,
