National service Scheme provides diversified opportunities to students in colleges and universities to develop their personality through community services. Community services rendered by University level students have covered several aspects like adoption of villages for intensive development work, mass tree plantation, technology transfer programmes, technologies for rural development, various training programmes for self-help groups and rural youth etc., Considering the benefits Bharath University has made NSS Compulsory at UG level for the first two years.

I am happy to learn the activities carried out by the NSS volunteers in Engineering Colleges in Bharath University on the theme **HEALTHY YOUTH FOR HEALTH INDIA**, for pollution free environment, Voter Awareness program, Tree plantation, polio drops, Blood Donation Camps, General Health Camps, Creation of awareness among the public on HIV/AIDS etc.

I Congrats all NSS Students and participants in the Bharath university NSS cell

Like last year, the year 2015-2016 shall be another year with vibrant NSS activities on the theme **HEALTHY YOUTH FOR HEALTH INDIA**. The Hand Book suggest only a few activities to be carried out, there could be many more.

I am sure that the volunteers will work towards bringing up the name of their institutions and Bharath University through the NSS activities.

PREFACE

National Service Scheme popularly known as NSS, the scheme was launched in Gandhi Centenary year, 1969 and aimed at developing student's personality through community service. The overall objective of National Service is Educational. This objective is attained through the service to the community.

NSS is a permanent youth programme under the Ministry of Youth Affairs and Sports, Government of India and funded by Government of Tamilnadu and Government of India in the ratio 5:7.

Bharath University Chennai is a large affiliating technological University with over 4 constituent and affiliated Engineering colleges involving over 12 thousand students. The activities of NSS mainly focused on Technology transfer to rural mass and help the rural youth for creating the job opportunity, through conducting different types of training programmes. As a step towards this direction, Bharath University NSS cell has brought out this Guidelines with the rules and guidelines for conducting various Regular and Special Camping activities, to ensure uniformity in the programmes. The NSS volunteers will get the benefits from the NSS activities like job opportunities, self-confidence, leadership quality etc.

The Guidelines takes care of modifications needed based on the feedback received from the Principals and NSS Programme Officers.

NATIONAL SERVICE SCHEME

1. INTRODUCTION

In India, the idea of involving students in the task of national service dates back to the times of Mahatma Gandhi, the father of the nation. The central theme which he tried to impress upon his student audience time and again, was that they should always keep before them, their social responsibility. The first duty of the students should be, not to treat their period of study as one of the opportunities for indulgence in intellectual luxury, but for preparing themselves for final dedication in the service of those who provided the sinews of the nation with the national goods & services so essential to society. Advising them to form a living contact with the community in whose midst their institution is located, he suggested that instead of undertaking academic research about economic and social disability, the students should do "something positive so that the life of the villagers might be raised to a higher material and moral level".

2. OBJECTIVE

The overall objective of NSS is Personality Development through community service.

The broad objectives of NSS are to:

- Understand the community in which they work.

- Understand themselves in relation to their community.

 - Identify the needs and problems of the community and involve them in problem solving process.

- Develop among themselves a sense of social and civic responsibility.

 - Utilize their knowledge in finding practical solution to individual and community problems.

 - Develop competence required for group-living and sharing of responsibilities. Gain skills in mobilizing community participation.

- Acquire leadership qualities and democratic attitude.

 - Develop capacity to meet emergencies and natural disaster and Practice national integration and social harmony.

3. MOTTO

The motto or watchword of the NSS is **“Not me but you”**. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. This express the essence of democratic living and upholds the need of selfless service and appreciation of the other man’s point of view and also consideration for fellow human beings.

4. SYMBOL

The symbol of the National Service Scheme is “Rath’ Wheel of the Konark Sun Temple of Orissa. These giant wheels of the sun temple portray the cycles of creation, preservation and release and signify the movement in life across time and time and space. The design of the symbol, a simplified form of the Sun Chariot wheel primarily depicts movement. The wheel signifies the progressive cycle of life. It stands for continuity as well as change and implies the continuous striving of NSS for social transformation and enlistment.

BADGE

The NSS symbol is embossed on the NSS badge. The NSS volunteers wear it while undertaking any programme or community service. The konark wheel in the symbol has eight bars, which represent the 24 hours of the day. Hence, the badge reminds the wearer to be in readiness for the service of the nation round the clock i.e. for 24 hours. The Red Colour in the badge indicates that the NSS volunteers are full of blood i.e. lively, active energetic and full of high spirit. The Navy Blue Colour indicates the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of the mankind.

NSS DAY

NSS was formally launched on 24th September 1969, the birth Centenary year of Father of Nation. Therefore, 24 September is celebrated every year as NSS Day with appropriate programmes and activities.

NSS SONG

During Silver Jubilee Year 1994 the NSS theme song has been composed. All NSS volunteers are expected to learn the theme song and sing the song during NSS programmes and celebrations.

We shall overcome

We shall overcome

We shall overcome some day

O! deep in my heart

I do believe that

We shall overcome some day

We'll walk hand in hand

We'll walk hand in hand

We'll walk hand in hand to- day

O! deep in my heart

I do believe that

We shall overcome some day

We shall live in peace.

We shall live in peace.

We shall live in peace to-day

O! deep in my heart

I do believe that

We shall overcome some day

We shall not be afraid

We shall not be afraid

We shall not be afraid to-day

O! deep in my heart

I do believe that

We shall overcome some day.

Blood donation

Blood donation refers to the process of collecting, testing, preparing, and storing blood and blood components. Donors are most commonly unpaid volunteers, but they may also be paid by commercial enterprises. Blood registry refers to the collection and sharing of data about donated blood and ineligible donors. Blood donations can be made in community blood centers, at hospitals or in bloodmobiles, which visit schools, churches and workplaces. The actual process of donating whole blood takes about 20 minutes. The blood flows through plastic tubing into a blood bag. Donors may be asked to clench their fist to encourage blood to flow. Usually, one unit of blood is collected.

POLIO DROPS-2015-2016

Polio virus is usually a harmless parasite of human beings. There is no specific treatment for polio except symptomatic. Therapy is designed to make the patient more comfortable. There are two types of polio immunizations available in the United States. Both of these vaccines take advantage of the fact that infection with polio leads to an immune reaction, which will give the person permanent, lifelong immunity from re-infection with the form of poliovirus for which the person was vaccinated. This is a rare complication, however, occurring in only one in 6.8 million doses administered and one in every 6.4 million doses from having close contact with someone who received the vaccine.

VOTING AWARENESS 2015-2016

SVEEP CAMPAIGN-2016

Vote of confidence, procedure used by members of a legislative body (generally the lower house in a bicameral system) to remove a government (the prime minister and his cabinet) from office. To be successful, the procedure, which does not apply to the removal of heads of state in presidential and semi presidential forms of government, typically requires a majority of legislators to disapprove of the government's actions i.e., to issue a vote of "no confidence" or a motion of censure. vote on a major piece of legislation may be treated as a vote of confidence. Many other countries with parliamentary forms of government allow for formal votes of confidence or censure.
