Community services rendered by University level students have covered several aspects like adoption of villages for intensive development work, mass tree plantation, technology transfer programmes, technologies for rural development, various training programmes for self-help groups and rural youth etc., Considering the benefits Bharath University has made NSS Compulsory at UG level for the first two years.

I am happy to learn the activities carried out by the NSS volunteers in Engineering Colleges in Bharath University on the theme **HEALTHY YOUTH FOR HEALTH INDIA**, for pollution free environment, Voter Awareness program, Tree plantation, polio drops, Blood Donation Camps, General Health Camps, Creation of awareness among the public on HIV/AIDS etc.

I Congrats all NSS Students and participants in the Bharath university NSS cell

NATIONAL SERVICE SCHEME

1. INTRODUCTION

National Service Scheme popularly known as NSS was launched in Mahatma Gandhi Centenary year 1969 and aimed to developing student's personality through community service. The overall objective of National Service is education. This objective is attained through the service to the community.

National Service Scheme (NSS) is a permanent youth Programme under the Ministry of Youth Affairs and Sports, Government of India and funded by Government of Tamilnadu and Government of India in the ratio 5:7.

2. OBJECTIVE

The overall objective of NSS is Personality Development through the community service.

The broad objectives of NSS are to:

- Understand the community in which they work.
- Understand themselves in relation to their community.
- Identify the needs and problems of the community and involve them in problem solving process.
- Develop among themselves a sense of social and civic responsibility.
- Utilize their knowledge in finding practical solution to individual and community problems.
- Develop competence required for group-living and sharing of responsibilities.
- Gain skills in mobilizing community participation.
- Acquire leadership qualities and democratic attitude.
- Develop capacity to meet emergencies and natural disasters.
- Practice national integration and social harmony.

3. MOTTO

The motto or watchword of the NSS is “**Not me but you**”. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. This express the essence of democratic living and upholds the need of selfless service and appreciation of the other man's point of view and also consideration for fellow human beings.

4. SYMBOL

The symbol of the National Service Scheme has been based on the **Giant Rath** Wheel of the world famous Konark Sun Temple of Orissa, India. These giant wheels of the sun temple portrays the cycles of creation, preservation and release and signify the movement in life across time and space. The design of the symbol, a simplified form of the Sun Chariot wheel primarily depicts movement. The wheel signifies the progressive cycle of life. It stands for continuity as well as change and implies the continuous striving of NSS for social transformation and enlistment.

BADGE

The NSS symbol is embossed on the NSS badge. The NSS volunteers wear it while undertaking any programme or community service. The konark wheel in the symbol has eight bars, which represent the 24 hours of the day. Hence, the badge reminds the wearer to be in readiness for the service of the nation round the clock i.e. for 24 hours. The Red Colour in the badge indicates that the NSS volunteers are full of young blood i.e. lively, active, energetic and full of high spirit. The Navy Blue Colour indicates the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of the mankind.

NSS DAY

NSS was formally launched on 24th September 1969, the birth Centenary year of Father of Nation. Therefore, 24 September is celebrated every year as NSS Day with appropriate program and activities.

NSS SONG

During Silver Jubilee Year 1994 the NSS theme song has been composed. All NSS volunteers are expected to learn the theme song and sing the song during NSS program and celebrations.

We shall overcome

We shall overcome

We shall overcome some day

O! deep in my heart

I do believe that

We shall overcome some day

We'll walk hand in hand

We'll walk hand in hand

We'll walk hand in hand to- day

O! deep in my heart

I do believe that

We shall overcome some day

We shall live in peace.

We shall live in peace.

We shall live in peace to-day

O! deep in my heart

I do believe that

We shall overcome some day

We shall not be afraid

We shall not be afraid

SCIENCE DAY RALLY

The National Service Scheme (NSS) committee recommended the introduction of national service for a period of nine months to a year; however, the recommendation was not accepted because of its financial implications and difficulties in implementation. In 1960, the government appointed K.G. Saiyidain to study how national service by students was implemented in other countries. He submitted his report, "National Service for the Youth", to the government with recommendations to develop a feasible scheme of social service by Indian students. "NOT ME, BUT YOU" This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow.

POLIO DROPS-2016-2017

polio virus is usually a harmless parasite of human beings. There is no specific treatment for polio except symptomatic. Therapy is designed to make the patient more comfortable. There are two types of polio immunizations available in the United States. Both of these vaccines take advantage of the fact that infection with polio leads to an immune reaction, which will give the person permanent, lifelong immunity from re-infection with the form of poliovirus for which the person was vaccinated. This is a rare complication, however, occurring in only one in 6.8 million doses administered and one in every 6.4 million doses from having close contact with someone who received the vaccine.

Polio Drop Camp was Held at “BHARATH UNIVERSITY” on 2nd April 2017
