ABOUT UNIVERSITY:

Bharath University was established under the aegis of Sri Lakshmi Ammal Educational Trust with the aim of imparting higher knowledge in Science and Technology to the aspiring boys and girls so that they can emerge as competent scientists, engineers and technologists of repute. BIST was started in the year 1984, and acquired deemed to be University status in the Year 2003 by University Grant Commission (UGC). The Institute is committed to the grand task of providing quality education, which will transform the students into efficient and successful careerists. Students who have graduated from BIST are already serving in responsible positions, in India and Abroad.

ABOUT DEPARTMENT:

The Department of Computer Science and Applications was established in the academic year 1998 with the intake of 60 in Bharath Institute of Science and Technology (BIST), Chennai. It strives hard to develop world class, self disciplined computer professionals who will be responsible for uplifting the economical status of our Nation and humanity.

The Programmes offered under Department of Computer Applications are:

- Master of Computer Applications - (3 Years), Lateral Entry (2 Years).
- M.Sc. (CS) - Master of Computer Science (2 Years).
- BCA- Bachelor of Computer Applications (3 Years).
- B.Sc. (CS) - Bachelor of Computer Science (3 Years).
- M.Phil. & Ph.D

SEMINAR OBJECTIVE:

Cloud computing is a general term for anything that involves delivering hosted services over the internet. These services are divided into three main categories: infrastructure as a service (IaaS), platform as a service (PaaS) and software as a service (SaaS).

A cloud can be private or public. A public cloud sells services to anyone on the internet. A private cloud is a proprietary network or a data center that supplies hosted services to a limited number of people, with certain access and permissions settings. Private or public, the goal of cloud computing is to provide easy, scalable access to computing resources and IT services.
