About the University:

The first self-financing Engineering College in the name of Bharath Institute of Science and Technology (BIST) was started in Tamil Nadu in 1984 by Sri Lakshmi Ammal Educational Trust, established by the academic visionary Dr.S.Jagathrakshakan.

Bharath University and is known for providing high-quality education to around 10000 students from across the world in multi-stream. The institute facilitates the guidance of 1300 teaching faculty members to provide guidance to do Undergraduate, Postgraduate programs and to facilitate Ph.D. research.

About the Department:

Electronics and Communication Engineering (ECE) is a swiftly advancing field, with new ideas emerging every other seconds. Graduate engineers in this discipline will be equipped to design and fabricate, install, operate and maintain complex electronic circuits, equipment's and systems.

The course also covers designing security in communications, besides all the software and hardware required in the communication domain.

About the Seminar:

Advancements in the technology of digital telecommunications have led to the development of embedded networking, a practice that expands the range of potential applications for embedded systems in a variety of contexts. The field of embedded networking deals with the network design and topology, hardware devices, and communication/data exchange protocols needed to connect and exchange information between embedded systems.

Effective design of an embedded networking product requires the selection of a protocol stack that enables the desired networking features and communication patterns while managing design constraints such as memory and power consumption.

We cordially invite the students, research scholars, Faculties, Industrial persons to explore the various areas of research and to enhance research skill and to enlighten those around you.

Instructions for the Participants:

Those who wants to participate in this National level Seminar fill their details in the registration form and get signature from their Higher Authorities. Along with the registration form take DD drawn in favour of "Dean Engineering" BIHER payable at Punjab National Bank (PNB), selaiyur, branch - Chennai-73, should be sent to the Head of Dept. of ECE/BIHER, for their participation confirmation.

DD should carry full name, contact number and address of the participants.
