<p><b>About the University:</b> The first self-financing Engineering College in the name of Bharath Institute of Science and Technology (BST) was started in Tamil Nadu in 1984 by Sri Lakshmi Ammal Educational Trust, established by the academic visionary Dr.S.Jagathrakshakan.</p> <p>Bharath University and is known for providing high-quality education to around 10000 students from across the world in multi-stream. The institute facilitates the guidance of 1300 teaching faculty members to provide guidance to do Undergraduate, Postgraduate programs and to facilitate Ph. D. research.</p> <p><b>About the Department:</b> Electronics and Communication Engineering (ECE) is a swiftly advancing field, with new ideas emerging every other seconds. Graduate engineers in this discipline will be equipped to design and fabricate, install, operate and maintain complex electronic circuits, equipment's and systems.</p> <p>The course also covers designing security in communications, besides all the software and hardware required in the communication domain.</p>	<p><b>About the Seminar:</b> DCSs allowed easy interconnection and re-configuration of plant controls such as cascaded loops and interlocks, and easy interfacing with other production computer systems. It enabled sophisticated alarm handling, introduced automatic event logging, removed the need for physical records such as chart recorders, allowed the control racks to be networked and thereby located locally to plant to reduce cabling runs, and provided high level overviews of plant status and production levels. DCS system was expensive, large, complex to implement and only seen as a control solution for continuous or complex batch process industries.</p> <p>We cordially invite the students, research scholars, Faculties, Industrial persons to explore the various areas of research and to enhance research skill and to enlighten those around you.</p>	<p><b>Instructions for the Participants:</b> Those who wants to participate in this National level Seminar fill their details in the registration form and get signature from their Higher Authorities.
