OBJECTIVE OF THE WORKSHOP

The conference has been intended to introduce recent advances in the area of Function of Electrical Signal. The goal of the conference is to provide a forum to exchange latest research ideas and innovations in the field of Information and Communication. This conference would surely help and offer opportunities to the new researchers, academicians and industry professionals to enhance the knowledge and pursue research in this area.

TOPICS COVERED

The following topics would be covered

- 5G Networks
- High Refresh Rate Display
- Machine Learning
- Brain Processing
- Internet of Things
- Augmented Reality
- Folding Smartphones

BACKGROUND

The field of Information and Communication is progressing with ever new developments and applications signal and skills in signal and image processing. The goal of this conference is to generate community wide discussion of issues that will influence and stimulate continued research in the field of Information and Communication. This programme is being focused on recent advances in Information and Communication. It will give participants an update their knowledge and widen their horizon.

ABOUT THE INSTITUTION

Bharath Institute of Science and Technology (BIST) was the first self financing Engineering College established in Tamil Nadu in 1984. On the recommendation of University Grants Commission (UGC), Bharath Institute of Higher Education and Research (BIHER) was declared as deemed to be university by Ministry of Human Resource and Development (MHRD), Government of India, in the year 2003. Bharath Institute of Science and Technology (BIST), a constituent college of BIHER conducts various Academic and Research Programmes in Engineering & Technology, Architecture and Management studies. BIST has a state of art facilities for Undergraduate, Postgraduate and Research Programmes. The students of BIST spread all over the globe, excelling themselves in their own domains. BIHER has accorded with 'A' grade by National Assessment and Accreditation Council (NAAC), India and Ranked as No. 2 for Outreach and Inclusivity in
