About the college:

Bharath Institute of Higher Education and Research (BIHER) is providing multi-stream,multi-cultural and high quality education to nearly 10000 students from around the world. Bharath Institute of Science and Technology (BIST) started with Sri Lakshmi Ammal Educational Trust as the first Self Financing Engineering College in Tamil Naidu in 1984 by Dr.Jagathrakshagan.It is functioning in a sprawling area of 305 Acres of land located in 6 Campuses both in Tamil Nadu and Pudhucherry with thestate of the art infrastructure facilities. There are well qualified Teaching Faculty members to teach UG and PG programmes and to guide Ph.D.Research.

About the Department:

The Department of Electrical and Electronics Engineering, Bharath university started in the year 1992. It offers one Under-Graduate programmer (B.Tech.), two Post-Graduate programs (M.Tech. in Power Systems and M.Tech. in Power Electronics) and also research programs (Ph.D.) in the various fields of Electrical and Electronics Engineering. After the Institute became Deemed University,the Department as has grown not only in terms of student and faculty strength, but also in improving the laboratory facilities for the teaching and research purposes. Those the department has dedicated and state of the art teaching /research laboratories. The department is recognized for excellence in research, teaching and service to the nation.

THE OBJECTIVE:

SOLIDWORKS is a software tool that is used right from the conceptualization of the design until the final manufacturing of the product. As the world's leading tool in designing, it supports interactive learning of 3D modelling. The course aims to give students and professionals the essentials that is needed to become a certified SOLIDWORKS associate. The course will help individuals use the software with confidence and design/draft the next innovative thing.

This workshop focuses on the following Areas:
