## ABOUT THE UNIVERSITY

Bharath Institute of Higher Education and Research (BIHER) formerly known as Bharath University was established in the year 1984, under the aegis of Sri Lakshmi Ammal Educational Trust and acquired deemed to be university status in the year 2003 by University Grant Commission (UGC). BIST was started with the aim of imparting higher knowledge in Science and Technology to the aspiring students, so that they can emerge as competent scientists, engineers and technologists. It is committed to the grand task of providing quality education, which will transform the students into efficient and successful careerists. Students who have graduated from BIST are already serving in responsible positions, in India and abroad.

## ABOUT THE DEPARTMENT

The Department of Microbiology was established in 2015 to cater the needs of aspirants who want to study in a university atmosphere. The main objective of the department is to provide academic training and conduct research in the interdisciplinary areas of microbiology and biotechnology with a particular emphasis on extending the knowledge generated from these studies towards the development of technologies of commercial significance. The department has ever since demonstrated an unfailing commitment towards research and man-power development in frontier areas of integrative biology.

The Department offers three years Bachelor, two years Master Degree programmes (B.Sc. & M.Sc.), M.Phil (FT/PT) and Ph.D (FT/PT) programmes which are a full fledged courses in Biological Sciences.

## SEMINAR OBJECTIVE

To address the conservation of biological diversity, the sustainable use of its components, and the fair and equitable sharing of the **benefits** arising out of the utilisation of genetic resources
