MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING entered into on...21...1...2016.. (date) at..Chennai..... (Place) , INDIA .

BETWEEN:

1. Bharath Institute of Higher Education (BIHER), (Bharath University), headquartered at Chennai, India herein after referred as **First Party**; represented by its Vice Chancellor Sir Dr.M.Ponnaivaikko

And

2. - FHM University of Applied Science, headquartered at Bielefeld, Germany herein after referred as **Second Party** - represented by its Chairman Prof. Dr. Richard Merk

BACKGROUND

The First Party is a leading education group in India with world class infrastructure and reputed faculty. Bharath Institutions (BIHER) are constantly ranked amongst the top.

The Second Party is reputable Educational University of Applied Sciences in Germany offering multifarious curricula in UG & PG programmes. FHM is ranked amongst the top private Universities in Germany.

The First and Second Party are interested in academic cooperation with regard to setting up a joint collaboration in the field of

A: Engineering, Managaement and

B: Faculty exchange in the field of Engineering and Management.

Both the parties hereby declare an interest in these “**Mutually beneficial programs**” herein after referred as **BUFHM programs** ((BIHER- Bharath University)-FHM Programs).

The parties had preliminary discussions and had reached a broad consensus on working together for launching BUFHM programs. The parties now, have therefore, agreed to enter in writing these areas of

consensus defining roles, responsibilities and obligations, under this Memorandum of Understanding as follows:

1. Scope of MOU

- 1.1 The BUFHM programs will be offered in Germany at the campus(es) of second Party and vice versa (At the campuses of the first party in India).
- 1.2 Both the parties will inform the other well in prior (3 months) before the start of the program and about the no. of participants so that the other party can take care of the necessary arrangements.
- 1.3 Any modification relating to the academic curricula pertaining to BUFHM conducted in India as well as Germany shall be informed of such modifications well in advance to the other party.
- 1.4 On successful completion of the BUFHM Faculty/student exchange programs, each student shall be awarded a dual certificate from first as well as from the second party.

2. Obligations of (BIHER) Bharath University (first party):

- 2.1 The student enrollment for participating in Engineering & Management Bachelor / master programs offered by FHM & in related programs like ICPF Tech shall be done by the first Party & by its other Indian representatives
- 2.2 The first party shall be responsible for collection of fees, all administrative work relating to the faculty exchange (Indian part) when their faculties/students travel from India to Germany.
- 2.3 The first party also offers its facilities to conduct talks, seminars, exhibitions, info days etc for the second party & its partners about their programs & study in Germany.
- 2.4 If the faculties/students are in need of any prior German knowledge for certain programs the first party will try to arrange it for their faculties/students. The second party will also offer its help if necessary.
- 2.5 First party shall make available and facilitate visa processing and travel of the BUFHM students/faculties to Germany.
- 2.6 First party shall arrange for overseas medical insurance for the students/faculties who travel to Germany for the study period.

- 2.7 First party shall compensate the second party & vice-versa. The commercial terms will be agreed minimum 3 months prior to starts of any BUFHM programs.
- 2.8 First party shall host faculties from second party in the event of their visit to India for the BUFHM programs (only for those who conduct classes for students as part of the program) on invitation by first party, and first party shall be solely responsible for the visiting faculties' stay in India in such a situation & vice-versa.

3. Obligations Of FHM (second party)

- 3.1 FHM shall host BUFHM students for the period of the coursework conducted in Germany.
- 3.2 FHM shall make available the requisite number of faculty for identified subjects for the certificate BUFHM programs.
- 3.3 FHM will plan the certificate program Curriculum and Study Plan to be taught in Germany within the course period and shall create content and pedagogy as well as deliver the same to the students/faculties.
- 3.4 FHM shall ensure that necessary documentation/help is provided for German Visa processing for the students/faculties of the BUFHM course.
- 3.5 FHM shall be solely responsible for the students during their stay in Germany. Responsibility includes:
- A) Teaching specific course subjects as listed in curriculum & study plan, with corresponding assessments of the students in Germany, for which FHM shall provide entire infrastructure facilities (as per requirement) including classrooms, laboratories, equipments, analytical tools and aids, library and qualified staff, as well as facilities for boarding (with a kitchen will be provided). Students need to bear the travel fare, living costs, medical insurance on their own).
- B) Facilitating industrial internships & or as a part of the curriculum and exposure to the European study/health/business environment that might lead to a successful career for the students /knowledge transfer for the faculties.

4. Support of Agreement

- 4.1 It is understood that the parties shall support and promote the spirit of this agreement to encourage academic collaboration and to facilitate as much as possible the academic progress, physical relocation and cultural orientation of the chosen candidates.
- 4.2 Other than as provided for in this MOU, the parties shall not be bound by or be liable for, any statement, representation, promise, agreement or other binding commitment of any kind on behalf of any other party, without the first & second party's prior written consent.
- 4.3 Any difficulty or controversy that may arise between the collaborating partners will be amicably resolved by the higher authorities of the institutions.

5. Review

The progress under this MOU will be reviewed every six months from the date of signing and based on mutual consent future course of action will be decided. Any modifications to this MOU will have to be done in writing with the consent of the parties involved.

6. Payment

All payments to FHM by the (BIHER) Bharath University (& Vice-versa) under the MOU, shall be made through bank transfer. The payer is responsible for the currency conversions as well as the transferring charges.

7. Entire Understanding

This MOU constitutes the only agreement between the parties hereto relating to the subject matter hereof.

8. Confidentiality

Both the parties agree that any information generated out of BUFHM shall not be transferred to third parties without prior written permission from the other. Both the parties shall ensure that there are no infringements on the **Intellectual Property Rights (IPR)**. If needed the parties will enter into a separate non-disclosure / confidentiality agreement to protect their individual copyrights and IPR.

9. Exclusivity

BIHER (Bharath University) and FHM agree that any certificate programs exclusively formulated for BUFHM students/faculties will remain so (Excluding the programs that are already existing which the BUFHM Students/faculties would like to avail eg: ICPF-Med, MMA, other master programs from FHM). During the operating period of this MoU, both parties agree to not to enter into any similar arrangement for a similar educational program with any other educational institution in India or in Germany. efficacy

10. Duration

This MOU shall operate from the date of signing, unless denounced by either party with a written notification at least 180 days prior to the termination date. The duration may be subjected to revisions or modifications by mutual agreement.

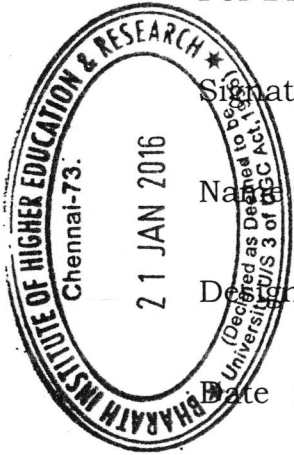

11. Termination

Either party wishes to terminate this MOU, may do so, by giving the other party a clear notice of 6 (Six) months in writing. Termination / expiry of this MOU, would not affect any rights and obligations of the Parties that may have accrued prior to such expiry of term or termination of MOU. The parties agree not to use curriculum or other academic details of the other for any other purpose other than those stated in this MoU. On termination/expiry of the MOU, both the parties agree that shall forthwith cease and desist from using the Intellectual Property and return all Confidential Information relating to the program in its possession to the other.

12. Governing Law & Jurisdiction

This MoU shall in all respects be governed by and construed in accordance with the laws of India/Germany and subject to arbitration. The competent courts will be as per the wish of the defendant and shall have exclusive jurisdiction in relation thereto.

IN WITNESS WHEREOF the parties have signed this Memorandum of Understanding of the day, month and year first herein above written.

III. BRANDING

- A. All branding activities, including all related advertisements, press release, announcements, publicity materials, communication, branding, marketing, etc., to be done in pursuance and in connection of this MOU shall be mutually agreed and approved by both the Parties and shall not be released without the prior written consent of both the parties.

IV. PROPRIETARY RIGHTS

A. Intellectual Property Rights

- (a) All rights, title and interest in the Intellectual Property Rights and the services to be delivered by GGHC, including but not limited to copyrights, patents, trademarks, trade names, service marks, trade secrets and proprietary rights with respect thereto, shall remain the sole property of GGHC and are not being transferred / licensed / assigned by this MOU.

B. Inventions & Patents

- (a) Inventions or patents conceived during the course of rendering services to the patients shall belong exclusively to GGHC.
- (b) Nothing contained in this MOU shall be deemed, by implication to grant any right or license in respect of any patents, inventions or technical information at any time owned by GGHC.

V. CONFIDENTIALITY

- A. During the term of this MOU, all the parties may exchange such proprietary technical and other information as is reasonably required for each to perform its obligations hereunder. The Parties undertake to keep confidential and not to disclose any

Confidential Information of the other Party or Confidential Information disclosed by the other party as a result of the Parties' cooperation under this MOU, and to protect such information against disclosure with the same degree of care that it uses to protect its own confidential information but not less than a reasonable degree of care. All the parties hereby agree to keep in confidence and prevent the disclosure to any person(s) outside their respective organizations or any person(s) within their organizations not having a need to know.

- B. "Confidential Information" is defined as any information or data in the possession of a Party, whether commercial, technical or medical in nature, which the Party treats as a trade secret or confidential information or which by its nature should reasonably have been understood to be confidential to such Party, including any information or material that is proprietary to the disclosing party. Confidential Information shall also include any other information classifiable in equity as confidential information, provided that the following shall not be deemed secret or Confidential Information: (i) information or data which is in the public domain, otherwise than through an act or omission of the Party against whom the disclosure is alleged; (ii) information or data which was in the possession of a Party before disclosure to it by the other Party; or (iii) information obtained from a third party who received such information lawfully, without restrictions as to further disclosure (iv) disclosed as required by law, judicial process, or governmental agency – in which case the concerned party shall be given reasonable opportunity / prior intimation for enabling the disclosing party to safeguard its interests.

VI. TERM AND TERMINATION

- A. This MOU shall become effective upon its signing by the Parties and shall be in force until the end of 2(Two) years from the date of this MOU, with renewable option for such term / period, as may be decided by the parties on mutual consent at the time of renewal. Either Party to this MOU may terminate it on a 30 days written notice. Should notice of termination be given as aforesaid, the MOU shall remain in force, with respect to Services already undertaken by the Parties, however subject to the receipt of fee (as agreed under this MOU) for such services.
- B. This MOU may also be terminated by either party upon the occurrence of any of the following:
- (a) In the event of a material breach, after giving written notice (of not less than 15 days in any event) and the same is not remedied within 30 days thereof; or
- (b) If either of the Parties goes into winding up or any similar proceedings, whether voluntary or compulsory, on at least a thirty (30) days written notice, provided that

S. Raghavendra Jangir

during the notice period said proceedings or arrangements are not set aside or cancelled.

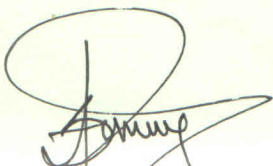

- (c) Rights and duties, which by their nature continue after termination of this MOU, shall remain in full force and effect after termination hereof.
- (d) Notwithstanding anything contained in this MOU, the confidentiality obligations under this Agreement shall be effective as of the date it is signed by both the parties and shall survive any termination of this Agreement for a period of two (2) years thereafter.
- (e) GGHC shall comply all the laws, rules and regulations that are necessary for running the hospital.

VII. DISPUTE RESOLUTION

- A. Any and all differences and disputes/violation/default/in complying with the terms and conditions whatsoever arising between the parties shall in the first instance be resolved mutually between the parties and in the event of a non-resolution the matter may be referred to the arbitration as per Indian Laws. The arbitration will be heard and determined by Sole Arbitrator. The venue of arbitration shall be at Chennai, India and each party shall initially bear its own cost of the arbitration, which can be recovered by Prevailing party.

VIII. MISCELLANEOUS

- A. This MOU shall be governed by and construed in accordance with the laws of India.
- B. Nothing in this MOU shall be construed to imply a joint venture, partnership or principal-agent relationship between the parties, and neither party shall have the right, power or authority to obligate or bind the other in any manner whatsoever, except as expressly stated herein or otherwise agreed to in writing.
- C. Neither Party may assign to any entity, any of its rights or duties hereunder without the prior written consent of the other Party, except for to its affiliated companies.
- D. All the parties hereby represent and confirm that the person executing this MOU is duly authorized to represent, sign and enter into the same on behalf of the respective parties.

OTHER TERMS AND CONDITIONS FORMING PART OF MINIMUM PURCHASE AGREEMENT DATED 23RD MAY 2019

1. TBM shall install the Instrument at the Customer's place/location as found suitable by TBM as per pre- installation requisites and Customer shall not shift the Instrument to any other place within/outside the premises.
2. The Instrument shall be operated by the Customer's trained staff & the Customer will ensure that Instrument is not damaged due to poor site conditions, poor power supply, mishandling, etc.
3. The Instrument is placed by TBM for use by the Customer for performing In Vitro Diagnostic (IVD) tests and it does not constitute a sale of the Instrument. The Instrument will remain property of TBM during the entire tenure of Agreement or thereafter, unless specifically agreed otherwise in writing & customer shall not mortgage, hypothecate or create any lien or encumbrance on Instrument.
4. The Instrument shall be available for inspection/access by TBM or its authorized representative(s) during normal working hours.
5. TBM shall provide free Comprehensive Maintenance (CMC) from date of installation of the instrument subject to Customer's meeting the agreed MPA and fulfilling other conditions of the Agreement. In case of breach of any terms and condition of the Agreement by Customer, CMC would be charged at prevailing rate.
6. In the event of malfunction or breakdown as part of normal wear and tear, TBM shall service and maintain the Instrument within 3 days from intimation by the Customer, subject to availability of spares/parts. In the event of same crossing 3 days, the 'MPA' for the month shall be reduced proportionately. TBM shall not be liable for any consequential damages/loss due to breakdown of the Instruments or otherwise.
7. For damages which are not due to normal wear and tear, or for damage due to poor site conditions, poor power supply, mishandling etc, the same shall be repaired at the discretion of TBM and charged to the Customer for spare parts as well as for the services rendered.
8. TBM shall be responsible for insurance of the Instrument and shall pay the insurance premium.
9. In consideration of the Instrument placed for the Customer's use, the Customer shall purchase exclusively and directly from TBM, all the required Reagents/Consumables & Controls as specified in the Agreement during the tenure of Agreement which shall be monitored by TBM quarterly. Reagents shall be used only in the Customer's laboratory for the Instrument covered by the Agreement.
10. In case of shortfall in purchase of Reagents by the Customer as specified in the Agreement after completion of six months from the date of installation, TBM shall recover shortage from the Customer or may revise the prices of Reagents.
11. In case of increase in any Government levies, the prices of Reagents shall be increased. TBM may also increase the prices of Reagents if there is an increase in foreign exchange rates etc. However, such price increase shall be applicable to only pending orders and not retrospectively.
12. If either party commits a breach, non-observance or non-performance of any of its obligations of the Agreement, a written notice shall be issued to rectify/cure the breach/non-observance/non-performance within thirty days from service of such notice. Failure to rectify/cure the breach/non-observance/non-performance within such stipulated period in the notice would entitle the notice issuing party to terminate the Agreement forthwith. However, neither party shall be held responsible for non-fulfillment of their respective obligations under the Agreement due to the exigency of one or more of the force majeure events including but not limited to Acts of God, War, Flood, Earthquakes, Strike(s), Lockout(s), Epidemics, Riots and Civil Commotion provided on occurrence and cessation of any such event, the party affected shall give a notice in writing to the other party immediately. If the force majeure conditions continue beyond three months, the parties shall then mutually decide the future course of action including termination. On termination, the Customer shall pay to TBM, the depreciated price of the Instrument (depreciation calculated on written down value method prescribed in Income Tax Act 1961) or pay 50% of unachieved MPA of the Tenure of Agreement & return the instrument in working condition alongwith outstanding amount towards supply of Reagents forthwith. Goods and Service Tax (GST) as applicable, shall be extra as applicable.
13. Either party may also terminate this Agreement forthwith by written notice to the other party if the other party is declared insolvent, bankrupt or a receiver, custodian or trustee is appointed in respect of all or substantial part of its property by a Court of competent jurisdiction.
14. Nothing in this Agreement shall create or be deemed to create a partnership or the relationship of principal and agent or employer and employee between the parties.
15. The Agreement contains the entire agreement between the parties with respect to the subject matter hereof, supersedes all previous agreements and understandings between the parties with respect thereto, and may not be modified except by an Instrument in writing signed by the duly authorized representatives of the parties hereto. TBM shall be represented by any one of its following officers viz. CEO/President/Head-Legal/Head-Finance.
16. If any provision of the Agreement is held by any court or other competent authority to be void or unenforceable in whole or part, the Agreement shall continue to be valid as to the other provisions thereof.
17. The Customer shall not assign or pledge any right or obligation arising out of the Agreement to a third party. However, both the Customer and TBM may perform their respective responsibilities under the Agreement directly or through one or more of its Affiliates upon Notice to other party.
18. Any and all disputes arising out of or in connection with the Agreement or any breach hereof which is not settled amicably by the parties, shall be referred to the arbitration of the sole arbitrator appointed by TBM. The arbitration shall be conducted in accordance with the provisions of Arbitration and Conciliation Act, 1996 as amended upto date. The language of arbitration proceedings shall be in English and shall be held at Mumbai. The award of the arbitrator shall be final / conclusive and binding on the parties. The courts in Mumbai alone shall have jurisdiction.
19. Any notice or other information required or authorized by the agreement to be given by one party to another may be given by hand or sent by Registered Post to the other party at the address referred to in the agreement or at such other address as the party may, from time to time, notify the other party.
20. TBM's representatives are not authorized to collect cash and hence cash payments shall not be accepted. TBM shall not be responsible in any way, for any cash dealings by the Customer.

Either party may terminate the MOU at any time by mutual consent or by giving six months written notice, signed by the Vice chancellor.

Collaborative Activities:

As specific academic exchanges and collaborative activities are identified and agreed to by the two Institutions, separate annexes will be executed to detail the nature of the activities. Subsequent financial arrangements and the responsibilities of the parties will be negotiated on an activity by activity basis.

Dispute

- 1) In the event of any dispute arising in connection with the MOU this will be referred to the Vice-Chancellors of the CORNELL and SBMCH and its University.
- 2) The parties agree to indemnify each other from any loss, damage, injury, claim or demand arising from their respective activities in connection with the MOU.

Interpretation

The Interpretation, construction, effect and enforceability of this agreement shall be governed by the laws of New York and the parties agree to submit to the exclusive jurisdiction of the New York Courts.

Administration of the MOU

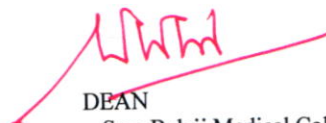

CORNELL and SBMCH will be the initial contact points for matters relating to the MOU.

Sub: Regarding Extension Postings.

Respected Sir,

I am a medical student of the **batch 2009-2010** and I was doing my internship during the **year 2014-2015**. I have been deputed to the United States of America to participate in the international medical student's elective program offered by Wiell Cornell medical School of Cornell University as a part of student exchange program. I was not able to complete my internship in the allotted time. I had applied for leave from 27/2/2015 to 18/3/2015. I am reporting to my duty today and so I kindly request you to grant me permission to continue my extension period.

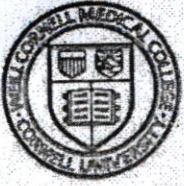

Thanking you,

Perked
