About The Amtex Software Solutions Pvt. Ltd.

M/s. Amtex Software Solutions Pvt. Ltd. provides high-quality end-to-end software solutions across industries through unique models and methodologies, to deliver time, cost, quality and full-service advantages best-of breed in nature. Amtex assists clients in making informed business decisions through high-impact insight, advice, and research. An international network of industry experts enables us to carry out global and country-specific projects.

Our software professionals have multiple platform skills and rich domain experience in various industry segments. Our project management staff has developed methods and structures that allow us to manage complex projects. Our clients enjoy the control over projects that comes with merging their personnel and our staff in a unified team working to promote a transfer of knowledge, while, our consultants have the expertise to handle projects of any size with confidence.

Amtex can deploy a formidable onsite task force that has the experience developing and maintaining mission-critical application software needed to make a client's vision a reality.

Amtex Systems has a cost effective offshore development methodology that provides significant savings of approximately 75% or more through the utilization of a state of the art offshore development center based in Chennai, India. Our approach is a select business model, which essentially creates a dedicated pool of specialized multi-disciplinary resources. The center is well equipped with modern infrastructure, hardware and software resources and is closely knit by high-speed communication links.

SCOPE FOR INTERACTION

The proposed interaction will include the following:

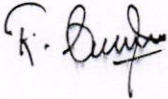

- (a) Encouraging and allowing the students of the college to interact with working groups of the industry so as to increase their knowledge level.
- (b) Exposing students to experiential **learning in the company through Internships.**

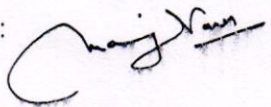

- (c) Encouraging involvement of students to take up projects of the industry and build up professional confidence & competence.
- (d) Offering valuable inputs to the college as a feed-back from the industrial sector in respect of latest technological development in the area of interaction.
- (e) Consultation with faculty of the college in respect to the R & D and consultancy projects.
- (f) Partnering with the University to offer **Placement opportunities to the students**.
- (g) Organizing seminars on specific areas of interest of the industry for knowledge sharing.
- (h) Providing for testing / analysis / programming / design facilities at concessional rate, mutually.

TERMS OF AGREEMENT

- (1) This agreement is valid for a period of five years, and may be extended further on mutual consent.
- (2) For some key requirements, especially during the "Internship", Amtex will expect hardware support from the institution to engage the selected candidates. The hardware's will be given back post completion of the "Internship" or post deployment of the successful candidate. The safety & the maintenance of the hardware's will be the collective responsibility of the student, institution and the organization. The software part & the regular technical support will be taken care by the Amtex technical team at Amtex Siruseri facility.
- (3) It will be ideal for all "Internship" batches; Amtex needs the authority to sign the project completion documents for the benefit of the institution & the organization. This control mechanism will help to select the right candidate and to retain as well. Overall the degree completion has to be honored based on the comments & sign-off from Amtex HR team.
- (4) The "Internship stipend" will vary based on the business need. For some of the Internship there will not be any stipend paid.
- (5) The successful continuance of the internship or trainee role is solely depends on the performance of the candidate. In case of any issues pertaining to performance or behavioral either Amtex or BHER has all the rights to take action in accordance to respective policy.
- (6) Neither the campus recruitment nor the Internship confirmation will be done based on the Amtex selection process. There will not be any special consideration in this regard.
- (7) Students selected through campus hiring or internship will be governed under the Amtex policies
- (8) During "Internship" the benefits of the Amtex will not be applicable for the selected students. Whereas the benefits will be applicable once the conversion of "Intern to Trainee" is confirmed.
- (9) There is no guarantee of conversion from "Intern to Trainee" based on tenure or relationship. This conversion is expected to happen only based on merit. Amtex will decide as appropriate.

- (10) The work timing of the students either on-boarded through campus recruitment or internship will differ based on business need. There is no any guarantee for regular shifts.
- (11) Students are expected to take care of their accommodation & travel on their own.
- (12) The MOU can be terminated with 3 month's notice on either side.
- (13) This agreement is governed by and construed in accordance with Indian Laws.
- (14) The head of department concerned will be the co-ordinator for the interaction on behalf of the college and the industry will nominate a representative for the aforesaid interaction.

MEMORANDUM OF UNDERSTANDING

The Memorandum of Understanding (MoU) are signed on the prospect that both the institutions collaborate on developing the free service between the SRI LAKSHMI NARAYANA INSTITUTE OF MEDICAL SCIENCES, PONDICHERRY- 605 502 (SLIMS) and BABY SARAH'S HOME, integrated rehabilitation and development centre, Regd. Recognized by State and Central Government, Ariyankuppam, Puducherry – 605 007.

The need for this MOA arises out of an interest in

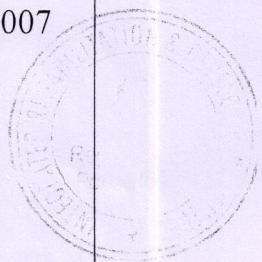

- Providing the health services to persons at BABY SARAH'S HOME
- To provide awareness about the ill-effects of substance abuse to the individual, the family, at the workplace and the society at large.
- Provide a whole range of community based services for the identification, motivation, detoxification, counselling, after care and rehabilitation of drug users.

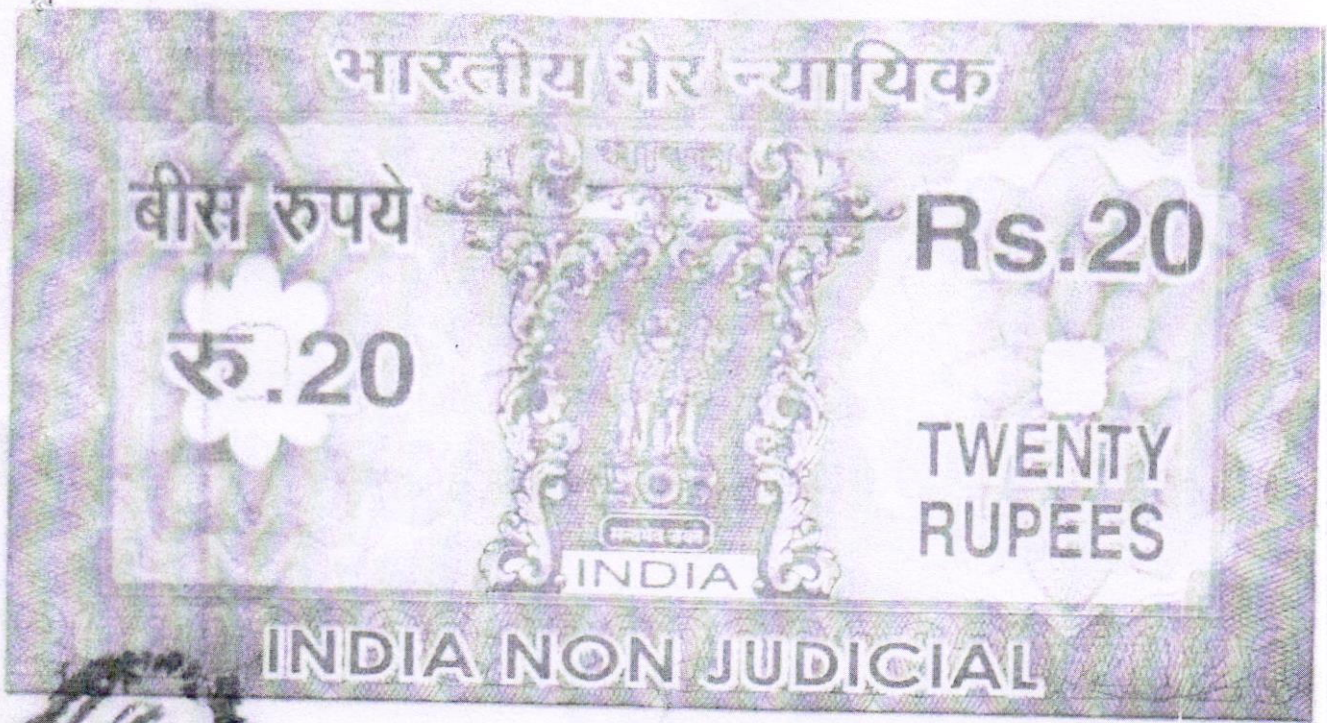

- Provide facilitate research, training, documentation and collection of relevant information to strengthen the above mentioned objectives
- Develop culture-specific models for the prevention of addiction and treatment and rehabilitation of drug users in and around Pondicherry
- To promote and sustain a system of continuous monitoring

The Memorandum shall remain in force for a period of **FIVE** years commencing from the effective date **06.09.2017** Institutions may extend the term by written agreement signed by both after review

- Either institution may terminate the MoU by giving written notice of six months in advance to the other institution. Once terminated, neither SLIMS nor BABY SARAH'S HOME will be responsible for any losses

Higher Education and research has been for 30 years , in pursuit of excellence in preparing undergraduate and post-graduate students for careers in engineering and management using a blend of theory and practice to create world-class professionals.

The faculty comprises of a highly qualified and dedicated faculty members in the 14 departments . The institution has been striving constantly to provide an excellent academic environment for the benefit of the students and faculty to inculcate technological competence along with human dignity and values.

The university believes in promoting interaction with the industrial sector in order to expose the students to real time situation and to orient the faculty to the current needs of the industries.

DEAN
FACULTY OF ENGINEERING
Bharath Institute of Science Technology
Chennai-600 073.

Whereas, BATL and BIHER have demonstrated and recognized their respective expertise to collaborate in the aforementioned areas and in connection with the foregoing, BATL and BIHER deem it to be in their respective best interests to set forth certain understandings between them, and

Whereas, the Parties wish to set forth their mutual understanding in regard to the above mentioned business relationship

NOW THIS MOU WITNESSETH AND IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS

1. SCOPE AND PURPOSE:

1.1. This MOU delineates the areas in which BATL and BIHER will set up KTAL and collaborate and the terms and conditions by which they will operate. This MOU replaces and revokes any and all previous agreements between the parties, whether oral or written.

1.2. The purpose of this collaboration and KTAL is as follows.

1.2.1. To enhance the necessary knowledge, ability, guidance and skills of the students of BIHER and other colleges;

1.2.2. To provide internships and in plant training programs for the students of BIHER and other colleges;

1.2.3. To organize seminars, webinars and workshops to be abreast on recent technologies developments; and

1.2.4. To groom the students to be career ready

2. **TERM:** This MOU shall commence on the Effective Date and shall continue until terminated in accordance with Section 7 of this MOU.

3. BATL OBLIGATION:

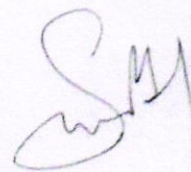

3.1. BATL shall be responsible for setting up the cloud infrastructure and connectivity with B@TL Global Business Process Divisions worldwide for KTAL at BIHER.

3.2. BATL shall be responsible for providing international and national trainers/tutors for the various programs that are to be organized at KTAL.

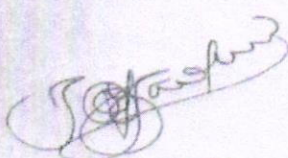

3.3. BATL shall provide technical support including but not limited course content, curriculum, study materials, equipment selection, classroom layout, etc. for KTAL.

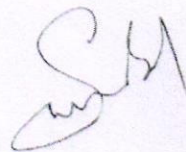

3.4. BATL shall be responsible for setting, conducting and evaluation of students in relation to tests and examination of the course(s) offered at KTAL.

DEAN
FACULTY OF ENGINEERING
Bharath Institute of Science Technology
Chennai-600 073.

- 3.5. BATL shall be responsible for course marketing, administration, marketing and providing placement assistants for KTAL program students.
- 3.6. Placement of eligible students is subjected to reputed companies workforce selection committee's terms and conditions.
- 3.7. BATL shall be responsible for contacting and liaising with reputed companies for the promotion of KTAL.
- 3.8. BATL shall offer to students of **BIHER** discount to all courses conducted in BATL's training centers.
- 3.9. BATL shall offer International Fellowships, internship and scholarship to eligible students of KTAL.
4. **BIHER OBLIGATIONS:**
- 4.1. **BIHER** shall be responsible for providing accommodation to international and national trainers/tutors and students for courses offered by KTAL.
- 4.2. **BIHER** shall appoint a coordinator for KTAL.
- 4.3. **BIHER** shall provide space and other infrastructure facilities required for training program offered by KTAL.
- 4.4. **BIHER** shall permit other college and international students to participate in BATL activities in their Campus and provide accommodations for courses offered by KTAL.
- 4.5. **BIHER** shall provide BATL preference in case of any future centre of excellence that is to be set up.
5. **MUTUAL OBLIGATIONS:**
- 5.1. The Parties shall jointly provide certificates for the training program(s) to be offered by KTAL.
- 5.2. The Parties shall mutually determine the course fee, budgets and expenses for KTAL and courses to be offered.
- 5.3. The parties shall on mutual agreement and consultation continuously upgrade the curriculum to ensure that the coaching and classes are of international standards.
6. **TERMINATION**
- 6.1. The initial term of 3 years shall be lock-in period, during which period, neither BATL nor **BIHER** shall have the right to terminate this Agreement.
- 6.2. Post lock-in period, this MOU can be terminated on mutual agreement between the parties.

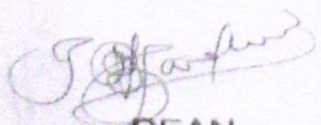

DEAN
FACULTY OF ENGINEERING
Bharath Institute of Science Technology
Chennai-600 073. —

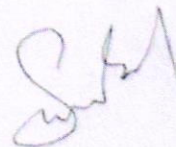

- 6.3. Post lock-in period, either Party may terminate this MOU by providing 60 days prior written notice to the other Party with or without any reasons.
- 6.4. Upon termination of this MOU, neither Party shall have any right nor obligation against each other except those as set forth in Section 8 and Section 9.
- 6.5. **Post termination:** BIHER will return all such material and property of BATL, immediately upon the termination of this agreement for any reason. BIHER shall not retain or use any such material or property or any copies, compilations or analyses thereof after such termination.
7. **INTELLECTUAL PROPERTY:** Notwithstanding anything to the contrary, BATL retains ownership of all copyright and other intellectual property rights in the Course and Training Materials, including any documentation, data, technical information and know-how provided to BIHER or students. BIHER or its students agrees that it must obtain BATL's prior written consent before it may: (i) copy any of BATL's curriculum and copyrighted material; (ii) use any equipment owned by BATL during the Training; or (iii) use BATL trademarks, trade names, or other designations in any promotion or publication.

8. CONFIDENTIALITY

- 8.1. Each party (the "receiving party") acknowledges and agrees that any business and technical information provided to the receiving party by the other party (the "disclosing party") hereunder constitutes the confidential and proprietary information of the disclosing party, and that the receiving party's protection thereof is essential to this MOU and a condition to the receiving party's use and possession thereof. The receiving party shall retain in strict confidence and not disclose to any third party (except as authorized by this MOU) without the disclosing party's express written consent, any and all such information.
- 8.2. Such obligation of confidentiality is not applicable to confidential information which:
- 8.2.1. Was in the public domain at the time it was disclosed or has become in the public domain through no fault of the receiving party;
 - 8.2.2. The receiving party can prove, was known to the receiving party, without restriction, at the time of disclosure as shown by the files of the receiving party in existence at the time of disclosure;
 - 8.2.3. The receiving party can prove, was independently developed by the receiving party without any use of the disclosing party's confidential information and by employees or other agents of the receiving party who have not had access to any of the disclosing party's confidential information; or

DEAN
FACULTY OF ENGINEERING
Bharath Institute of Science Technology
Chennai-600 073.

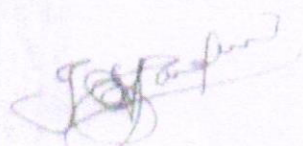

8.2.4. Becomes known to the receiving party, without restriction, from a source other than the disclosing party without breach of this MOU by the receiving party and otherwise not in violation of the disclosing party's rights.

9. LIMITATION OF LIABILITY:

- 9.1. **LIABILITY:** BATL'S LIABILITY FOR ANY CLAIM ARISING UNDER OR RELATING TO THIS AGREEMENT SHALL BE LIMITED TO DIRECT DAMAGES AND SHALL NOT EXCEED THE AMOUNT PAID, AND ANY AMOUNTS OWED BUT NOT YET PAID, FOR THE SERVICES.
- 9.2. **DISCLAIMER:** NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, (INCLUDING LOSS OF PROFITS OR BUSINESS) ARISING UNDER OR RELATING TO THIS AGREEMENT, EVEN IF THE OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

10. REPRESENTATIONS AND WARRANTIES

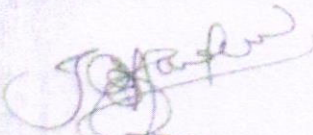

- 10.1. Each Party warrants to the other Party that it has no outstanding commitments or obligations contractual or otherwise which would impede its ability and right to enter into this MOU and/or fulfill its obligations hereunder, or which would impede the ability and the right of the Parties to enter into the other agreements contemplated hereunder and/or fulfill their obligations there under.
- 10.2. Each Party agrees to hold the other Party harmless and to indemnify the other Party from and against any and all liabilities, losses, costs, damages, reasonable attorney's fees and expenses which it may sustain by reason of the breach or alleged breach of any of the provision in this MOU.
11. **NOTICE:** No notice given under this MOU shall be effective unless it is in writing, addressed to the recipient at its address contained in this MOU (or such other address as shall have been notified from time to time to the sender). A notice shall be deemed to have been properly given: if delivered by hand during normal business hours, upon delivery; if sent by recorded delivery post, on the first working day after posting; or if transmitted by facsimile and confirmed as received, at the time of delivery.
12. **FORCE MAJEURE:** The Parties shall not be liable for any failure to perform any of its obligations under this MOU if the performance is prevented, hindered or delayed by a Force Majeure event (as defined below) and in such case its obligations shall be suspended for so long as the Force Majeure Event continues. Each party shall promptly inform the other of the existence of a Force Majeure Event and shall consult together to find a mutually acceptable solution. "Force Majeure Event" means any event due to any cause beyond the reasonable control of the Party including, without

limitation, unavailability of any communication system, breach or virus in the processes, sabotage, fire, flood, explosion, acts of God, civil commotion, strikes or industrial action of any kind, riots, insurrection, war, acts of government, etc.

13. **RELATIONSHIP OF THE PARTIES:** The parties intend to create an independent contractor relationship by this MOU. Neither Party will represent itself as an employee, joint venture or partner of the other Party.
14. **NON-SOLICITATION:** During the term of this MOU and for a period of 60 months thereafter, both the Parties agree not to induce or attempt to influence, directly or indirectly, any employee of the other Party to terminate his/her employment and work for the said Party or any other person.
15. **NON-COMPETE:** BIHER shall not provide the same or similar service as covered in this Agreement to any other party with the same or similar business as that of the BALT, during the term of this Agreement and for a period of 60 month post termination.
16. **SEVERABILITY:** In the event that any provision of this MOU shall be held to be invalid, illegal or unenforceable in any circumstances, the remaining provisions shall nevertheless remain in full force and effect and shall be construed as if the unenforceable portion or portions were deleted.
17. **ENTIRE MOU:** This MOU constitutes the entire agreement between the parties and supersedes any prior written or oral agreement between the parties concerning the subject matter.
18. **AMENDMENT:** Any amendment or modification of this MOU shall not be valid unless reduced to writing and signed by both Parties through their authorized signatories.
19. **ASSIGNMENT:** This MOU may not be assigned in whole or in part either by BATL or by BIHER except with the prior written consent of the other party.
20. **WAIVER:** The failure of either party to enforce at any time or for any period of time the provisions thereof shall not be construed to be a waiver of such provisions or of the rights of such party thereafter to enforce such provisions.
21. **GOVERNING LAW AND JURISDICTION:** This MOU shall be governed by and construed and enforced in accordance with the laws of India and courts in Chennai, India alone will have exclusive jurisdiction.
22. **ARBITRATION:** Any and all disputes or controversies arising out of or in connection with the interpretation, performance or non-performance or termination of this MOU shall be referred for arbitration and settled under the Indian Arbitration and Conciliation Act, 1996 in force when notice of arbitration is sent as per these rules. Any such arbitration procedure shall be held in Chennai, India. The arbitral award is final and non-appealable. The Arbitration and all documents shall be in the English Language.

DEAN
FACULTY OF ENGINEERING
Bharath Institute of Science Technology
Chennai-600 073.

23. **AUTHORIZED SIGNATORIES:** Each Party represents and warrants that the individual signing this MOU on its behalf is fully authorized to execute and deliver this MOU and that this MOU constitutes the valid and binding obligations of that Party.

24. **COUNTERPARTS:** This MOU has been signed in duplicate, each of which shall be deemed to be an original.

Memorandum of Understanding
between
Bharath Institute of Higher Education and Research, Chennai, India
and
Canadian College for Higher Studies, Toronto, Canada

This MoU is made this day 19th December 2016 between **Bharath Institute Of Higher Education And Research, Chennai**, a Deemed University under Section 3 of the UGC Act 1956, located in Chennai, represented by its Pro-Chancellor, Dr.M. Ponnaivaikko, hereinafter referred to as Bharath on the one part and **Canadian College for Higher Studies**, a private company represented by Mr. Donatus Doss hereinafter referred to as Canadian College for Higher Studies, Toronto (Scarborough), on the other part.

19/12/16

19/12/16

Bharath Institute of Higher Education And Research (BIHER), Chennai, is a Self-Financing, Deemed to be University recognized by MHRD in July 2002, under section 3 of the UGC Act 1956, comprising seven Institutions including Bharath Institute of Science and Technology, started in Tamil Nadu in 1984 by Sri Lakshmi Ammal Educational Trust, established by the academic visionary Dr. S. Jagathrakshakan. It is a multidisciplinary University offering UG, PG, Ph.D and Post Doctoral Research Programmes in Engineering, Medical and Health Science, Science and Humanities and Law.

Canadian College for Higher Studies is a leading Business and IT Technology training College in Ontario Canada that provides training with 32 experience in IT and Business and our graduates have excelled in their field making a very lucrative income in North America. They have worked in IT technology giants such as Google, Ebay, IBM etc. Canadian College for Higher Studies is also recognized by Ministry of Education and Canadian Immigration.

WHEREAS

BIHER and Canadian College agree to work together on academic collaborative programmes as detailed below:

- A. BIHER undertakes that students from BIHER entering Canadian College for Higher Studies under this agreement are academically prepared for 4th Year of Undergraduate Programme at School of Computing and 2nd Year of Postgraduate Programme at School of Business Administration in order to get Post Graduate Diploma and Advanced Diploma in Canadian College for Higher Studies respectively.
- B. Canadian College for Higher Studies undertakes the admitted students from BIHER for completion of credit courses having 41 credit hours of external transfer courses of School of Computing and 38 credit hours of School of Business Administration.
- C. All courses for these programmes must be equivalent to the course syllabi and requirements as provided in the curriculum sharing from BIHER.
- D. Students in the programs may apply to start their studies at anytime.
- E. All students who enter Canadian College for Higher Studies under this agreement shall be subject to all rules and regulations of Canadian College for Higher Studies, and shall receive all benefits appropriate to their entry status:
 - i. Students shall have an opportunity to complete all necessary courses required by BIHER.
 - ii. Students shall have access to an advisor designated by BIHER whose services are available for academic and non-academic advice and support.
 - iii. Students taking additional courses as a result of failure or withdrawals will be charged at the rate applicable to such courses at Canadian College for Higher Studies.
- F. This agreement shall come into effect on the date that the final signature is affixed. The agreement will be formally reviewed during its 5th year.
- G. This agreement may be amended to permit other mutually beneficial arrangements between the parties, including but not limited to, academic staff exchanges, student exchanges and graduate training.

ADMISSION TO PROGRAM

- J. BIHER shall recruit students for the twinning program. Canadian College for Higher Studies will, upon entry of the student into the twinning program at BIHER, grant conditional admission to the student, provided he/she has the appropriate qualification for admission

- K. Each student admitted to Canadian College for Higher Studies in the BIHER shall pay a fee consistent with the University's policy on international student fees. Additional fees and surcharges, such as (but not limited to) application, endowment, and student activity fees, and international surcharges are NOT included in this rate and will be charged in addition. All fees and surcharges are subject to change with appropriate notice.
- L. The above fees may be paid in two installments in accordance with the established policy and procedure of Canadian College for Higher Studies.

TERMINATION

- M. BIHER or Canadian College for Higher Studies may make written recommendations to each other concerning modifications, additions, or deletions to this agreement. The written approval of BIHER and Canadian College for Higher Studies shall be required for any such modifications, additions, or deletions.
- N. Either party may terminate this agreement by providing thirty (30) days written notice informing the other party of its desire to dissolve the agreement. Dissolution will mean that:
 - i. No further group of students not already admitted to the program at the time of dissolution shall be recruited for any subsequent admission period.
 - ii. All the terms and conditions of this agreement will continue in force for any and all students already admitted to the program at BIHER and Canadian College for Higher Studies, or withdraw, fail or transfer from the program.

MEMORANDUM OF UNDERSTANDING

ACADEMIC EXCHANGE AND RESEARCH ACTIVITIES

BETWEEN

CANCER INSTITUTE, ADYAR, CHENNAI

AND

SREE BALAJI MEDICAL COLLEGE & HOSPITAL, CHENNAI

SREE BALAJI MEDICAL COLLEGE & HOSPITAL, CHENNAI AND CANCER INSTITUTE, ADYAR, CHENNAI to the following protocols governing their collaboration on academic exchange and activities.

The Cancer Institute (WIA), as you are aware, is a public charitable voluntary institute dedicated to the care of cancer for the last 60 years.

26/4
DEAN
SREE BALAJI MEDICAL COLLEGE & HOSPITAL
No. 7, Works Road, Chromepet,
600 044

SCOPE:

The scope of collaboration on academic and other collaborative activities in the Memorandum of Understanding includes the following categories:

- Sharing of Medical faculties of Gastroenterology and Radiodiagnosis from SBMCH to CANCER INSTITUTE for taking MRI, CT scan and Endoscopy and colonoscopy from 10 am to 3 pm twice a week.
- Post graduates of Broad specialities will be sent to Cancer Institute for training for a period of one month.
- During their stay, PG students will take part in the academic activities of Cancer Institute.
- Faculties of SBMCH may collaborate with Academic & research activities of Cancer Institute and vice versa.

The Planning and implementation of each exchange program developed as a result of this agreement shall be separately negotiated and determined by the implementing Units of the parties.

Neither the **SBMCH** nor the **Cancer Institute, Adyar** will be held responsible for any liability to the other party, and neither party be required to purchase any insurance against loss or damage to any property due to activities to which this agreement relates. The activities are of academic nature only and attracts no financial commitment to the Institute.

The faculty & PG students of **SBMCH** should abide the rules and regulations of **Cancer Institute, Adayar, Chennai**.

Commencement, renewal, termination and amendment:

This MOU will come into force upon affixing of the signatures of the representative of the partner institutions and will remain in effect for one year. This MOU may be renewed upon its expiry, with the agreement of both partners.

If either partner wishes to terminate the MOU at the end of the three year period it must notify the other not less than six months prior to the expiry of the MOU.

This agreement or its renewal and the actions taken under it may be reviewed at any time. Modifications may be made by mutual agreement and any amendment or extension to the agreement may be formalized by the exchange of letters between the two parties.

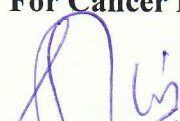

Termination of agreement by either party if they so desire can be done by giving one month's notice.

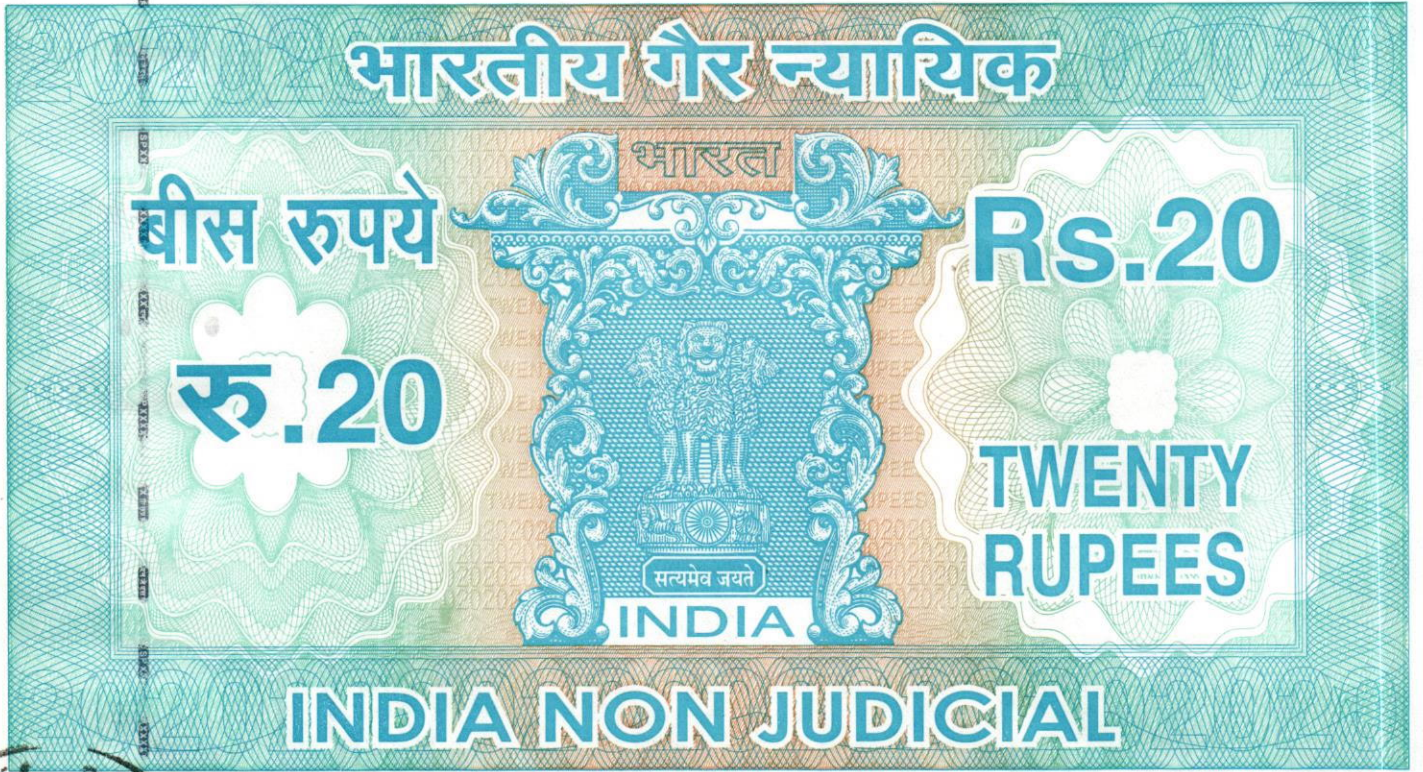

IN WITNESS WHERE OF THE PARTIES HERETO HAVE CAUSED THIS AGREEMENT TO BE EXECUTD BY THEIR AUTHORISED REPRESENTATIVES ON THIS 23rd DAY OF March 2016.

CENTER FOR
MEDICAL
GENETICS

A Complete Genetic Diagnostic Solutions...

MEMORANDUM OF AGREEMENT

This MEMORANDUM OF AGREEMENT is made on this 25th day of March Two thousand and fifteen BY AND BETWEEN Center For Medical Genetics (CMG), a non-profit unit of GenVams TRUST registered, 2014 having its registered address: #27, Taylors Road, Kilpauk, Chennai - 600 010 Tamilnadu, INDIA of the ONE PART;

AND

Sree Balaji Medical College & Hospital (SBMC&H), No.7, Works Road, Chromepet, Chennai, Tamil Nadu 600044 of the OTHER PART;

WHEREAS CMG being desirous of R&D and training have decided to collaborate with SBMC&H This Memorandum of Agreement (MoA) defines the role and responsibilities of the participating agencies, monitoring and other matters related to the research and development.

GOVERNING LAW

This Contract shall be governed by the Law of India for the time being in force.

Any changes to this MoA shall come into effect only when written and signed by both the parties.

NOW THE PARTIES HERE TO AGREE AS FOLLOWS:-

1.0 ROLE OF Center For Medical Genetics, CHENNAI

- 1.1 To provide all its available resources, as felt needed, expertise, and skill for SBMC&H to all the projects which are going to be done jointly by SBMC&H & Hospital and CMG irrespective of how the project originated.
- 1.2 To prepare and submit all periodical reports and other documents that would be required by funding or non-funding organizations or for self.
- 1.3 Priority is given to SBMC&H students, research scholars and other eligible candidates for completing all the projects done jointly or for projects done by CMG alone. Required Industrial training and skill enhancement shall be done on time to time basis to make them competent to complete the projects.

2.0. ROLE OF Sree Balaji Medical College & Hospital

- 2.1. SBMC&H shall share all its resources like space, laboratories (wet or dry as required by project) human resources available like research scholars, associates or designated personnel to all the projects irrespective of how the project originated.
- 2.2. To be responsible for accomplishing objectives identified and activities listed.

- 2.3. To allow the Scientists to work with the Research & Development team of the center in all stages of process development and production.
- 2.4. To ensure effective utilization of the resources for the purpose for which it was granted and to ensure timely progress of project work.
- 2.5. The manpower, both scientific and non-scientific, primarily shall be research scholars or students and in case recruited shall be purely on contractual terms & conditions such that the contract for engagement of the manpower shall run concurrently with the said project period only.

3.0. TERM

This collaborative agreement shall remain in force for a period of **five years** initially from the day of execution and shall be extended for further period by mutually between the parties as per the requirements on review basis.

4.0 FUNDING:

For internal projects of SBMC&H and CMG neither of the company shall charge the other and shall contribute their available resources towards meaningful and timely completion of the projects. For external projects are to be shared based on the needed resources from each side and contributed in the agreed way.

5.0 RIGHTS OF OWNERSHIP/TECHNOLOGY TRANSFER AND UTILIZATION

5.1 The know-how generated from the projects by joint work between SBMC&H and CMG will be the joint property of SBMC&H and CMG. It shall be the responsibility of SBMC&H and CMG to take necessary action for protection of the intellectual property arising out of the PROJECT through proper instruments, such as, patents, copy rights, etc.

5.2 All the assets including the equipment and products acquired for the purpose of joint projects will be the property of SBMC&H and CMG and shall not be utilized for purposes other than those for which they are procured. The rights of ownership under this MoA shall not be transferred to any other party without prior approval in writing of CMG.

5.3 Patents; Ownership rights and sharing of revenues: For all the projects done jointly by SBMC&H and CMG and both parties shall have joint rights over patents, ownership and sharing of revenues in the agreed way on project to project basis.

5.4 It shall be the mutual responsibility to ensure that support of EACH OTHER is suitably acknowledged in the publications (papers, reports, etc.) arising out of the PROJECT.

5.5 This MoA gives equal rights to SBMC&H and CMG to claim, promote (through emails; website; social networking sites and/or of all those means deemed to be fit to the image of SBMC&H and CMG and valued means), market and sell the services or capabilities of SBMC&H and CMG jointly coming under this MoA, which were subject to the separate agreements. Selection of the projects is done by mutual consultation upon appraising the collective strengths and weakness; opportunities and risks.

6. MONITORING

6.1 For joint projects a person is designated from each side as coordinators for coordinating; reporting; timely completion of projects. They shall be reporting to Heads of SBMC&H and CMG.

7 ARBITRATION

In the event of any question, dispute or difference whatsoever arising between the parties to this Agreement out of or relating to the construction, meaning, scope, operation or effect of this Agreement or the validity of the breach thereof shall be referred to an Arbitrator to be appointed by mutual consent of both the parties herein within 2 (Two) months from written notice of either party to other. The provisions of the Arbitration and Conciliation Act, 1996 will

be applicable and the award made there under shall be final and binding upon the parties hereto, subject to legal remedies available under the law. Such differences shall be deemed to be a submission to arbitration under the Indian Arbitration and Conciliation Act, 1996, or of any modifications or reenactments thereof.

8 AMENDMENT

No amendment or modification of this Agreement shall be valid unless the same is made in writing by SBMC&H and CMG specifically stating the same to be an amendment of this Agreement and agreed by both SBMC&H and CMG. The amendment(s) shall be effective from the date on which the parties execute them.

9 NOTICES

Any notice or the other information require or the authorized by the Agreement to be given shall be given in writing in English and by hand with a written acknowledgement in receipt thereof or by courier with proof of delivery or sending if by facsimile transmission or e-mail communications.

10.0 DISPUTE RESOLUTION

Both the parties hereby agree to resolve any disputes or differences arising between them with regard to the activities in the manner envisaged in this Collaborative agreement by mutual negotiation as per the provisions of the Indian Arbitration Act.

11.0 TERMINATION

Either party may terminate this collaborative agreement, in the event of any breach or non-observance of the clauses of this agreement prior to expiry with 30 days written notice to the other party and the parties shall honor their respective technical and financial commitments on the date of notice.

12.0 DOCUMENTS

This MoA has been executed in duplicate and either party shall retain one copy.

IN WITNESS WHEREOF the parties hereto have signed, sealed and delivered this Agreement on the day, month and year first above written in presence of:

MEMORANDUM OF UNDERSTANDING

Between

Crown University Intl. Chartered Inc.

And

Bharath Institute of Higher Education and Research (BIHER), India

Crown University Intl. Chartered Inc. represented by its Vice Chancellor, and the **Bharath Institute of Higher Education and Research (BIHER), India** represented by its Vice Chancellor, have resolved to establish a partnership for training and research at all level of studies.

1. **OBJECTIVE**

The objective of this Memorandum of Understanding is to articulate the conditions for the partnership.

2. AREAS

In the context of this Memorandum of Understanding, the word "Partnership" shall apply to all activities arranged and carried out by common agreement between the **Crown University Intl. Chartered Inc.** and **Bharath Institute of Higher Education and Research, India** for the mutual benefit of both parties.

The partnership shall include the following aspects:

- 2.1 Training for capacity building in identified areas of special need such as:
Humanities, Arts, Technologies, Engineering, Medicine and Health Sciences, Pure and Natural Sciences, Social Sciences and Management Sciences and other related courses as well
- 2.2 There shall be reciprocal/dual certifications and top up degree arrangements between **Bharath Institute of Higher Education and Research, India** on undergraduate and graduate programs on a credit transfer-based criterion established by **Bharath Institute of Higher Education and Research, India.**
- 2.3 The exchange of staff and students for training and research or for other assignment as the case may be; The joint organization of research projects, seminars, workshop, international conference, and colloquia and other training sessions likely to strengthen both Universities.

Students from **Crown University Intl. Chartered Inc.** must meet admission criteria documented in the then-current **Bharath Institute of Higher Education and Research, India** catalog.

- 2.4 Developing mutual consultancy and support activities for the advancement of teaching and research;
- 2.5 The use of laboratories, classroom space, and other research facilities.
- 2.6 Establishing further forms of cooperation in all fields of studies for mutual interest.

3. DUTIES

- 3.1 The two Universities shall therefore undertake to
 - 3.1.1 Pursue regular exchange of their respective practices and methods in training and research and other fields' common interest;
 - 3.1.2 Intensify discussion between their staffs to look for solutions to the problems of either or both parties;
 - 3.1.3 Deploy all necessary efforts to ensure funding of activities from this partnership.

4. IMPLEMENTATION

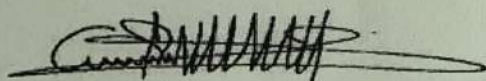

- 4.1 Financial resources and materials shall be provided by both parties to look for solutions to its problems or to train its staffs
- 4.2 The two parties agree to organize annual consultative meetings using appropriate technology to aim at appraising the implementation of this partnership, monitoring activities being carries out and at planning future activities.

- 4.3. Extraordinary meetings may be convened at the initiative of one of the parties to treat issues that need urgent solutions.
- 4.4. This partnership is valid for period of five years from the date of signature and can be renewed by tacit consent.
- 4.5. At the request of one of the parties, the terms of this partnership may be amended during an extraordinary meeting duly convened for this purpose.
- 4.6. Any misunderstanding resulting from the implementation or interpretation of this partnership shall be resolved amicably and through consultation in the best interest of both parties.
- 4.9. The suspension or termination of this partnership shall be done on the initiative of one of the parties, subject to, at last prior notice of six months. However, the parties hereby undertake to complete any ongoing activity at the time of the said termination within a stipulated deadline.

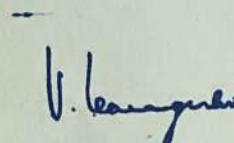

Conclude the present **Cooperation Agreement** with the purpose of cooperation establishment in the field of education and science, regulation of academic collaboration, joint research and exchange programmes.

Scope of the Agreement

1. Academic exchange of research and teaching staff with the aim of training, conducting lectures, fulfillment of joint academic activities.
2. Organization of joint conferences and seminars on agreed subjects, exchange of scientific information, providing opportunity for Universities staff to publish scientific articles as well as the results of joint scientific and research activities in specialized editions and scientific publications of Universities.
3. Joint participation in international academic programs, fulfillment of joint research projects in frames of international grants.
4. Development of exchange programs for students and post-graduates with the purpose of training, research, language and industrial practice.
5. For each program of cooperation parties conclude additional agreement that define responsible staff members, terms, financial resources and other conditions of their accomplishment.

Memorandum of Understanding

Between

BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH

No. 173, Agharam Road, Selaiyur, Chennai - 600 073, Tamil Nadu

and

CSIR-CSIO

CSIR-CENTRAL SCIENTIFIC INSTRUMENTS ORGANISATION

CHANDIGARH-160030

This Memorandum of Understanding entered into on the _____ between:

Central Scientific Instruments Organization, Chandigarh (hereinafter referred to as "CSIO"), a constituent laboratory of Council of Scientific & Industrial Research (CSIR) represented by the Director having its office at Sector-30, Chandigarh - 160 030.

AND

BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH (BIHER), Chennai established under Section 3 of the UGC Act, 1956 and for the purpose of this MoU represented by the Vice Chancellor duly authorized to sign this MoU on behalf of Molecular and Clinical biology (Dept of BioTechnology, Microbiology, Pharmacology, Radiology and Dentistry) at BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH, N. 173, Agharam Road, Selaiyur, Chennai - 600 073, India (hereinafter referred to as "BIHER"), as the other part.

To promote Academic and Research Co-operation between the two Institutions.

1. Objectives

- Joint Research & Development, projects in the areas of Biomedical Nanotechnology as it applies to clinical and molecular biology and other areas of basic medical and allied Sciences research to be funded by external funding agencies;
- The concerned scientists of CSIO and corresponding faculty members of BIHER will formulate Research projects and HRD plans for joint work with due approval of both the participating institutions.
- Impart Training to staff, students and technical personnel within the areas of co-operation.
- Joint Sponsored and Consultancy Projects could be undertaken with both long term and short term goals keeping in view of the interests and philosophies of the respective institutions.

2. Exchange/Deputation of Staff

Both CSIO and BIHER jointly agree :

- To exchange staff through deputation on full-time / part-time basis for a limited period and upto one year at a time for the purpose of implementation of joint tasks within the areas of cooperation. Staff members on such deputation shall be deemed to be on duty with the parent organization for the said period.
- That the faculty / staff and research fellows registered for Ph.D. degree may visit other institutions for a short period in connection with their research work. They shall be deemed to be on duty with the parent organization for the said period.

- That the technical personnel deputed for training shall be deemed to be on duty with the parent organization for the period of training. The TA/DA will be borne by the parent Organisation / Institution.
- That the faculty / staff will be encouraged to deliver lectures / invited talks at the other institution. The TA/ DA and the honorarium for the lectures shall be borne by the host institution.
- Faculty of BIHER may submit the research proposals with CSIO scientists under promoting Innovation in Individuals, Start-Ups and MSME scheme of CSIO, etc.

3. Joint Conference/ Workshop / Courses

- Both institutes agree to hold / conduct, whenever feasible, joint workshops, conferences, training courses within the areas of co-operation.
- The host institution shall provide accommodation to the participating members from the visiting institutes wherever feasible at special minimum rate applicable to research and academic institution.

4. Sharing of Facilities

- The two institutes agree to share their respective important R&D facilities in order to promote academic and research interactions in the areas of co-operation to intensify the high priority areas programme of science and technology. The charges of facility usage shall be applicable which shall be decided jointly by CSIR-CSIO and BIHER on case to case basis through separate proposals as per UGC/DST/DSIR/ICMR/CSIR guidelines.
- The two institutes agree to exchange software, other materials and components developed in-house in the areas of co-operation if advisable within the framed rules governing the two institutes.
- Access to laboratory, library and other supporting facilities for jointly supervised Ph.D. Students (in the areas of mutual interest) and for a limited number of Ph.D. Students, registered before the signing of this MoU, stationed at BIHER and CSIO will be provided by both institutes.

5. Project Work of Students

Selected students of M.Sc., M. Pharm, B.Tech. and M.Tech. in the respective areas of specialization of BIHER will be allowed for project work at CSIO. The students will work in the areas of mutually agreeable divisions by both Institutions. The training charges shall be applicable as per CSIR-CSIO norms.

6. Ph.D. Registration

- CSIO will be recognized as research center of BIHER in mutually agreed program areas.

7. Areas of Cooperation

The areas of cooperation will be defined and modified from time to time by the Coordination Committee set up for the purpose.

The identified areas of cooperation along with nodal point at BIHER are as under:

Instrumentation for Biomedical and Nano Technology:

- Clinical and Molecular Biology
- Basic Medical and Allied Sciences
- Pre-clinical Toxicology
- Pharmacokinetics
- Clinical and Trial facilities for bio products developed under the collaboration

Director, CSIO / his nominee shall be the coordinator from CSIO for the identified areas of co-operation.

The coordinator from BIHER for each identified areas of co-operation shall be the Head of the Institution

8. Coordination Committee

- The following will constitute the Coordination Committee to monitor and review the collaborative programme between the two institutions:
 - a) Head of the Institution, BIHER or his nominee
 - b) Director, CSIO or his nominee
 - c) Two Professors of the concerned department to be nominated by the Head of the Institution, BIHER
 - d) Two Scientists of the concerned laboratories to be nominated by the Director, CSIO.
- The Coordination Committee shall:
 - Review annual progress of the identified programs
 - Consider the new R&D proposals for joint collaboration and implementation on case to case basis including IPR and financial arrangement.
 - Consider the addition / deletion of areas of cooperation between the two institutions during review.
 - Consider the continuance of the MOU.

9. Publications and Patents

- All publications in the programs of cooperation will be co-authored by the concerned staff / Research fellow of CSIO and faculty of BIHER.
- CSIR-CSIO & BIHER will be joint holders of the intellectual property Right (IPR) / Patents flowing out of joint work.

10. Non-Disclosures

In case of joint research and consultancy projects taken up by CSIO and BIHER, no party will disclose any investigation to media in any form without mutual consent.

11. Validity & Period

This MoU shall be valid for a period of five years from the date of signing.

At the end of validity period of the MoU, a fresh MoU with similar/ modified terms may be considered for signing.

12. Termination

Either party may terminate the MoU in advance of its normal expiration by providing the other with six-month written notice subject to fulfillment of commitments already agreed upon Provisions of this MoU shall continue to apply to ongoing activities until their completion. Any disputes arising out of this MoU will be settled by mutual negotiations between the parties.

In witness where of the two parties have signed this memorandum of understanding by the hand of _____ on behalf of CSIO, Chandigarh and by hand of _____, BIHER on behalf of BIHER, Chennai on date, month and year referred above.

BIHER and **Dowling College** are individually referred as *Party* and jointly referred as *parties*.

NOW IN THE PREMISES OF MUTUAL PROMISES THE SUFFICIENCY WHEREOF IS HEREBY ADMITTED BY THE PARTIES THIS AGREEMENT WITNESS AS FOLLOWS: -

1. Scope:

Based on the principle of mutual benefit, the Parties agree to discuss the following possible exchange activities:

- 1.1. Exchange of students
- 1.2. Other academic exchange programs that the Parties agree to

The mutual cooperation has been agreed, BIHER not necessarily restricted, to the following areas: (a) Engineering & Sciences (b) Business & Management (c) Arts & Humanities (d) Medicine and Paramedicine. The planning and implementation of each exchange program developed as a result of this agreement shall be separately negotiated and determined by the implementing Units of the Parties.

- 1.1 Student Abroad Program: Interested students from BIHER shall pursue a few semesters abroad at DOWLING COLLEGE Singapore and vice versa. The parties involved (DOWLING COLLEGE and BIHER) are free to price the cost of education, accommodation and other fees as per their respective guidelines.
- 1.2 Other academic exchange programs that the Parties agree to: BIHER and DOWLING COLLEGE will jointly propose innovative degree/diploma programs. This process may be reviewed and updated as per a mutual agreement.

2. Confidentiality:

The Parties (BIHER and DOWLING COLLEGE) hereby agree not to disclose or divulge any confidential information which is not generally available to public BIHER received from a Party to any third person.

3. Intellectual Property Rights (IPR):

Any IPR generated out of this collaboration will be equally shared between BIHER and DOWLING COLLEGE under mutual consent.

4. Duration, Amendment and Termination of the MoU:

This MoU shall be valid for a period of five years from the date of its signing. During the period of its validity, the MoU can be amended any time by mutual consent of both the parties. The MoU can also be terminated by mutual consent or by either party giving the other a written notice of its desire to terminate the MoU one year in advance.

5. Dispute Resolution and Governing Law:

The dispute or issue if any arising out of or touching this Agreement if not resolved amicably shall be referred to an arbitration of an arbitrator mutually agreed by the Parties. In the event parties fail to agree on single arbitrator then each party shall appoint one arbitrator and such arbitrators shall jointly appoint third arbitrator. The arbitration shall be governed by the Arbitration & Conciliation Act, 1996 and the venue of the arbitration shall be in Chennai. The language of the arbitration shall be English.

MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING entered into on...21...1...2016.. (date) at..Chennai..... (Place) , INDIA .

BETWEEN:

1. Bharath Institute of Higher Education (BIHER), (Bharath University), headquartered at Chennai, India herein after referred as **First Party**; represented by its Vice Chancellor Sir Dr.M.Ponnaivaikko

And

2. - FHM University of Applied Science, headquartered at Bielefeld, Germany herein after referred as **Second Party** - represented by its Chairman Prof. Dr. Richard Merk

BACKGROUND

The First Party is a leading education group in India with world class infrastructure and reputed faculty. Bharath Institutions (BIHER) are constantly ranked amongst the top.

The Second Party is reputable Educational University of Applied Sciences in Germany offering multifarious curricula in UG & PG programmes. FHM is ranked amongst the top private Universities in Germany.

The First and Second Party are interested in academic cooperation with regard to setting up a joint collaboration in the field of

A: Engineering, Managaement and

B: Faculty exchange in the field of Engineering and Management.

Both the parties hereby declare an interest in these “**Mutually beneficial programs**” herein after referred as **BUFHM programs** ((BIHER- Bharath University)-FHM Programs).

The parties had preliminary discussions and had reached a broad consensus on working together for launching BUFHM programs. The parties now, have therefore, agreed to enter in writing these areas of

consensus defining roles, responsibilities and obligations, under this Memorandum of Understanding as follows:

1. Scope of MOU

- 1.1 The BUFHM programs will be offered in Germany at the campus(es) of second Party and vice versa (At the campuses of the first party in India).
- 1.2 Both the parties will inform the other well in prior (3 months) before the start of the program and about the no. of participants so that the other party can take care of the necessary arrangements.
- 1.3 Any modification relating to the academic curricula pertaining to BUFHM conducted in India as well as Germany shall be informed of such modifications well in advance to the other party.
- 1.4 On successful completion of the BUFHM Faculty/student exchange programs, each student shall be awarded a dual certificate from first as well as from the second party.

2. Obligations of (BIHER) Bharath University (first party):

- 2.1 The student enrollment for participating in Engineering & Management Bachelor / master programs offered by FHM & in related programs like ICPF Tech shall be done by the first Party & by its other Indian representatives
- 2.2 The first party shall be responsible for collection of fees, all administrative work relating to the faculty exchange (Indian part) when their faculties/students travel from India to Germany.
- 2.3 The first party also offers its facilities to conduct talks, seminars, exhibitions, info days etc for the second party & its partners about their programs & study in Germany.
- 2.4 If the faculties/students are in need of any prior German knowledge for certain programs the first party will try to arrange it for their faculties/students. The second party will also offer its help if necessary.
- 2.5 First party shall make available and facilitate visa processing and travel of the BUFHM students/faculties to Germany.
- 2.6 First party shall arrange for overseas medical insurance for the students/faculties who travel to Germany for the study period.

- 2.7 First party shall compensate the second party & vice-versa. The commercial terms will be agreed minimum 3 months prior to starts of any BUFHM programs.
- 2.8 First party shall host faculties from second party in the event of their visit to India for the BUFHM programs (only for those who conduct classes for students as part of the program) on invitation by first party, and first party shall be solely responsible for the visiting faculties' stay in India in such a situation & vice-versa.

3. Obligations Of FHM (second party)

- 3.1 FHM shall host BUFHM students for the period of the coursework conducted in Germany.
- 3.2 FHM shall make available the requisite number of faculty for identified subjects for the certificate BUFHM programs.
- 3.3 FHM will plan the certificate program Curriculum and Study Plan to be taught in Germany within the course period and shall create content and pedagogy as well as deliver the same to the students/faculties.
- 3.4 FHM shall ensure that necessary documentation/help is provided for German Visa processing for the students/faculties of the BUFHM course.
- 3.5 FHM shall be solely responsible for the students during their stay in Germany. Responsibility includes:
- A) Teaching specific course subjects as listed in curriculum & study plan, with corresponding assessments of the students in Germany, for which FHM shall provide entire infrastructure facilities (as per requirement) including classrooms, laboratories, equipments, analytical tools and aids, library and qualified staff, as well as facilities for boarding (with a kitchen will be provided). Students need to bear the travel fare, living costs, medical insurance on their own).
- B) Facilitating industrial internships & or as a part of the curriculum and exposure to the European study/health/business environment that might lead to a successful career for the students /knowledge transfer for the faculties.

4. Support of Agreement

- 4.1 It is understood that the parties shall support and promote the spirit of this agreement to encourage academic collaboration and to facilitate as much as possible the academic progress, physical relocation and cultural orientation of the chosen candidates.
- 4.2 Other than as provided for in this MOU, the parties shall not be bound by or be liable for, any statement, representation, promise, agreement or other binding commitment of any kind on behalf of any other party, without the first & second party's prior written consent.
- 4.3 Any difficulty or controversy that may arise between the collaborating partners will be amicably resolved by the higher authorities of the institutions.

5. Review

The progress under this MOU will be reviewed every six months from the date of signing and based on mutual consent future course of action will be decided. Any modifications to this MOU will have to be done in writing with the consent of the parties involved.

6. Payment

All payments to FHM by the (BIHER) Bharath University (& Vice-versa) under the MOU, shall be made through bank transfer. The payer is responsible for the currency conversions as well as the transferring charges.

7. Entire Understanding

This MOU constitutes the only agreement between the parties hereto relating to the subject matter hereof.

8. Confidentiality

Both the parties agree that any information generated out of BUFHM shall not be transferred to third parties without prior written permission from the other. Both the parties shall ensure that there are no infringements on the **Intellectual Property Rights (IPR)**. If needed the parties will enter into a separate non-disclosure / confidentiality agreement to protect their individual copyrights and IPR.

9. Exclusivity

BIHER (Bharath University) and FHM agree that any certificate programs exclusively formulated for BUFHM students/faculties will remain so (Excluding the programs that are already existing which the BUFHM Students/faculties would like to avail eg: ICPF-Med, MMA, other master programs from FHM). During the operating period of this MoU, both parties agree to not to enter into any similar arrangement for a similar educational program with any other educational institution in India or in Germany. efficacy

10. Duration

This MOU shall operate from the date of signing, unless denounced by either party with a written notification at least 180 days prior to the termination date. The duration may be subjected to revisions or modifications by mutual agreement.

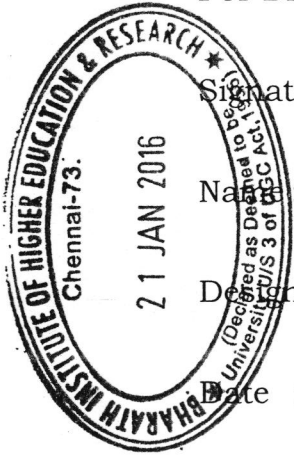

11. Termination

Either party wishes to terminate this MOU, may do so, by giving the other party a clear notice of 6 (Six) months in writing. Termination / expiry of this MOU, would not affect any rights and obligations of the Parties that may have accrued prior to such expiry of term or termination of MOU. The parties agree not to use curriculum or other academic details of the other for any other purpose other than those stated in this MoU. On termination/expiry of the MOU, both the parties agree that shall forthwith cease and desist from using the Intellectual Property and return all Confidential Information relating to the program in its possession to the other.

12. Governing Law & Jurisdiction

This MoU shall in all respects be governed by and construed in accordance with the laws of India/Germany and subject to arbitration. The competent courts will be as per the wish of the defendant and shall have exclusive jurisdiction in relation thereto.

IN WITNESS WHEREOF the parties have signed this Memorandum of Understanding of the day, month and year first herein above written.

**MEMORANDUM OF UNDERSTANDING
 BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH**

&

FINMARK TRAINERS INDIA PVT LTD

PURPOSE

The Memorandum of Understanding (MoU) between Finmark Trainers India Pvt Ltd (Finmark), a company registered in India and Bharath Institute of Higher Education and Research is a service agreement to provide content for job oriented add-on financial market courses and to conduct certification exams of National Stock Exchange and National Institute of Securities Market.

[Handwritten scribble]

the world. It is functioning in a sprawling area of 305 acres of land located in 4 Campuses both in Tamil Nadu and Pudhucherry with the state of the art infrastructure facilities.

Department of Management Studies was established in the year 1992. The Department of Management Studies offers MBA and Ph.D (Full time & Part Time). The MBA programme offers various 12 specializations. The programs offered cover a broad spectrum of business-related courses, and those that focus more specifically on a narrower strand to inculcate a strong fundamental knowledge and develop an inquisitive, analytical mind among students which is a decisive factor for a successful career. A team of qualified and dedicated teachers ensure holistic development of every student, mentoring them to face the challenges of a dynamic business environment.

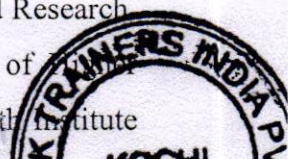

Finmark is a leader in financial market education associated with the National Stock Exchange to impart financial market training across the country. With the capital markets booming, there is a dearth of trained and certified manpower. Finmark conducts short-term, placement-focused skill enhancement trainings across the country. It has strong tie-ups with leading BFSI companies and helps them source knowledgeable and skilled resources that are productive for organizations in the least possible time.

AREAS OF COLLABORATION

- **Department of Management Studies** will provide Certificate programs for students in association with FINMARK as their knowledge and training partner.
- Co- branded certification from Bharath Institute of Higher Education and Research and Finmark will be issued to all students on successful completion of courses at all levels.
- Finmark will provide course content, train students and conduct online exams for the following :
 - i. Fundamentals of Capital Markets – Certification by NSE & Finmark
 - ii. Securities Market and Risk Management – Certification by NISM
 - iii. Mutual fund Distributors - Certification by NISM
 - Iv. E- Learning Program – “Investment Advisory Program”

Certification will be done by Finmark & Bharath Institute of Higher Education and Research. The decision to select and offer the courses listed above to the students of BIHER vests with Bharath Institute of Higher Education and Research.

The signing of this document does not mandates Bharath Institute of Higher Education and Research to offer these courses to the students of Bharath Institute

TERMINATION

The MoU may be terminated by either party by giving a one year notice to that effect in writing. However, notwithstanding the notice of the intent to terminate the memorandum, all obligations and corresponding duties shall be respected and mandated till finalization and accomplishment thereof.

Signed at Bharath Institute of Higher Education and Research on this day the 24th October 2017.

MEMORANDUM OF UNDERSTANDING

BETWEEN

BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH

AND

FORTUNE DISTILLERS AND VINTNERS PVT. LTD.,

PREAMBLE

Interaction between industries and technical interactions will provide immense mutual benefit and also satisfy societal relevance. Realizing this objective, this college and the industry named above, have signed this MOU in order to achieve the desired results.

ABOUT THE COLLEGE

Bharath Institute of Higher Education and Research established under Section 3 of University Grants Commission (UGC) Act 1956, was founded in 1984 as a self-financing Institution called Bharath Institute of Science and Technology. The Union Ministry of Human Resource Development conferred University status on Bharath Institute of Science and Technology in 2003.

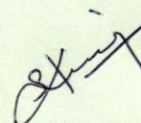

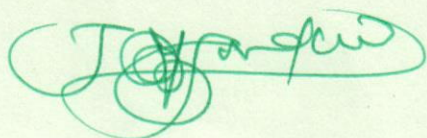

Whereas the first party was established under the aegis of Sri Lakshmi Ammal Educational Trust to foster higher education in science & technology and in the medical field. The Bharath Institute of Higher Education and Research has been for **37 years**, in pursuit of excellence in preparing undergraduate and post-graduate students for careers in engineering and management using a blend of theory and practice to create world-class professionals.

The faculty comprises of a highly qualified and dedicated faculty members in the 14 departments. In institution has been striving constantly to provide an excellent academic environment for the benefit of the students and faculty to inculcate technological competence along with human dignity and values.

The Bharath Institute of Higher Education and Research believes in promoting interaction with the industrial sector in order to expose the students to real time situation and to orient the faculty to the current needs of the industries.

ABOUT THE INDUSTRY

Fortune Distillers And Vintners Private Limited incorporated with MCA on 11 August 2009. The Fortune Distillers And Vintners Private Limited is listed in the class of pvt ltd company and classified as Non Govt Company. This company is registered at Registrar of Companies (ROC), Goa with an Authorized Share Capital of Rs. 1 CR and its paid up capital is 54 LAC.

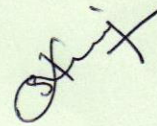

Fortune Distillers And Vintners Private Limited's last Annual General Meeting (AGM) was held on 29 September 2018, and date of latest balance sheet available from Ministry of Corporate Affairs (MCA) is 31 March 2018.

SCOPE FOR INTERACTION

The proposed interaction will include the following:

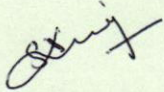

- (a) Encouraging and allowing the students of the college to interact with working groups of the industry so as to increase their knowledge level.
- (b) Exposing students to problems encountered in the field.
- (c) Encouraging involvement of students to take up projects of the industry and build up professional confidence & competence.
- (d) Offering valuable inputs to the college as a feed-back from the industrial sector in respect of latest technological development in the area of interaction.
- (e) Consultation with faculty of the college in respect of R & D and consultancy projects.
- (f) Offering guidance for suitable placement for students.
- (g) Organizing seminars on specific areas of interest of the industry for knowledge sharing.
- (h) Providing for testing / analysis / programming / design facilities at concessional rate, mutually.

TERMS OF AGREEMENT

- (1) This agreement is valid for a period of **5 years**, and may be extended further on mutual consent.
- (2) The MOU can be terminated with 3 months notice on either side.
- (3) This agreement is governed by and construed in accordance with Indian Laws.
- (4) The head of department concerned will be the co-ordinator for the interaction on behalf of the college and the industry will nominate a representative for the aforesaid interaction. **MoU Signed on 07.12.2020 at Chennai, Tamil Nadu – India.**

Terms and Conditions:

- a. This Program Sponsors shall be the Vice Chancellor//Dean/Head of Department from the College and Head- Revenue Assurance from Hexaware.
- b. The 3rd year students to be trained shall be pre-selected by Hexaware (hereinafter referred to as the 'Pre-selected Students') as per Hexaware's selection process and a Letter of Intent (LOI) will be given to the pre-selected students which will specify the conditions to be complied with in order to join the organization.
- c. The pre-selection is primarily for the Graduate Engineer Trainee (GET) category. Top performing students from the training program who qualify may be selected as Premier Graduate Engineer Trainees (PGETs), subject to company policy. Hexaware will have the final call based on the individual performance in this regard. All final selections for offer will be subject to selection in the final Hexaware recruitment process.
- d. Hexaware will provide the College with Training curriculum, connect with Hexaware's training partners for learning contents and assessments, industry-Academia exposure and support events to uplift the capability of the pre-selected students. The College shall use the materials, procure at its own cost necessary software and access to Hexaware partner's Portal and program manage these efforts under the guidance of designated representative of Hexaware and exclusively for the purpose specified under this MOU.
- e. The College shall nominate two or three faculty members for undergoing the Trainer Certification Program by Hexaware. The faculty, after completion of certification, will be allowed to train certain number of students as agreed upon by the parties in writing from time to time.
- f. The College shall establish a Center of Excellence (CoE) under the guidance of Hexaware with the specified infrastructure requirements of Hexaware and shall use the CoE for imparting the CoE specific course/training. This CoE shall be exclusive to the use of the purpose stated under this MOU and will not be used for running other courses of the College or other Organizations.

- g. Refer Annexure -1: Campus Connect Collaboration Plan is a list of recommended programs by Hexaware which aims to make the selected candidates Industry ready. Hexaware recommended programs will be implemented for the Pre-Selected candidates.
- h. The Pre-Selected students in their 6th Semester, will have to complete the Foundation course consisting of both Soft skills and Technical Skills. On successful completion of the Foundation course, they will undergo a Specialized training under the Centers of Excellence identified by Hexaware for the College and obtain their certification in their 7th Semester.
- i. The course will be imparted for the duration specified by the Hexaware as an additional training program. This program will be run during the 3rd year of the graduation course being offered by the College for the Pre-selected students.
- j. The College shall not charge the Pre-selected students any fee for this course. If it is found that the College has charged fees for this program from students, Hexaware shall have the rights to terminate this MOU and/or pursue other remedies available under the law, against the College.
- k. The College shall not train any students other than the Hexaware Pre-selected Students using the know-how and resources made available by Hexaware and its partners under this Agreement. The College shall ensure and commit that all students pre-selected by Hexaware and undergoing the programs under this MOU, shall not sit through the Campus Selection process of any other company. Any of the Pre-selected Students who is not made an offer by Hexaware in the final selection is free to apply to any other company.
- l. Hexaware shall have the discretion to make employment offers to any of the Pre-selected Students upon successful selection in Hexaware's recruitment process subject to completion of their graduation. Hexaware shall not be under obligation under this MOU to recruit any fixed number of Pre-selected students.
- m. The program involves substantial efforts and investment and continuous engagement from Hexaware with the intent to develop and hire substantial numbers from the College. The College shall therefore take all necessary steps to

ensure that at least 90% of the pre-selected students join Hexaware after successful completion of the training. A drop in the joining percentage below the expected level will seriously jeopardize Hexaware's interests and may be a material reason to not continue the engagement in the following years.

- n. Pre-selected Students who undergo this program in their 3rd Year, after completing the Hexaware Training Program, may be given an internship opportunity in their 8th Semester (4th Year) by Hexaware either in its premises or through the Hexaware Lab which will be setup in the College for administering Internships remotely by Hexaware.
2. This MoU is subject to the College earmarking 100+ students for placement in Hexaware exclusively and meeting the qualification and past performance criteria defined by Hexaware (Ranking in either of the following : NIRF, Career 360, NBA & NAAC (A))
3. The MOU shall be valid for three years from the date of execution. Hexaware shall have the right to terminate this MOU in the event of breach of material obligations including confidentiality obligations by the Partner, by giving a notice of fifteen (15) days, provided that the breach is not remedied by the College within such period.
4. The Parties herein have agreed to perform various obligations for the purpose outlined in the MOU earlier and there is no monetary obligation/consideration involved herein between the Parties. The College shall bear all expenses towards providing infrastructure, network and internet access, other facilities required for the education and training and such other expenses incurred in performing its obligations under this MOU. Hexaware shall likewise bear the cost of its portion of obligations under this MOU.
5. The Parties shall take reasonable steps to ensure the successful performance of the obligations agreed including setting up of a Joint Governing Council consisting of the Dean and Heads of Departments of the College and Subject Matter Experts and a

MEMORANDUM OF UNDERSTANDING

BETWEEN

BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH

AND

J HOTELS PVT. LTD.,

PREAMBLE

Interaction between industries and technical interactions will provide immense mutual benefit and also satisfy societal relevance. Realizing this objective, this college and the industry named above, have signed this MOU in order to achieve the desired results.

ABOUT THE COLLEGE

Bharath Institute of Higher Education and Research established under Section 3 of University Grants Commission (UGC) Act 1956, was founded in 1984 as a self-financing Institution called Bharath Institute of Science and Technology. The Union Ministry of Human Resource Development conferred University status on Bharath Institute of Science and Technology in 2003.

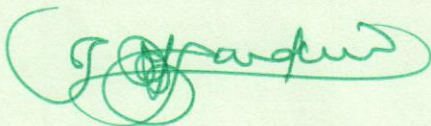

Whereas the first party was established under the aegis of Sri Lakshmi Ammal Educational Trust to foster higher education in science & technology and in the medical field. The Bharath Institute of Higher Education and Research has been for **37 years**, in pursuit of excellence in preparing undergraduate and post-graduate students for careers in engineering and management using a blend of theory and practice to create world-class professionals.

The faculty comprises of a highly qualified and dedicated faculty members in the 14 departments. In institution has been striving constantly to provide an excellent academic environment for the benefit of the students and faculty to inculcate technological competence along with human dignity and values.

The Bharath Institute of Higher Education and Research believes in promoting interaction with the industrial sector in order to expose the students to real time situation and to orient the faculty to the current needs of the industries.

ABOUT THE INDUSTRY

J Hotels Private Limited incorporated with MCA on 20 May 1998. The J Hotels Private Limited is listed in the class of pvt ltd company and classified as Non Govt Company. This company is registered at Registrar of Companies (ROC), Chennai with an Authorized Share Capital of Rs. 25 CR and its paid up capital is 24 CR.

J Hotels Private Limited's last Annual General Meeting (AGM) was held on 30 September 2018, and date of latest balance sheet available from Ministry of Corporate Affairs (MCA) is 31 March 2018.

SCOPE FOR INTERACTION

The proposed interaction will include the following:

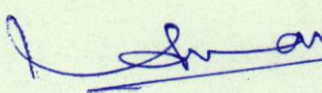

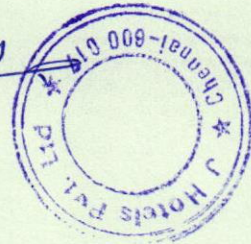

- (a) Encouraging and allowing the students of the college to interact with working groups of the industry so as to increase their knowledge level.
- (b) Exposing students to problems encountered in the field.
- (c) Encouraging involvement of students to take up projects of the industry and build up professional confidence & competence.
- (d) Offering valuable inputs to the college as a feed-back from the industrial sector in respect of latest technological development in the area of interaction.
- (e) Consultation with faculty of the college in respect of R & D and consultancy projects.
- (f) Offering guidance for suitable placement for students.
- (g) Organizing seminars on specific areas of interest of the industry for knowledge sharing.
- (h) Providing for testing / analysis / programming / design facilities at concessional rate, mutually.

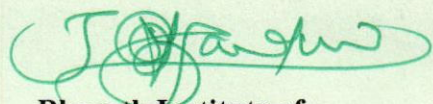

TERMS OF AGREEMENT

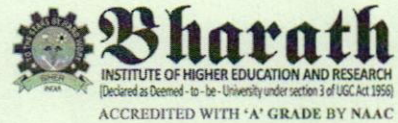

- (1) This agreement is valid for a period of **5 years**, and may be extended further on mutual consent.
- (2) The MOU can be terminated with 3 months notice on either side.
- (3) This agreement is governed by and construed in accordance with Indian Laws.
- (4) The head of department concerned will be the co-ordinator for the interaction on behalf of the college and the industry will nominate a representative for the aforesaid interaction. **MoU Signed on 09.12.2020 at Chennai, Tamil Nadu – India.**

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is made on this 25th day of February 2021, also as the Commencement Date, between **Jerusalem College of Engineering**, Narayanapuram, Pallikaranai, Chennai (herein after referred to as the "JCE" or the **FIRST PARTY**) having its registered office at Velachery Main Road, Pallikaranai, Chennai 600 100, represented by its Principal, Dr.S.Prince Arockia Doss

And

Sree Balaji Dental College & Hospital [BIHER], Velachery Main Road, Narayanapuram, Pallikaranai, Chennai -600100, represented by its Principal, DR.S. Raghavendra Jayesh herein after Referred to as SBDCH – BIHER

WHEREAS JERUSALEM COLLEGE OF ENGINEERING is an Engineering college offering 7 UG programmes, 6 PG programmes and 4 research programmes in the engineering stream.

Dr. S. Prince Arockia Doss

S. Raghavendra Jayesh Page 1 of 4

WHEREAS Sree Balaji Dental College & Hospital a constituent college of Bharath Institute of Higher Education and Research (BIHER) is a self financing Dental Institution pledged to the service of the community through imparting quality Dental education and catering to the health care needs. It is approved by the Govt. of Tamilnadu, Dental council of India and Ministry of Health and Family welfare, Govt of India, New Delhi.

The two parties in this Memorandum of Understanding (MoU) agree and accept the following terms and conditions with a common intention of being legally bound on them. Therefore, in consideration of the promises, covenants, representations and warranties set forth hereinafter, it is agreed by and among the Parties as under:

1. OBJECTIVE

The objective of this MoU is to ensure cooperation between JCE and SBDCH – BIHER to share the knowledge, data, skills and the resource power available in both organizations through Training and Internship, Consultation, Guest Lectures, Industrial Visits, Research Projects and Consultancy activities.

2. TRAINING AND INTERNSHIP

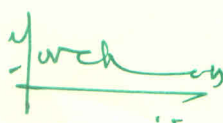

- i. SBDCH – BIHER shall permit the students of JCE to visit their hospital. Technical personal from SBDCH – BIHER shall display share their knowledge with the students.
- ii. JCE shall permit the resource persons from SBDCH – BIHER to interact with their students and share their knowledge. Resource persons from SBDCH – BIHER may deliver guest lectures, internship to the students of JCE on payable basis.

3. PROJECTS

Technical experts from SBDCH – BIHER may offer research projects to the students of JCE. In lieu of this, JCE may include the experts' name from SBDCH – BIHER Hospital in their research projects/publications.

4. RESEARCH AND CONSULTANCY

- i. JCE may take the skills, expertise from SBDCH – BIHER if necessary for implementing state of the art technology projects in the JCE campus. The cost of consultation can be decided at the time of work or project being taken after mutual consultation.
- ii. JCE shall provide information on its website about SBDCH – BIHER as an Industry Partner. Such information shall be updated from time to time to reflect any changes.

5. ENTREPRENEURSHIP

Resource persons from SBDCH – BIHER may share their knowledge on entrepreneurship skills with the students of JCE. If needed, they may help the students to start their own industry on mutually agreed terms.

6. TECHNICAL CO-OPERATION

Whenever desirable, JCE and SBDCH – BIHER may seek each other's technical cooperation with a view to promoting the development of collaborative activities in field of common interest.

The MoU may also be used to offer valuable inputs to the Institution as a feedback from the industrial sector in respect of latest technological development in the area of interaction.

7. AMENDMENTS

Both parties may request the present Memorandum of Understanding be amended. Any such amendments shall be adopted by mutual consent. Whenever required an exchange of letters will detail the implementation of this article.

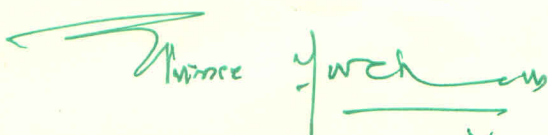

8. REPRESENTATIONS AND WARRANTIES

Each Party represents and warrants to the other Party that:

- i. This Agreement has been validly executed and delivered by it and constitutes legal, valid, and binding obligations of such Party enforceable against such Party in accordance with its terms;
- ii. It has the requisite power and authority to enter into this Agreement and to carry out the transactions contemplated by this Agreement;
- iii. The execution and delivery of this Agreement and performance of its obligations under this Agreement do not conflict with, result in a breach of, constitute a default under, or require the consent of any third party under its charter or constitutional documents or any contract to which it is a party; and it is duly incorporated or established under applicable Laws.

11. TERMS FOR TERMINATION

- i) The term of this Agreement shall commence on 25th day of February 2021, the "Commencement Date" and shall continue until the expiry of Five years from the Commencement Date, unless (i) extended by written agreement of the Parties, or (ii) terminated earlier by either Party in accordance with Clause 11.
- ii) Either Party shall, without cause, be entitled to terminate this Agreement by mutual agreement by serving 30 days prior written notice on the other party.

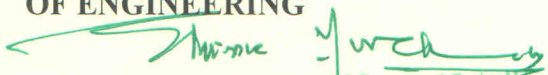

12. DISPUTE RESOLUTION

Either Party shall be entitled to notify the other Party of the existence of a Dispute. Upon receipt of such notice, the Parties shall endeavor in good faith to resolve such Dispute through mutual consultation between the Parties' respective representatives with primary responsibility for the implementation of this Agreement or the relevant Service Order under which the Dispute arose. If the Dispute is not settled to the satisfaction of the Parties within 30 working days of the notice of the Dispute, the Dispute shall be referred to the court of law in the jurisdiction of Chennai.

This memorandum of understanding (MoU) entered into and executed at Chennai on 21/10/2019.

BETWEEN

Bharath Institute of Higher Education and Research an educational institution having its campus at Agharam Road Selaiyur, Chennai, Tamilnadu - 600073 represented by its **Dr.J Hameed Hussain Dean Engineering and Jet Aerospace Aviation Research Centre** where high quality Research and Development in Aerospace/Aviation sector is carried out and is located at Kanjikode Industrial Area, Palakkad, Kerala 678623 represented by **Mr.J. Balakannan, Managing Director, Jet Aerospace Aviation Research Centre** to establish the Center of Excellence at the college premises.

The memorandum of understanding states the terms and conditions under which On-site Programs and Research Activities shall be conducted in the established Center of Excellence by Jet Aerospace Aviation Research Centre at Bharath Institute of Higher Education and Research, Chennai for the benefit of students from all the departments and lists herein the respective responsibilities of Bharath Institute of Higher Education and Research and Jet Aerospace Aviation Research Centre.

J. Balakannan
 Managing Director
 Jet Aerospace Aviation Research Centre

S. Saraswathi
 Stamp Vendor
 DEAN
 FACULTY OF ENGINEERING

OBJECTIVES/PURPOSE OF THIS AGREEMENT:

1. To establish the Center of Excellence to improve the skill set of engineering students in Research and Development sector and help them employable.
2. Through this Centre of Excellence activity, students will gain ability to bridge the gap between college education and requirements of Research & Development in Technical sector.
3. Through Center of Excellence the students can avail all the facilities like Placement opportunities, On Job Training, Technical Research activities, Courses, Journal Publish, Research Internship Training, Research Projects, Research Funding, Project Outsourcing, Guidance for academic and research projects.
4. To provide lab requirements and software if required by the management in terms.

ROLES AND RESPONSIBILITIES OF JET AEROSPACE:

1. To provide Placement opportunities, On Job Training, Technical Research activities, Courses, Journal Publish, Research Internship Training, Research Projects, Research Funding, Project Outsourcing, Guidance for academic and research projects through the Centre of Excellence.
2. The Center of Excellence will be active throughout the year. Through this we would like to incorporate Research Activities, short/long term training sessions on Drone Technology, Satellite Programming using PYTHON, Simulator Software development & improve the skill-set of engineering students and help them employable.
3. To conduct ISRO-IIRS EDUSAT Programme for selected students at free of cost.
4. If the students from the institution are interested and innovative then the COE can be developed as MSME – R&D Incubation Center.
5. If the Students are interested and innovative then IE/ISTE student Chapters can be established through COE.
6. To facilitate knowledge transfer through Conferences, Workshops, Seminars, and Entrepreneur Development Programs.
7. To get funds from various organizations for the innovative ideas of students.
8. To involve proficient students in research projects funded by various organizations.
9. If required any events or training programs can be conducted at Centre of Excellence in college campus. The quotations can be discussed at the occasion of events if applicable.

ROLES AND RESPONSIBILITIES OF BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH:

1. To create the awareness among the students about importance of Center of Excellence and activities conducted under COE.
2. To engage Jet Aerospace Aviation Research Center in all possible programs by discussing the terms according to the nature of the programs.

J. B. [Signature]

[Signature]
DEAN

3. To give preference to our quotations in all occasions and to discuss the terms of MOU with other organizations in same field of operations.
4. To provide Research lab, Admin cabin with relevant Hardware facilities. Computer lab, Seminar Halls, Class Rooms & Audio/Video systems for conducting training sessions & research activities.
5. To provide staff coordinators and student volunteers from each department to coordinate and report the activities in Center of Excellence.
6. We expect complete disciplinary support in Coordination for smooth conduct all activities from college management and departments.
7. To provide accommodations to staffs of our organization according to their standard during their visit to campus for research and training purposes.
8. If Resource Persons/Scientists are to be invited for the events then their hospitality and expenses have to be borne by the college management.
9. To provide permissions for the students and staff members to work in the programs conducted by us.

COORDINATION:

- **Mr. S Suresh Placement Co-ordinator**

will be acting as coordinators of COE who in turn will work in close relationship with Jet Aerospace. The coordinators can suggest their valuable ideas for development of COE and also the activities which is in common interest of their students. In the event of any difference of opinions between the coordinators or with Jet Aerospace the matter shall be referred to the Principal who in turn will settle it with our organization. It is to be noted that coordinators are insisted to attend the meeting every month and the report of the activities in that duration will be discussed in the meeting which inturn will be submitted to the Principal.

TIME FRAME:

This MoU is valid for 5 years from the date of signing and will be renewed for a further period if both the parties agreed to extend the relation.

JURIDICTION:

Jet Aerospace Aviation Research Center and its staff members are answerable only to the Head of the Institution and the College management.

All matters, queries, disputes or differences, whatsoever, arising between the parties touching the construction, meaning, operation or effect of this Memorandum of Understanding or breach thereof shall be settled by both parties through discussion of terms binding them.

J. B. [Signature]

[Signature]

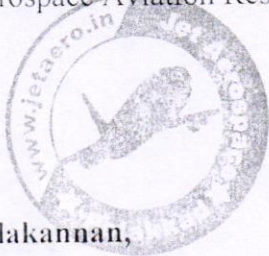

The Above terms detailed in this Memorandum of Understanding alone shall govern the participation agreed to between Bharath Institute of Higher Education and Research, Chennai and Jet Aerospace Aviation Research Center, Palakkad.

This Memorandum of Understanding shall come into effect from 21/10/2019

In witness whereof the parties hereto have affixed their signatures to this agreement on this day.

BETWEEN

MEDGENOME LABS PVT. LTD. BANGALORE

AND

SREE BALAJI MEDICAL COLLGE & HOSPITAL, BHARATH UNIVERSITY #7,
WORKS ROAD, CHROMPET, CHENNAI 600 044, Tamil Nadu, India.

This Memorandum of Understanding (the "MoU") is made and entered into on this 17th day of JUNE (month), 2015 (year) (the "Effective Date") between **MedGenome Labs Pvt. Ltd'**, (MG) represented by Its Authorised Signatory Duly Authorised Vide Board Resolution at Its Meeting held On 01-Dec-2014 (hereinafter called "**First Party**") situated at 3rd floor, Narayana Netralaya Building, Narayana Health City, 258/A, Bommasandra, Hosur Road, Bangalore 560099, India and **SREE BALAJI MEDICAL COLLGE & HOSPITAL, BHARATH UNIVERSITY, #7, WORKS ROAD, CHROMPET, CHENNAI 600 044, Tamil Nadu, India** represented by Its Authorised Signatory appointed to the current position On 14.02.2014 (henceforth referred to as "**Second Party**", which expression shall include its successors and permitted assignees) with its registered office at Chennai.

Proprietary & Confidential

WAP
DEAN
SREE BALAJI MEDICAL COLLEGE & HOSPITAL
No. 7, Works Road, Chromepet,
Chennai-600 044.

1. PREAMBLE

WHEREAS the First Party (CIN No: U73100TN2013PTC090471), registered under the Companies Act, 1956, of India, is a leading provider of genomics solutions for personalized health care, offers clinical diagnostic tests to major hospitals and clinics in India and partners with global players on genomic research and genome data analysis.

WHEREAS the Second Party, Sree Balaji Medical College and Hospital is a private, non-profit, self-financing, Medical Institution, pledged to the service of the community caters to the health care needs of the people in general, and especially to the needy, under privileged, suffering section of humanity, in particular It has 900 beds to cater to the patients needs.

WHEREAS The Parties have already been engaged in number of discussions and identified areas of mutual interests and collaboration that would be beneficial to both Parties including but not limited to bio-medical diagnostics and research.

WHEREAS The Parties are convinced about the mutual benefits of forging an association and initiating a number of new collaborative programs by way of sharing expertise in areas such as Medicine, Genetics, and Patho-physiology.

Now, therefore in consideration of the premises and mutual covenants hereinafter contained, the Parties hereto agree as follows.

2. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- I. To promote interaction between the Parties in mutually beneficial areas.
- II. To provide a formal basis for initiating joint research projects between First party and Second party.

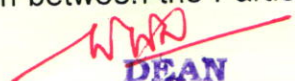

3. FORMS OF RESEARCH AND DEVELOPMENT PROGRAMS

The form of any of the said Research and Development Program (hereinafter referred to as "Research Program") will be subject to a separate written Research Project Plan signed by both Parties and may be carried out in the following manner:

- I. **In their own existing facilities** - The performance of research individually by each Party or concurrently by both Parties in mixed groups at their own facilities with regular exchanges of results.
- II. **In a separate research and development facility** - The performance of research by the technical personnel of both Parties working together in the facilities of one Party or in mixed groups at the facilities supported/ sponsored by either Party.

4. TECHNICAL AREAS OF COLLABORATION

The principal technical areas of collaboration between the Parties will be as set out in Annexure A or as a separate Scientific Study Protocol.

DEAN
SREE BALAJI MEDICAL COLLEGE & HOSPITAL
No. 7, Works Road, Chromepet,
Chennai-600 044.

5. AGREEMENTS FOR RESEARCH PROGRAM

Each Research Program undertaken by the Parties hereunder shall be initiated by the signing of a separate definitive written Research Project Plan signed by both Parties, which will describe in detail:

- I. The nature, scope and schedule of the Research;
- II. The form of the Research;
- III. The estimated cost of the Research Program together with the amount of funding, if any, to be received from third parties.
- IV. The treatment of intellectual property and data rights, both registered and unregistered, including patents, industrial design registration, copyrights and all other proprietary information (including innovations not patented, designs not registered etc.) which result from the Research Program or which belong to either of the Party and are used in the Research Program.
- V. Other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by either Party, indemnity, term, arbitration of disputes and applicable law.

6. CONFIDENTIALITY

During the tenure of the MoU and (3) three years thereafter, each Party undertake on their behalf and on behalf of their employees/ representatives/ sub-contractors/ associates to maintain strict confidentiality and prevent disclosures of all the Confidential Information exchanged/ generated pertaining to any work under this MoU for any purpose other than for the purposes of this MoU.

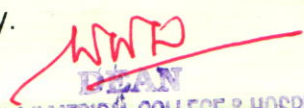

It is clarified that for the purpose of this Clause Confidential Information shall mean and include all information, data, notes, documents, script whether written or oral, relating to either Party or either Party's intellectual property rights or matters on commercial interest or operations or Research Program or any other project including its research and development, or this MoU and the terms hereof (collectively "**Confidential Information**"), disclosed by any Party (or its officers, employees, consultant or representatives) to the other Party (or its officers, employees, consultant or representatives)

The obligations above shall not extend to any Confidential Information for which the receiving party can prove that this information:

- Is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
- Is already known or become known to the receiving party
- Is received from a third party having no obligations of confidentiality to the disclosing party,
- Is independently developed by the receiving party; or
- Is required to be disclosed by law or court order.

It is clarified that in the event if either Party is required to disclose any Confidential Information under any law or court order, in such event the disclosing Party shall provide reasonable prior written notice to the non-disclosing Party stating the nature and requirement of such disclosure of Confidential Information.

Each Party shall return or destroy, as the case may be, all Confidential Information post termination of this MoU upon instruction from the other Party.

SREE BALAJI MEDICAL COLLEGE & HOSPITAL
No. 7, Works Road, Chromepet,
Chennai-600 044.

7. NON-EXCLUSIVITY

The relationship of the Parties under this MoU shall be nonexclusive and both Parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind.

8. TERMS AND TERMINATION

- I. This MoU, unless extended by mutual written agreement of the parties, shall expire three years after the effective date specified in the opening paragraph. This MoU may be amended or terminated earlier by mutual written agreement of the Parties at any time.
- II. Notwithstanding clause 8 (I) above, either Party shall have the right to unilaterally terminate this MoU upon serving of (90) ninety days prior written notice to the other Party.
- III. Notwithstanding clause 8 (II) above, no such early termination of this MoU, whether mutual or unilateral, shall affect the obligations of the Parties under any Research Agreement, Confidentiality clause as referenced in clause 6 above, or any other agreement entered into pursuant to this MoU, which obligations shall survive any such termination.

9. JOINT PROPERTY

The Parties agree that the ownership/rights in any intellectual property arising from or in connection with any Research Program or activity under this MoU or under the definitive Research Agreement therein shall be decided as per the terms and conditions of the Research Agreement and such other terms and conditions as may be agreed upon in writing.

Both Parties shall acknowledge one another in any form of writing, publication or presentation based on research derived from the cooperative efforts of both Parties under this MoU, unless otherwise mutually agreed upon in writing by the Parties.

10. RELATIONSHIP

Nothing in this MoU shall be construed to make either Party a partner, an agent or legal representative of the other for any purpose.

11. ASSIGNMENT

It is understood by the Parties herein this MoU is based on the professional competence and expertise of each Party and hence neither Party shall transfer or assign this MoU, or rights or obligations arising hereunder, either wholly or in part, to any third party without the prior written consent of the other Party.

12. AMENDMENTS

No amendment or modification of the MoU shall be valid unless the same is agreed in writing by both the Parties or their authorized representatives and specifically stating the same to be an amendment of this MoU. The modification/changes shall be effective from the date on which they are made / executed, unless otherwise agreed to.

13. INDEMNITY

Each Party shall indemnify and keep indemnified the other Party and its employees, representatives or agents against any and all losses, claims, damages, costs, charges, expenses, liabilities, demands, proceedings and actions which the other Party may sustain or incur or which may be

brought or established against it by any person and which in any case arises out of or in relation to or by reason of any breach of Clause 6 (Confidentiality) of this MoU.

The provisions of this clause shall survive the termination of this MoU. Further nothing contained in this MoU shall limit the right of each Party to seek remedies available to it under applicable laws for the aforesaid breach including injunctive relief.

14. COSTS OF THE MoU

Each Party shall bear the respective costs of carrying out the obligations under this MoU. Costs of specific contractual work agreed in hereafter will be defined in their respective contracts. Both parties can in collaboration apply to grant funding agencies like ICMR, DST, DBT etc... And the distribution of such funds will be specifically detailed in their respective grant applications.

15. NOTICES

Any notice required or permitted under this MoU shall be in writing and shall be deemed sufficient (i) upon receipt, when delivered personally or by courier, registered post or confirmed facsimile, 48 hours after being deposited in the regular mail as registered mail with postage prepaid, if such notice is addressed to the Party to be notified at such Party's address as set forth on the first page of the agreement; and (ii) upon delivery, when the notice is sent electronically by through fax or e-mail of either Party.

16. GOVERNING LAW & JURISDICTION

This MoU shall be governed and construed in accordance with the laws of India and the courts of Bangalore shall have exclusive jurisdiction over any dispute arising out of and/or in relation to this MoU.

17. SEVERABILITY & ENTIRETY

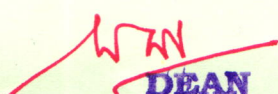

If any provision of this MoU is declared invalid, illegal or unenforceable, then such provision shall be deemed deleted from this MoU as though the provision had never been included.

This MoU together with the Annexure, constitute the entire understanding between the Parties hereto as to the subject matter hereof and supersedes all prior discussions or understandings.

18. SIGNED IN DUPLICATE

This MoU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

PREAMBLE

Interaction between industries and technical interactions will provide immense mutual benefit and also satisfy societal relevance. Realizing this objective, this college and the industry named above, have signed this MOU in order to achieve the desired results.

S. Sathya

S. Sathya

ABOUT THE COLLEGE

Bharath Institute of Higher Education and Research established under Section 3 of University Grants Commission (UGC) Act 1956, was founded in 1984 as a self-financing Institution called Bharath Institute of Science and Technology. The Union Ministry of Human Resource Development conferred University status on Bharath Institute of Science and Technology in 2003.

Whereas the first party was established under the aegis of Sri Lakshmi Ammal Educational Trust to foster higher education in science & technology and in the medical field. The Bharath Institute of Science and Technology has been for 32 years, in pursuit of excellence in preparing undergraduate and post-graduate students for careers in engineering and management using a blend of theory and practice to create world-class professionals.

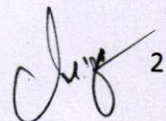

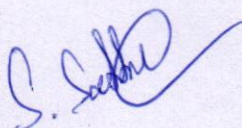

The faculty comprises of a highly qualified and dedicated faculty members in the 14 departments. In institution has been striving constantly to provide an excellent academic environment for the benefit of the students and faculty to inculcate technological competence along with human dignity and values.

BIHER believes in promoting interaction with the industrial sector in order to expose the students to real time situation and to orient the faculty to the current needs of the industries.

ABOUT THE INDUSTRY:

A division of CADD Centre, **Synergy School of Business Skills** is India's largest network of management training institute, dedicated to providing short-term programmes for professionals in corporate/life skills, project management, operational excellence, and people skills. With a wide network of over 75 center's, Synergy is one of the world's largest Registered Education Provider of PMI, a global organization of project management professionals.

Annually, Synergy trains over 50,000 people and certifies about 10,000 professionals in various management courses including: Project Management courses based on MS Project,

Primavera, Asta Power project; Operational Excellence courses based on 5S, Six Sigma; and Business Automation courses using Tally, Reach Accountant, and MS Office.

Synergy is organized around School of Project Management (SPM), School of Operational Excellence, and School of People Skills. Through SPM, Synergy offers training and implementation solutions in project management. Synergy's SOE focuses on offering Six Sigma, Lean, Kaizen and other operational excellence courses, and Synergy School of People Skills offers training to individuals on a range of interpersonal and intrapersonal communication competencies.

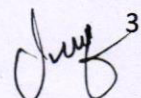

Synergy has its network spread across metros, cities, and towns that create management and professional staffs for small, medium, and large scale industries representing manufacturing, services and non-governmental organizations. Its faculty team comprises certified business coaches, project and quality management professionals, software engineers, who impart training to students using a participatory and results-oriented approach.

Synergy's training infrastructure boasts of modern computer labs, executive class rooms, library of world class course & reference materials, and a placement cell that facilitates industry-institute partnerships, internships, projects, and employment.

SCOPE FOR INTERACTION

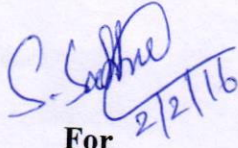

The proposed interaction will include the following:

- (a) Encouraging and allowing the students of the college to interact with working groups of the industry so as to increase their knowledge level.
- (b) Exposing students to problems encountered in the field.
- (c) Encouraging involvement of students to take up projects of the industry and build up professional confidence & competence.
- (d) Offering valuable inputs to the college as a feed-back from the industrial sector in respect of latest technological development in the area of interaction.
- (e) Consultation with faculty of the college in respect of R & D and consultancy projects.
- (f) Offering guidance for suitable placement for students.
- (g) Organizing seminars on specific areas of interest of the industry for knowledge sharing.

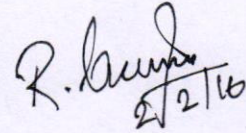

TERMS OF AGREEMENT

- (1) This agreement is valid for a period of five years, and may be extended further on mutual consent.
- (2) The MOU can be terminated with 3 months notice on either side.
- (3) This agreement is governed by and construed in accordance with Indian Laws.
- (4) The head of department concerned will be the co-ordinator for the interaction on behalf of the college and the industry will nominate a representative for the aforesaid interaction.

MEMORANDUM OF UNDERSTANDING

ACADEMIC AND RESEARCH COLLABORATION

BETWEEN

NATIONAL INSTITUTE FOR EMPOWERMENT OF PERSONS WITH MULTIPLE
DISABILITIES

AND

SREE BALAJI MEDICAL COLLEGE & HOSPITAL, CHENNAI

SREE BALAJI MEDICAL COLLEGE & HOSPITAL, CHENNAI is a constituent college of Bharath University (Declared under section 3 of UGC Act, 1956), approved by Medical council of India , Ministry of Health and Family welfare, Govt of India, New Delhi.

NATIONAL INSTITUTE FOR EMPOWERMENT OF PERSONS WITH MULTIPLE
DISABILITIES (NIEPMD) is under the Department of Empowerment of Persons with
Disabilities , Ministry of Social Justice & Empowerment, Govt.of India.

DEAN
Sree Balaji Medical College & Hospital
No. 7, Works Road, Chromepet,
Chennai-600 044.

(Dr. Himangshu Das)
DIRECTOR
NATIONAL INSTITUTE FOR EMPOWERMENT OF PERSONS
WITH MULTIPLE DISABILITIES (NIEPMD)
(Dept. of Empowerment of Persons with Multiple Disabilities, MSJ & E, Govt. of India)
ECR, Muttukadu, Kovalam Post, Chennai, Tamil Nadu-603 112.

SCOPE:

The scope of collaboration on academic and research activities in the Memorandum of Understanding includes the following categories:

- Sharing of Medical faculties from SBMCH to conduct Theory / Clinical sessions at NIEPMD
- Community Based training of Post graduate students of Orthopaedics, Paediatrics, ENT and Ophthalmology – in dealing with disabilities pertain to their specialities.
- Providing Out patient / In patient Medical Treatment facilities (including Specialists Consultations, Investigations / Lab tests, Admission in wards, Hospital diet for the patients) at SBMCH – for Students , Special children, Regular and Contract employees of NIEPMD at subsidised / free of cost.
- Conducting periodical Medical camp / Outpatient services at NIEPMD with doctors from SBMCH.
- Training of students from NIEPMD doing courses like MSW, in various clinical departments like Cardiology, Neurology etc.
- To conduct Seminars / Workshops / Continuing Rehabilitation Education Program-jointly by SBMCH and NIEPMD
- To collaborate for Medical Research especially related to persons with Multiple disabilities, much to the benefit of medical fraternity and the society.

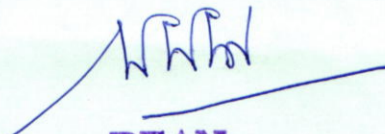

STUDENT EXCHANGE:

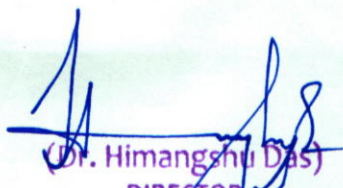

Pursuant to the agreement for academic exchange, SBMCH & NIEPMD will exchange students accordingly to the terms laid out in Annexure – 1 (a & b). It is desired by both parties that there will be significant flow of students in both directions.

RESEARCH COLLABORATION :

Faculty and Post graduate students of SBMCH will collaborate in the supervision of exchange and in joint research in disciplines of mutual interest. All such joint research activities will be governed by the terms of SBMCH and NIEPMD vice – versa.

The faculty & PG students of SBMCH should abide the rules and regulations of NIEPMD and the students of NIEPMD doing courses like MSW posted to SBMCH should strictly follow the rules and regulations of SBMCH.

DEAN
Sree Balaji Medical College & Hospital
No. 7, Works Road, Chromepet,
Chennai-600 044.

(Dr. Himangshu Das)

MEMORANDUM OF UNDERSTANDING

BETWEEN

BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH

173, Agarum Main Road, Selaiyur, Chennai - 600 073, Tamil Nadu, India.

AND

NAVAYYOTHI TECHNICAL TRAINING CENTRE & EDUCATIONAL ACADEMY

No. 9/6, Poomagal Main Road, Ambal Nagar, Ekkattuthangal, Guindy, Chennai-600032,
Tamilnadu, India.

PREAMBLE

Interaction between institute and technical interactions will provide immense mutual benefit and also satisfy societal relevance. Realizing this objective, this college and the institute named above, have signed this MOU in order to achieve the desired results.

Bharath Institute of Higher Education and Research established under Section 5 of University Grants Commission (UGC) Act 1956, was founded in 1984 as a self-financing Institution called Bharath Institute of Science and Technology. The Union Ministry of Human Resource Development conferred University status on Bharath Institute of Science and Technology in 2003.

Whereas the first party was established under the aegis of Sri Lakshmi Ammal Educational Trust to foster higher education in science & technology and in the medical field. The Bharath Institute of Science and Technology has been for 32 years, in pursuit of excellence in preparing undergraduate and post-graduate students for careers in engineering and management using a blend of theory and practice to create world-class professionals.

The faculty comprises of a highly qualified and dedicated faculty members in the 14 departments. In institution has been striving constantly to provide an excellent academic environment for the benefit of the students and faculty to inculcate technological competence along with human dignity and values.

BIHER believes in promoting interaction with the industrial sector in order to expose the students to real time situation and to orient the faculty to the current needs of the industries.

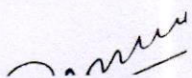

About the Navajyothi Technical Training Centre & Educational Academy:

Navajyothi Technical Training Centre & Educational Academy training programs and internships are designed to increase the innovation & project management capabilities of budding engineers. At Navajyothi, we train our students on the technologies that are required to aim at sustainable economic development of our country for the next 100 years to come. We have leadership programs, entrepreneurship programs, internships, job oriented training & workshop training for Electrical, Mechanical, Mechatronics, Civil, Electronics, Chemical, Instrumentation and Communication engineers.

Navajyothi aim is to equip all the participants so that they stand tall amidst the challenges in the industry. Navajyothi is one of the leading technical training centre in Chennai. Navajyothi aims at providing the International standard of training enabling the clients to enhance their skills and maximize their knowledge through our technical excellence. Navajyothi believes in imparting the technical skills to its students in par with the international standards.

Navajyothi learning Institute offers two intensive HVAC Design training sessions that fill the need to improve overall building performance. HVAC Design and Drafting Level I & Level II. The training covers the technical aspects of design and allows participants an opportunity to expand their exposure to HVAC systems applications to increase energy savings and improve indoor environmental quality.

The role of the modern automotive technician has changed drastically in the past decade. The job of today's vehicle specialist involves a deep knowledge of wide variety of technical disciplines. Few professions encompass such a diverse understanding of technology.

The proposed interaction will include the following:

- (a) Encouraging and allowing the students of the college to interact with working groups of the industry so as to increase their knowledge level.
- (b) Exposing students to problems encountered in the field.
- (c) Encouraging involvement of students to take up projects of the industry and build up professional confidence & competence.
- (d) Offering valuable inputs to the college as a feed-back from the industrial sector in respect of latest technological development in the area of interaction.
- (e) Consultation with faculty of the college in respect of R & D and consultancy projects.
- (f) Offering guidance for suitable placement for students.
- (g) Organizing seminars on specific areas of interest of the industry for knowledge sharing.
- (h) Providing for testing / analysis / programming / design facilities at concessional rate, mutually.

TERMS OF AGREEMENT

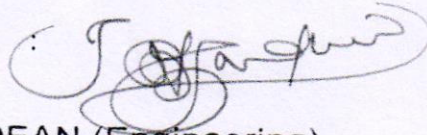

- (1) This agreement is valid for a period of five years, and may be extended further on mutual consent.
- (2) The MOU can be terminated with 3 month's notice on either side.
- (3) This agreement is governed by and construed in accordance with Indian Laws.
- (4) The head of Department/Institution concerned will be the co-ordinator for the interaction on behalf of the college and the industry will nominate a representative for the aforesaid interaction.

The Bharath Institute of Higher Education and Research believes in promoting interaction with the industrial sector in order to expose the students to real time situation and to orient the faculty to the current needs of the industries.

ABOUT THE INDUSTRY

Established in the year 2009, Navin Engineering Works is one the famous names in market and widely known for its quality work. We are working as a sole proprietorship based firm. The head office of our company is located at Coimbatore, Tamil Nadu. Leveraging over the skills of our qualified team of professionals, we are instrumental in manufacturing and supplying a wide range of Commercial Pump, Fish Slicing Machine, Homogenizer Machine and many more. Offered products have sturdy construction.

Our organization has built a sound infrastructure unit at our premises. We are facilitated by a hi-tech infrastructure that is parted into different units that helps us to produce our products in bulk. We have a dedicated team of skilled workforce and diligent personnel that helps us to meet the specific requirements of the clients. Moreover, we have several units that comprise of:

- Manufacturing
- Packing
- Sales
- Logistic

In institution has been striving constantly to provide an excellent academic environment for the benefit of the students and faculty to inculcate technological competence along with human dignity and values.

The Bharath Institute of Higher Education and Research believes in promoting interaction with the industrial sector in order to expose the students to real time situation and to orient the faculty to the current needs of the industries.

ABOUT THE INDUSTRY

For 35 years, we have been growing and changing, just like our customers. By continually adapting to the markets of the 21st Century, we provide our customers better quality products, better lead times, and better pricing.

We understand the challenges of successfully competing in the Indian manufacturing marketplace. To insure our customer's success in this arena, we leverage our engineering expertise, manufacturing experience, and technological assets.

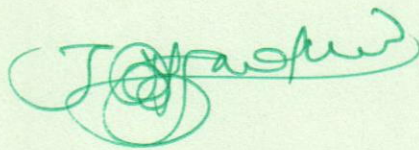

These factors, combined with solid relationships with our own suppliers, provide the stability that our customers need in a contract manufacturer.

We seek to grow in expertise and technological capabilities such that we can add value to our products for our customers. The customers always benefits from the excellence in production of high quality components being manufactured by the company over last two decades.

MEMORANDUM OF UNDERSTANDING

By and Between
BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH
And
SPECIAL OLYMPICS, BHARAT

1) PREAMBLE:

This Memorandum of Understanding (MoU) is entered into on the 4th of February 2020 by and between:

Special Olympics, Bharat (SO Bharat) with their offices at J - 47, Lower Ground Floor, Lajpat Nagar - III, New Delhi - 110 024, India

And

Bharath Institute of Higher Education and Research at Selaiyur, Chennai-600073, Tamil Nadu who are referred to collectively, as "Parties" or individually as "Party".

The Parties recognize the benefits to be derived from collaboration, cooperation and mutual interaction for the development and promotion of joint activities to address issues of mutual interest, designed to foster and promote collaboration to improve the health of the people with intellectual and developmental disability by collaboration through this MoU.

2) SCOPE AND AREAS OF COOPERATION:

2.1 This MoU sets forth the intentions of the Parties for increased collaboration, cooperation and interaction between themselves and does not create any legally binding commitments. Whenever the Parties agree to undertake specific joint Projects with legally binding operations, they will develop a separate written agreement for such Projects setting out each Party's roles, responsibilities, funding, contribution, deliverables and budgets.

2.2 The Parties intend to co-operate in the following areas:

A) Responsibilities of Special Olympics, Bharat:

Special Olympics agrees

- a) to provide training and organize athletic competitions in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunity to develop physical fitness, demonstrate courage, experience joy and participate in sharing of gifts, skills, friendship with their families and Special Olympics athletes and the community.
- b) To provide local transportation for athletes to and from Bharath institute of higher education and research or another venue for health screenings/health education & follow up thereafter.
- c) To provide equipment and athletes for the unified games.
- d) To conduct coach Training Programs to create certified coaches for Special Olympics amongst the college students.
- e) To provide one or more trainers for the Youth Activation Program.
- f) Subject to any governing privacy laws, allow Bharath Institute of Higher Education and Research to use the collected records and data on the state of health of Special Olympics athletes. Both parties will have access to the data and the right to publish this data to create awareness, to influence policy and to garner support for people with intellectual disabilities.

B) Bharath Institute of Higher Education and Research:

Agrees:

- a) To act as a forum for exchange and dissemination of knowledge and information in the area of health care needs of people with intellectual disability;
- b) To represent this area of activity at National & International forums by publishing and presenting papers, conducting research, advocacy through print and electronic media to create awareness and sensitize general public

and healthcare professionals about the needs of people with intellectual challenges.

- c) To create opportunities for participation of the students of Bharath Institute of Higher Education and Research with Special Olympics programs of Unified Sports & Youth Activation so as to sensitize the students and help them focus on the abilities and not the disabilities of the Special Olympics Athletes/people with intellectual challenges.
- d) To support Special Olympics Bharat's Healthy Athletes / Healthy Community — 'Special Smiles'(Dental), 'Fun-fitness' (Physiotherapy), 'Fit Feet' (Podiatrics) 'Healthy Hearing' (Audiology), 'MedFest' (Sports Physical Exam), 'Opening Eyes'(Ophthalmology), & Health Promotion program as a part of its community outreach service. This support will be by way of providing venue, examination facilities, Dental/Medical/Physiotherapy equipment, clinical and general volunteers, Dental/Medical/Physiotherapy specialists and provision of Dental/health screening, education and follow up care for basic dental and general health of Special Olympics athletes at its hospital and other locations on free of cost/non-profit basis
- e) To conduct training programs for dental surgeons/healthcare providers/Physiotherapist and student volunteers to enhance skill for management and treatment of people with intellectual disability and create awareness about Special Olympics movement.

2.3 Specific projects undertaken under this MoU shall be discussed, by the Parties hereto, and separate written Agreements should be signed by the Parties defining the terms and conditions agreed upon.

3) COSTS:

3.1 Wherever possible and appropriate the Parties may also seek funding for collaborative activities from other agencies and institutions as appropriate.

3.2 As stated, in Clause 2.3 above, any specific, joint projects with legally binding obligations will be set forth in separate written agreements between Parties.

4) INTELLECTUAL PROPERTY AND CONFIDENTIAL INFORMATION:

4.1 Intellectual Property:

The treatment of intellectual property rights developed through collaborations under this MOU will be determined between the Parties through mutual consultation and under separate written agreements to be entered into, on a case-by-case basis. The Parties shall maintain sole authority over their respective names and logos. Neither Party is authorized under this MOU to make use of the other Party's name or logos unless such specific use is pre-approved in writing by the other Party.

4.2 Confidential Information:

The parties agree that there is no intention to share any confidential or proprietary information in any collaboration under this MOU. If either Party wishes to disclose

information that it considers to be confidential or proprietary to the other Party, the Parties will enter into a written, Confidentiality and Non-Disclosure Agreement for each such requirement.

4.3 Non- Circumvention:

The Parties agree that Confidential Information shall not be used for the enrichment, directly or indirectly, of the Receiving Party without the express written consent of the Disclosing Party. The Parties further agree that following receipt of Confidential Information from the Disclosing Party, the Receiving Party shall not contract or attempt to sell to, transact with or purchase from Disclosing Party-provided sources, without the written permission from the Disclosing Party for a period of 24 months following the disclosing date unless

- i. A business relationship between the Receiving Party and the Disclosing Party-provided source predated this Agreement, and
- ii. The Receiving Party can substantiate exchanges between the Receiving Party and the Disclosing Party-provided source prior to the date of the signing of this Agreement.

This Agreement will not be construed to limit either Party's right to independently develop or acquire, manufacture, sell, license or maintain products, service or technology without the use of the other party's Confidential Information including products, services or technologies that are similar to or competitive with the other Party's Confidential Information.

4.4 No partnership:

Nothing in this MoU shall be construed as creating a joint venture or legal partnership between the Parties. Neither Party shall have the authority to bind the other Party, nor shall the employees, volunteers and agents of one Party be considered employees, volunteers or agents of the other Party. This MOU is not intended to imply a financial arrangement between the Parties. The partnership is merely a spirit of goodwill and collaboration centred on the above-described activities.

5) **TERMS OF UNDERSTANDING:**

- 5.1 This MOU will remain in force from the date of signature by both parties and shall continue in effect until either of the Parties expresses, in writing, to the other, a desire to terminate. Such termination shall have no effect on any outstanding obligations contractually agreed upon between the parties in an Activity Agreement.
- 5.2 The MOU may be terminated by either Party by giving three months' notice, in writing, to the other Party.
- 5.3 Any Amendment to the MOU will require the written approval of both Parties.
- 5.4 Two signed originals of this MOU will be produced with one to reside with each Party.
- 5.5 In the event that discrepancies arise between this document and any translation of it to a language other than English, this English version shall prevail.

1. **Topic of the Module** : Damon System - A Passive Self Ligation Bracket System inc Advance Sync
2. **Speaker** : Prof & Dr MS Kannan
*** Ps Note** : The first lecture on Introduction of Damon Philosophy will be taken by Prof & Dr. CS Ramachandra
3. **Educational Format** : Module format with 4 to 6 chapters
4. **Total Time Duration** : 4 to 6 quarterly visits by Speaker spread over 12 to 15 months.
5. **Total Live Bonding Cases:** 50 No.'s of Damon Q (Standard / Variable Torque)
6. **Protocol** by Dr Dwight Damon under Module format :-
 - A. **Chapter 1 & Chapter 2 will cover following**
 - ✓ Introduction to Damon Philosophy System
 - ✓ Capability of Damon system
 - ✓ Pillars of Damon system
 - ✓ Brackets. (Passive self-ligating bracket and its supremacy)
 - ✓ Wires. (Damon Copper NITI wires and their application & Damon arch form).

- ✓ Use of Push Coil springs with Damon system
- ✓ Bracket Bonding protocol
- ✓ Biomechanics in Damon System
- ✓ Live Bonding by PG Students

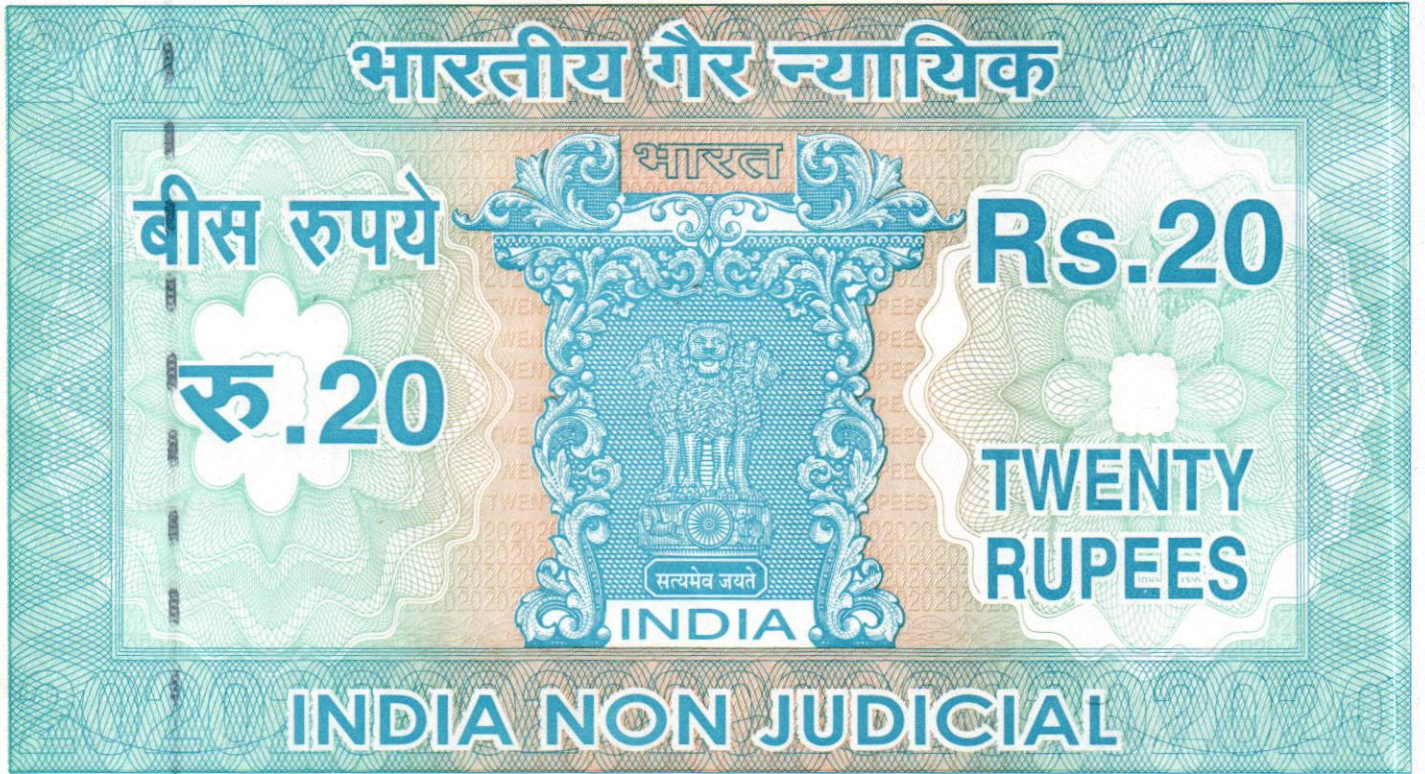

B. Chapter 3 & 4 will cover following Under Class I & II (Div I & Div II)

- ✓ Introduction to Variable Torque & its Logic
- ✓ System Protocol for Class I Non Extraction Cases
- ✓ System Protocol in Class II Non Extraction Cases
 - **Management of Class I crowding-** The face and smile considerations.
 - **Management of Class I bimaxillary protrusion-**
 - **Management of Class II cases-** Diagnosis and treatment planning.
 - **Management of Class III cases-** Diagnosis and treatment planning.
 - **Correction of class II with Advance Sync and Damon System**
- ✓ Live Bonding cases by PG's

C. Chapter 5 & 6 will cover following Under Class III (Non Extraction Cases):

- ✓ System Protocol in Class III Non Extraction Cases
- ✓ Orthognathic Surgery and Damon System- Superiority of SLB
- ✓ Live Bonding Cases by PG's

Hands- on Live demonstration of bonding and wire placement on selected cases.

MEMORANDUM OF UNDERSTANDING

The Memorandum of Understanding is entered on this 02nd of August 2019 by & between:

M/s. Sree Balaji Medical College and Hospital having its administration office at No.7, Works Road, Chrompet, Chennai 600 044 of India

AND

SANUM SANGUINEAS SOLUTIONS PRIVATE LIMITED, a company registered under Company's Act. 2013 situated at No. 686/31 (475/31), Anna Salai (Saidapet), 1st Floor, N.S.House, Shop no. 3 & 4 Nandanam, Chennai-600 035, India.

Whereas, Sanum Sanguineas Solutions Private Limited, who wishes to procure good quality of human Plasma for the purpose of fractionation, from **M/s. Sree Balaji Medical College and Hospital** for supply of the same to them, for the period of 1 year.

Whereas, both the parties wish to make the understanding in writing under the following terms and conditions:

1. **M/s. Sree Balaji Medical College and Hospital** having leading Blood Bank in the State of TamilNadu which promotes and encourages programs for voluntary blood donation in the state of Tamil Nadu and believes in enhancement of blood component usage including improvisation in standards of blood banking.
2. **M/s. Sree Balaji Medical College and Hospital** Blood Bank componentized the human blood and after providing plasma to the patients, there is normally excess plasma that remains unutilized. Therefore, making use of the excess approached plasma as and when available to any suitable Plasma Fractionation Centre, who needs the same, through a proper arrangement.
3. Whereas, Sanum Sanguineas Solutions Private Limited expressed its willingness to acquire such plasma with Terms & Conditions agreed as under:
 - a. **M/s. Sree Balaji Medical College and Hospital** Blood Bank shall provide its excess approached plasma bags to Sanum Sanguineas Solutions, only when it is available in excess.
 - b. The quality of plasma sent by the BLOOD BANK shall fulfil the criteria required and as per the "Annexure" in accordance with the "Drugs and Cosmetics Act" of India.
 - c. **M/s. Sree Balaji Medical College and Hospital** Blood Bank shall be fully responsible for testing of plasma for HIV-I & II, HBsAg, HCV, Syphilis and Malaria. Expiry date of the plasma should be of minimum 6 months.
 - d. **M/s. Sree Balaji Medical College and Hospital** Blood Bank shall provide test results in hard and soft copy for all plasma bags to Sanum Sanguineas Solutions Private Limited (as per Enclosure - I).
 - e. **M/s. Sree Balaji Medical College and Hospital** Blood Bank shall keep the donor record of all plasma bags sent to Sanum Sanguineas Solutions Private Limited for a minimum period of 10 years from the date of donation. In addition, before purging of these records, **M/s. Sree Balaji Medical College and Hospital** Blood Bank shall confirm it with Sanum Sanguineas Solutions Private Limited.

A. Selvaraj

- f. Freight and Octroi expenses arising on account of transportation of plasma shall be borne by Sanum Sanguineas Solutions Private Limited.
- g. In lieu of plasma supplied to Sanum Sanguineas Solutions Private Limited, the Sanum Sanguineas Solutions Private Limited shall pay the cost of plasma to be agreed upon. In this case, as per the mutual discussion, the agreed upon amount is 2000 per litre (Rupees Two Thousand Only). **In this regard, 100% of the total amount would be paid through a cheque payment with 15 days or through online on 15th day from the date of collection of plasma.**
- h. Sanum Sanguineas Solutions Private Limited shall provide technical, operational and managerial assistance to **M/s. Sree Balaji Medical College and Hospital** Blood Bank whenever required in order to help them acquire good quality plasma for mutual benefits.

4. COMPLIANCE:

- a. **M/s. Sree Balaji Medical College and Hospital** Blood Bank during the term of this MOU will obtain and maintain costs toward all licenses, registrations and authorizations that are necessary to carry out activities as contemplated under this MOU.
- b. If desired by Sanum Sanguineas Solutions Private Limited, **M/s. Sree Balaji Medical College and Hospital** Blood Bank will subject their licenses, registrations and authorizations etc., to audit and verification of Sanum Sanguineas Solutions Private Limited.
- c. Facilities as to collection, storage, processing, testing and dispatching of plasma owned or possessed by **M/s. Sree Balaji Medical College and Hospital** Blood Bank will always comply with ^{all} applicable statutory requirement in force.
5. It is categorically understood that this agreement stands valid subject to holding of all required licenses by **M/s. Sree Balaji Medical College and Hospital**.

6. CONFIDENTIALITY:

- a. Sanum Sanguineas Solutions Private Limited and **M/s. Sree Balaji Medical College and Hospital** Blood Bank shall maintain utmost secrecy about all data methods, formulae, details, drawings and other confidential proprietary information exchanged between them (All such information is called Confidential Information).
- b. This confidential information shall be utilized by the parties for the purpose of this MOU only and the same shall not be divulged, disclosed or communicated to any third party without prior written permissions of such confidential information by either party.
- c. However, restrictions as to confidentiality shall not be applicable to such information which are:
- in a public domain without any breach on the part of any of the parties to this MOU.
 - the receiving party is already in a possession of such information independently developed by such party.
 - required to be disclosed under the applications law or under statutory requirements

MEMORANDUM OF UNDERSTANDING

BETWEEN

BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH

AND

SWISS CARLTON HOTELS (I) PVT. LTD.,

PREAMBLE

Interaction between industries and technical interactions will provide immense mutual benefit and also satisfy societal relevance. Realizing this objective, this college and the industry named above, have signed this MOU in order to achieve the desired results.

ABOUT THE COLLEGE

Bharath Institute of Higher Education and Research established under Section 3 of University Grants Commission (UGC) Act 1956, was founded in 1984 as a self-financing Institution called Bharath Institute of Science and Technology. The Union Ministry of Human Resource Development conferred University status on Bharath Institute of Science and Technology in 2003.

Whereas the first party was established under the aegis of Sri Lakshmi Ammal Educational Trust to foster higher education in science & technology and in the medical field. The Bharath Institute of Higher Education and Research has been for **37 years**, in pursuit of excellence in preparing undergraduate and post-graduate students for careers in engineering and management using a blend of theory and practice to create world-class professionals.

The faculty comprises of a highly qualified and dedicated faculty members in the 14 departments. In institution has been striving constantly to provide an excellent academic environment for the benefit of the students and faculty to inculcate technological competence along with human dignity and values.

The Bharath Institute of Higher Education and Research believes in promoting interaction with the industrial sector in order to expose the students to real time situation and to orient the faculty to the current needs of the industries.

ABOUT THE INDUSTRY

Swiss Carlton Hotels (India) Private Limited incorporated with MCA on 07 April 2011. The Swiss Carlton Hotels (India) Private Limited is listed in the class of pvt ltd company and classified as Non Govt Company. This company is registered at Registrar of Companies (ROC), Chennai with an Authorized Share Capital of Rs. 50 LAC and its paid up capital is 1 LAC.

Swiss Carlton Hotels (India) Private Limited's last Annual General Meeting (AGM) was held on 28 September 2018, and date of latest balance sheet available from Ministry of Corporate Affairs (MCA) is 31 March 2018.

SCOPE FOR INTERACTION

The proposed interaction will include the following:

- (a) Encouraging and allowing the students of the college to interact with working groups of the industry so as to increase their knowledge level.
- (b) Exposing students to problems encountered in the field.
- (c) Encouraging involvement of students to take up projects of the industry and build up professional confidence & competence.
- (d) Offering valuable inputs to the college as a feed-back from the industrial sector in respect of latest technological development in the area of interaction.
- (e) Consultation with faculty of the college in respect of R & D and consultancy projects.
- (f) Offering guidance for suitable placement for students.
- (g) Organizing seminars on specific areas of interest of the industry for knowledge sharing.
- (h) Providing for testing / analysis / programming / design facilities at concessional rate, mutually.

TERMS OF AGREEMENT

- (1) This agreement is valid for a period of **5 years**, and may be extended further on mutual consent.
 - (2) The MOU can be terminated with 3 months notice on either side.
 - (3) This agreement is governed by and construed in accordance with Indian Laws.
 - (4) The head of department concerned will be the co-ordinator for the interaction on behalf of the college and the industry will nominate a representative for the aforesaid interaction.
- MOU Signed on 07.12.2020 at Chennai, Tamil Nadu – India.

WHEREAS, TCS wants to offer the courses available on iON Digital Hub to Other Party and Other Party wants to understand the competency of iON Digital Hub to suit the requirements of Other Party.

NOW THIS Agreement aims to capture the terms and conditions reached between TCS iON and Other Party regarding each other's roles and responsibilities and other terms.

I) UNDERSTANDING

Parties acknowledge, understand and agree that TCS is offering iON Solutions mentioned in Annexure I of this Agreement in a consolidated and a non-severable manner.

II) INTELLECTUAL PROPERTY RIGHTS

Each party shall continue to own the intellectual property developed prior to or independently of this Agreement.

All rights, title and interests in and to the material used by TCS in the provision of the Services stated in Annexure I of this Agreement shall exclusively belong to TCS or its licensors ("TCS Proprietary Material"). Any and all Intellectual Property Rights with respect to the Services and the TCS Proprietary Material and all modifications, improvements, enhancements, or derivative works made thereto, shall always belong to TCS or its licensors and Other Party shall not be entitled to claim any rights therein. All rights, title and interests in data of Other Party shall always remain with Other Party. Other Party agrees that TCS shall have the right to list Other Party name in its marketing material and use Other Party logo with respect to such listing and for reference purposes. Other Party acknowledges that the provision of the Services hereunder by TCS shall be on a non-exclusive basis and TCS shall be free at all times to provide the services or perform obligations same or similar to the Services and obligations envisaged hereunder to any of its other clients, either existing or future, and nothing herein shall preclude TCS from providing such services or performing such obligations to its other clients.

III) CONFIDENTIALITY

During the term of this Agreement, each Party may disclose to the other its Confidential Information. Confidential Information shall mean all information marked "Confidential" or under any similar legend indicating the confidentiality of the information or information which by its nature is confidential, except such information as is (a) previously known to the receiving party at the time of disclosure, or (b) independently developed by or for the receiving party and not derived from the Confidential Information supplied by the disclosing party or the participation of individuals who have had access to Confidential Information of the other, (c) disclosed to the receiving party by a third party without an obligation of confidentiality or (d) in or subsequently comes into the public domain (other than as a result of a breach of this Agreement); (e) required to be disclosed by the receiving party by law, regulation, court order or other legal process.

The receiving party shall hold such Confidential Information in strict confidence perpetually for the disclosing party and shall not use it except in furtherance of the relationship set forth in this Agreement, or except as it may be authorized by the disclosing party in writing. The receiving party shall further be responsible for the compliance of the foregoing by its employees or agents.

Upon the disclosing party's written request at any time, or following the completion or termination of this Agreement, the receiving party shall promptly return to the disclosing party, or destroy, all Confidential Information of the disclosing party provided under or in connection with this Agreement, including all copies, portions and summaries thereof.

A handwritten signature in black ink.

IV) TERM

This Agreement shall be valid from the Effective Date and shall remain in force for 1(one) year from the Effective date, unless terminated earlier by either Party as provided herein below.

Either party may terminate this MOU by giving thirty (30) days' notice to the other party. On termination, each party shall return to the other party all such confidential and proprietary information, documents and reference material of the other party in its possession.

All such obligations and terms of this Agreement that are required to survive the termination of this Agreement shall survive such termination.

V) PERIODIC REVIEW

The Parties agree that the person's nominated herein below as the point of contact for each party (or their respective nominees) shall meet at least once in a month, either personally or through a teleconference to review the progress and plan the future course of action, to accomplish the objectives of this Agreement as per the mutually agreed time schedule.

Tata Consultancy Services Limited , 21, Industrial Estate, Ambattur, Chennai - 600 058

VI) RELATIONSHIP OF THE PARTIES

Neither this Agreement, nor any activities described herein, shall be construed as creating a partnership, joint venture, franchise, agency or other such relationship. Neither party is authorized, in any manner, to make any commitment on behalf of or to bind the other Party. Other Party acknowledges that certain services stated under Annexure I as iON Solutions may require services from sub-contractors for providing services to Other Party.

A handwritten signature in black ink, appearing to be "Suresh Kumar D".

VII) LIMITATION OF LIABILITY

Neither party shall be liable for any indirect, incidental, special or consequential damages, or damages for loss of profits, revenue, data or use, incurred by either party or any third party in connection with this Agreement or the subject matter of this Agreement, whether in an action in contract or tort or any other legal theory, even if the party has been advised of the possibility of such damages.

VIII) GOVERNING LAW/ARBITRATION/VENUE

The laws of India shall govern this Agreement. Any disputes between the parties shall be resolved by mutual discussions. Unresolved disputes, if any shall be subject to resolution by arbitration in accordance with the Arbitration and Conciliation Act, 1996. The language of the arbitration shall be English and the decision of the arbitrators shall be final and binding on the parties. The venue of Arbitration shall be Mumbai. Both parties irrevocably submit to the exclusive jurisdiction of the Courts in Mumbai, for any action or proceeding regarding this Agreement.

ANNEXURE – I
Scope of Services

Other party agrees to purchase and use or conduct the courses as listed in Annexure II for its own institute students only and courses would not be used, conducted or sold for any other purpose. Other party will also offer the communities listed in the Annexure II.

All the courses opted by the other party students shall be accessed on iON Digital Hub after accepting terms and conditions mentioned on the Hub.

Other Party would be entitled to the share of revenue as given below.

Component Type	Delivery Type	Other Party Revenue Share (%)
Industry Honors Certificate (IHC)	IHC Elective per Elective per student	12%*
Industry Honors Certificate (IHC)	IHC Bundle of Four Elective per student	14%**

A handwritten signature in black ink.

ANNEXURE II

TCS has currently offered the following courses. TCS may add more courses to the list from time to time at its sole discretion. Other Party will start these programs as per the strategic decisions of its management.

TCS iON Industry Honor Certification

Product Construct

Digital content in multi-modal form

- Course to consist various multi modal content to provide learners with multiple learning enablers
- Delivered through iDLH Digital course

Digital Lectures

- Multiple Digital lectures delivered by renowned academician and industry expert, spread across the entire duration of the course
- Delivered through live classrooms

Academic Community

- Learning communities moderated by renowned professors and educators from the lead institution
- Delivered through iDLH Digital community

Industry Connect Community

- Learning communities to be moderated by a subject matter expert from the industry
- Delivered through iDLH Digital community

Industry Assignment

- Access to 2 Industry mini – projects for practical exposure to the students along with virtual hands-on environment
- The performance of the students to be evaluated by respective institution's faculty

Practice Assessment

- Access to 2 practice assessments for continuous self evaluation
- Students to receive personalized real time analytics report of their strengths and areas of improvement

Summative Assessment

- Students to appear for summative and formative assessments at college premises.
- The students will be assessed in 2 stages i.e. Part-1: Test of Knowledge (objective) and Part-2: Test of Application as applicable (objective or hands-on or assignment)

Verifiable Digital Certificate

- Successful students to receive a digital certificate which can be verified through online platform

Internship Opportunity

- Internship opportunity subject to topper in the electives and subject to vacancy in the corporates

Job Opportunity

- Gain visibility to job vacancies from the most sought after corporate recruiters that recognize the certification

MEMORANDUM OF UNDERSTANDING BETWEEN
BHARATH UNIVERSITY, CHENNAI, TAMIL NADU, INDIA,
AND

THE NORTH AMERICAN INSTITUTE OF PHARMACEUTICAL TECHNOLOGY, TORONTO, CANADA.

North American Institute of Pharmaceutical Technology (NAIPT) Canada, a registered career college under the Private Career Colleges Act, 2005 and Bharath University (BU), Chennai, Tamil Nadu, India, one of the leading Deemed to be University in India, declared under Section 3 of UGC Act 1956, enter into this Memorandum Of Understanding for a long-term partnership to foster international collaboration in education, research and outreach.

- Both the parties agree to encourage collaboration between the faculty and staff of their institutions. The intention of the collaboration is to disseminate knowledge and to promote academic excellence. The scope of the collaboration spans on:
 - Initiating postgraduate Certificate Training courses at the Units of Bio Engineering, Faculty of Engineering and Technology and Medical and Health sciences, Faculty of Medicine, BU. Additional hands on experience on relevant fields shall be provided at the NAIPT. Qualified industrial experts shall take part in conducting lectures.
 - Identifying opportunities for students and staff to facilitate teaching and training at the NAIPT.
 - Providing post-graduate hands-on training diplomas to graduates (International students)

[Signature]

[Signature]
22/4/15

- Sharing expertise to upgrade the Faculties of Medical and Health Sciences and Bio Engineering. Main focus will be given for strategic planning, designing undergraduate and research laboratories and also identifying resources for further development.
 - Providing corporate trainings at NAIPT – BU.
 - Initiating collaborative research projects.
 - Establishing NAIPT – BU joint Training Center in Bharath University Campus, sponsored by NAIPT as per the terms to be agreed upon mutually. Bharath University will provide Infrastructural and other facilities for the conduct of the programme.
2. This agreement constitutes the entire agreement between the parties, and all prior discussions, agreements and understandings, whether verbal or in writing, are merged in this agreement.
 3. This Agreement is not considered to be a contract creating legal and financial relationships between the parties. Rather, it is designed to facilitate and develop a genuine and mutually beneficial exchange process/research relationship and so forth.
 4. This General Agreement shall become effective as of the date of signatures of both parties. The agreement may be amended by written consent of the parties.
 5. This agreement should be reviewed every three years to evaluate the progress and the quality of the mutual cooperation. The Agreement may be extended for additional three years upon the written consent of both parties. If the Agreement is not renewed by mutual consent, the Agreement will conclude at the end of the specified time period, or after activities in progress have concluded.
 6. This Agreement may be terminated by either party once the enrolled students completed their courses or in the absence of enrolled students, the Agreement may be terminated by issuing of 120 days notice.
 7. BU and NAIPT have designated the following persons as liaison for implementing this Agreement.

OTHER TERMS AND CONDITIONS FORMING PART OF MINIMUM PURCHASE AGREEMENT DATED 23RD MAY 2019

1. TBM shall install the Instrument at the Customer's place/location as found suitable by TBM as per pre- installation requisites and Customer shall not shift the Instrument to any other place within/outside the premises.
2. The Instrument shall be operated by the Customer's trained staff & the Customer will ensure that Instrument is not damaged due to poor site conditions, poor power supply, mishandling, etc.
3. The Instrument is placed by TBM for use by the Customer for performing In Vitro Diagnostic (IVD) tests and it does not constitute a sale of the Instrument. The Instrument will remain property of TBM during the entire tenure of Agreement or thereafter, unless specifically agreed otherwise in writing & customer shall not mortgage, hypothecate or create any lien or encumbrance on Instrument.
4. The Instrument shall be available for inspection/access by TBM or its authorized representative(s) during normal working hours.
5. TBM shall provide free Comprehensive Maintenance (CMC) from date of installation of the instrument subject to Customer's meeting the agreed MPA and fulfilling other conditions of the Agreement. In case of breach of any terms and condition of the Agreement by Customer, CMC would be charged at prevailing rate.
6. In the event of malfunction or breakdown as part of normal wear and tear, TBM shall service and maintain the Instrument within 3 days from intimation by the Customer, subject to availability of spares/parts. In the event of same crossing 3 days, the 'MPA' for the month shall be reduced proportionately. TBM shall not be liable for any consequential damages/loss due to breakdown of the Instruments or otherwise.
7. For damages which are not due to normal wear and tear, or for damage due to poor site conditions, poor power supply, mishandling etc, the same shall be repaired at the discretion of TBM and charged to the Customer for spare parts as well as for the services rendered.
8. TBM shall be responsible for insurance of the Instrument and shall pay the insurance premium.
9. In consideration of the Instrument placed for the Customer's use, the Customer shall purchase exclusively and directly from TBM, all the required Reagents/Consumables & Controls as specified in the Agreement during the tenure of Agreement which shall be monitored by TBM quarterly. Reagents shall be used only in the Customer's laboratory for the Instrument covered by the Agreement.
10. In case of shortfall in purchase of Reagents by the Customer as specified in the Agreement after completion of six months from the date of installation, TBM shall recover shortage from the Customer or may revise the prices of Reagents.
11. In case of increase in any Government levies, the prices of Reagents shall be increased. TBM may also increase the prices of Reagents if there is an increase in foreign exchange rates etc. However, such price increase shall be applicable to only pending orders and not retrospectively.
12. If either party commits a breach, non-observance or non-performance of any of its obligations of the Agreement, a written notice shall be issued to rectify/cure the breach/non-observance/non-performance within thirty days from service of such notice. Failure to rectify/cure the breach/non-observance/non-performance within such stipulated period in the notice would entitle the notice issuing party to terminate the Agreement forthwith. However, neither party shall be held responsible for non-fulfillment of their respective obligations under the Agreement due to the exigency of one or more of the force majeure events including but not limited to Acts of God, War, Flood, Earthquakes, Strike(s), Lockout(s), Epidemics, Riots and Civil Commotion provided on occurrence and cessation of any such event, the party affected shall give a notice in writing to the other party immediately. If the force majeure conditions continue beyond three months, the parties shall then mutually decide the future course of action including termination. On termination, the Customer shall pay to TBM, the depreciated price of the Instrument (depreciation calculated on written down value method prescribed in Income Tax Act 1961) or pay 50% of unachieved MPA of the Tenure of Agreement & return the instrument in working condition alongwith outstanding amount towards supply of Reagents forthwith. Goods and Service Tax (GST) as applicable, shall be extra as applicable.
13. Either party may also terminate this Agreement forthwith by written notice to the other party if the other party is declared insolvent, bankrupt or a receiver, custodian or trustee is appointed in respect of all or substantial part of its property by a Court of competent jurisdiction.
14. Nothing in this Agreement shall create or be deemed to create a partnership or the relationship of principal and agent or employer and employee between the parties.
15. The Agreement contains the entire agreement between the parties with respect to the subject matter hereof, supersedes all previous agreements and understandings between the parties with respect thereto, and may not be modified except by an Instrument in writing signed by the duly authorized representatives of the parties hereto. TBM shall be represented by any one of its following officers viz. CEO/President/Head-Legal/Head-Finance.
16. If any provision of the Agreement is held by any court or other competent authority to be void or unenforceable in whole or part, the Agreement shall continue to be valid as to the other provisions thereof.
17. The Customer shall not assign or pledge any right or obligation arising out of the Agreement to a third party. However, both the Customer and TBM may perform their respective responsibilities under the Agreement directly or through one or more of its Affiliates upon Notice to other party.
18. Any and all disputes arising out of or in connection with the Agreement or any breach hereof which is not settled amicably by the parties, shall be referred to the arbitration of the sole arbitrator appointed by TBM. The arbitration shall be conducted in accordance with the provisions of Arbitration and Conciliation Act, 1996 as amended upto date. The language of arbitration proceedings shall be in English and shall be held at Mumbai. The award of the arbitrator shall be final / conclusive and binding on the parties. The courts in Mumbai alone shall have jurisdiction.
19. Any notice or other information required or authorized by the agreement to be given by one party to another may be given by hand or sent by Registered Post to the other party at the address referred to in the agreement or at such other address as the party may, from time to time, notify the other party.
20. TBM's representatives are not authorized to collect cash and hence cash payments shall not be accepted. TBM shall not be responsible in any way, for any cash dealings by the Customer.

**STUDENT EXCHANGE AGREEMENT BY AND BETWEEN THE
UNIVERSIDAD DE MENDOZA (ARGENTINA
AND
SREE BALAJI MEDICAL COLLEGE & HOSPITAL,
THE BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH
(BIHER) - BHARATH UNIVERSITY**

This agreement is entered into by Dr. Emilio Vázquez Viera, party of the first part, in his capacity of legal representative and the president of the Universidad de Mendoza (Argentina), representation held by virtue of the appointment made on August 30th, 2013, by decision of the Universidad de Mendoza's Honorable Meeting in special session, with domicile by choice at Boulogne Sur Mer 683 – 5500 Mendoza – Argentina; and Dr. D.R. Gunasekaran, MS (GS) FICS., FRCS., (Glasgow), party of the second part, Dean, Sree Balaji Medical College & Hospital, appointment made on February 14th 2014 by decision of the Board of the Management Committee of BIHER – Bharath University with domicile by choice at Chennai Tamil Nadu, India.

With the purpose of reinforcing cooperation between the institutions the parties hereto are representing and of contributing with the goal of internationalization of studies rendered therein, the parties hereto make this agreement of student international exchange as follows:

CLAUSES

FIRST. OBJECTIVE: The objective of this special agreement is to establish an exchange program and the conditions governing the student exchange between the Universidad de Mendoza and the Sree Balaji Medical College & Hospital, BIHER - Bharath University Tamil Nadu, India.

SECOND. CONDITION OF EXCHANGE: The exchange of students between both institutions shall be performed under the following terms:

1. **Participants:** To participate in the student exchange program, students should be enrolled in regular courses offered by these two Institution during the course in which the exchange is achieved.
2. **Duration:** The selected student shall be able to participate in the exchange program during a period of one semester or academic year.
3. **Number of participants:** The maximum number of students to be exchanged shall be three (3) per Institution and academic course (or six (6) in case of a semester-stay), except as may be otherwise expressly agreed by both institutions hereto.

DEAN
SREE BALAJI MEDICAL COLLEGE & HOSPITAL
No. 7, Works Road, Chromepet,
Chennai-600 044.

4. Conditions of reciprocity: Both institutions shall annually check the number of exchange students and shall balance this number during the effective term of the program.
5. Selection of participants and admission:
- The selection of students participating in the program is responsibility of the home Institution, which shall take into consideration, in accordance with its own criteria, the student's academic performance and standing at that moment.
 - Exchange students shall prove academic and language competence in accordance with the host institution's requirement. The host institution reserves the right to decide about the final admission of the students selected for the interchange after checking their requirement accomplishment.
 - The acceptance of the participating students in the program is competence of the host university, which shall take into consideration the reciprocity condition verified on the number of sent and received students, available places, and reception capacity.
 - Once admitted by the host university, participating students in the program shall be entitled to the equal rights and duties the host Institution's students enjoy.
- 6.- Economic conditions and medical insurance:
- Participating students in the exchange shall pay tuition fees at their home Institution, being excepted of any other tuition fee payment at the host Institution.
 - Exchange students in the host Institution shall only pay those fees or charges established for certain services (sports, the Internet, or books among others) under the same conditions the host university's students are. In this case, the host university shall inform these students prior to their arrival.
 - Expenses of travel, accommodation, maintenance, health insurance and other expenses arising from this stay shall be responsibility of the student, except that by express agreement of both parties hereto, the host Institution decides to meet the costs of any of those expenses. Nevertheless, the host university shall advise participating students about a proper election of accommodation during their stay.

WNTW
DEAN
SREE BALAJI MEDICAL COLLEGE & HOSPITAL
No. 7, Works Road, Chromepet,
Chennai-600 044.

- All the students of the exchange, during their stay in the host Institution, shall have medical insurance and travel assistance with international cover, as well as a personal liability insurance.

7.- Assistance and services offered by the host Institution.

- Either Institution hereto shall provide the students received within the framework of the hereby program with the proper assistance for the right preparation and development of their stay by means of their general services and international relationships.
- Exchange students at the host university shall enjoy access and use of services offered by the same university, and under equal conditions its own students are. The host Institution shall duly inform exchange students about these services.

THIRD. ACADEMIC COMMITMENTS.

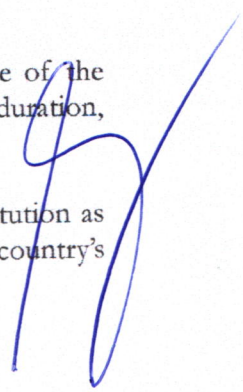

1. Students participating in the program, once they become admitted by the host university, are entitled to be enrolled in regular courses rendered by the host university for a maximum period of an academic course, and for the maximum number of credits allowed in each Institution, remaining subject to the same academic regulations the rest of the enrolled students are.

2. Host Institution, in coordination with the interested centers, may limit the studies to be attended in the exchange program, provided this is deemed convenient to make easier the mutually academic acknowledgement of the studies fulfilled by the exchange students.

3. The admission to attend a course or specific subject shall be decided by the student's accomplishment of the academic and administrative requirements of enrollment and by the availability and space conditions offered in each call.

4. At the end of the exchange period, the host university shall issue a certificate of the studies fulfilled per participant, specifying the number of credits attended or their duration, as well as the grades obtained.

5. Either Institution shall accept the courses or studies fulfilled on the other institution as equivalent to their own courses or studies, within the limits set forth by each country's legislation in force and each university's regulation.

NWT
DEAN
SREE BALAJI MEDICAL COLLEGE & HOSPITAL
No. 7, Works Road, Chromepet,

The MOU is designed to facilitate and develop a genuine and mutually beneficial collaboration guided by the following principles.

- There are numerous joint opportunities in India and Japan that may be of mutual interest to both parties.
- Both institutions share a common goal to provide public service education, research and community outreach.
- The MOU furthers both institutions' goals of internationalization and exchange of knowledge to students and faculty.

The purpose of the present agreement is to foster scientific co-operation between the two Institutions in the following areas.

- 1) Undergraduate and postgraduate exchanges
- 2) Faculty & Students exchange programmes in the field of Orthopaedics
- 3) Faculty visits

Exchange of Teaching staff:

The Institutions hereby undertaken to exchange teaching staff members within the limit of available material and financial resources. The selection and formal invitation of teaching staff shall be on the basis of proposals made by the host party in agreement with the other party.

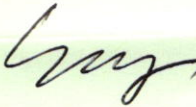

Student Exchange:

- Student exchanges shall be on the basis of full reciprocity between the Institutions for the entries duration of the present agreement.
- The number of exchange students and the duration of each exchange period at the host Institutions shall be agreed upon by the both parties on a yearly basis.
- Each Institution shall select which of its students take part in the exchanges in agreement with the other party. Exchange student shall remain registered and pay all relevant registration and tuition fees at their home institution; they shall not have to pay any fees to the host party.
- Exchange students shall choose the lectures and seminars which they want to attend at the host institute, subject to the prior approval of the academic supervisors concerned.

Duration and Termination of the MOU:

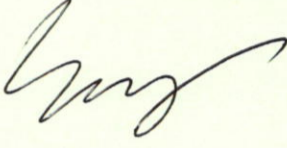

The term of the MOU will be five academic years from the date of signing. If the MOU remains dormant for three consecutive years it will be deemed to have lapsed. The MOU may be renewed for additional periods by the written agreement of the respective Institutions. Either party may terminate the MOU at any time by mutual consent or by giving six months written notice, signed by the concerned authorities.
