When we began operations at Prashanth Fertility Research Centre, we focused exclusively on Infertility. We offered the latest methodologies and technologies to assist childless couples realise their dreams and delivered on that promise and much more. In a short span of time, we widened our scope and started Prashanth Multi Speciality Hospital.

To extend our reach further to the southern part of Chennai, we started Prashanth Super Speciality Hospital. This tertiary care hospital offers the finest medical and surgical care across multiple specialities in a world-class environment.

Prashanth super speciality Hospital provides sophisticated and dedicated corporate health care services led by expert and professionally trained personnel. This state-of-the art super Speciality Hospital brings together many disciplines under one roof, at the same time keeping in minds the values and ethics of caring, love and compassion which is our motto.
