#### An Industrial Visit Report

An Industrial visit to Jai hanuman Agro Industries was organized by School of Agricultural Sciences, Bharath Instituteof Higher Education and Research, on 13.10.2019. Providing students an exposure about Practical working environment was the aim of the Industrial visit. Dr. R. Thulasi Ram and Mrs. V. Sushmetha had accompanied students in the Industrial Visit.

All the students had assembled at around 9.00AM in the university campus and departure to Jai hanuman Agro Industries was at 9.30AM. The destination was reached at 10.30AM. The industry which we visited was Jai hanuman Agro Industries at 11.00 AM. The Managing Director helped all the students in knowing the various agricultural implements and their uses. Managing director has explained about primary and secondary tillage implement and their uses Sri Jai Hanuman Agro Industries is a company started in 1998 and they are providing high quality product and good services to customer throughout India. They are of the leading company among India industries especially in manufacturing, servicing industries and materials like building materials, earth equipment spares, trading products, crane, diesel engine for generator, excavator, rotavator, metals, tin plates, CR Sheets etc... And trading of high quality goods overall India. The market emerged for mechanized tilling to improve the agriculture. So JAI started manufacturing ROTAVATOR with the name and style of JAIHANUMAN with high quality standards. These rotavator are used in farming to save Labour and handling primary and secondary tillage of the soil.

At 4.00PM, all the students and faculty members reached the campus and disbursed. On the whole, the industrial visit was very fruitful as all the students got exposure to practical learning that is how theatrical concepts are put into action; it helped the students to improve banking operations in world wide.
