Introduction to general awareness

syllabus

This section demands knowledge of information which is going in the current. All the environmental issues via legal, political, financial, important events, economy Questions on Indian Economy, laws, government schemes, the latest science, and inventions, and discoveries are covered into this portion

As the name indicates, this portion asks for only that knowledge which is static in nature, i.e. which happens or happened once in the time period. So you need to prepare topics like- 5-year plans, books with authors, Indian Constitution , Gk of India, agriculture, award, sports, budget and taxes, countries and currencies, important days, national and international organization, Indian history, geography.

This includes knowledge of banking from every angle. All nationalized bank's history, types of banks, the role of the banking industry, money market in India, capital market in India, RBI, , inflation-deflation, national income, and public finance. Little going deeper inside some above-mentioned topics Indian Banking Industry
