## CERTIFICATE COURSE IN NEONATOLOGY

### COURSE OVERVIEW:

This course is aimed at medical graduates who are already working or planning to work in paediatric units in the hospitals and intending to improve their knowledge and skills in managing child patients. Any MBBS graduate registered with a State Medical Council or the Medical Council of India (MCI) is eligible to take this course. Recognize the clinical characteristics and evolution of common and uncommon pediatric diseases.

This course also helps in understanding evidence-based diagnostic and treatment plans for children by formulating appropriate testing and treatment strategies for children. It also includes determining appropriate laboratory testing and interpret findings pertinent to children while planning the evaluation and treatment of diseases in immune compromised children.

**COURSE COORDINATOR: ASSOCIATE PROFESSOR / ASSISTANT PROFESSOR OF PAEDIATRICS**

**COURSE DURATION: 30 HOURS**
