## **CERTIFICATE PROGRAM IN TRAINING AND ASESSMENT ON PAEDIATRIC ENDOSCOPY**

**CERTIFICATION PROGRAM IN TRAINING AND ASESSMENT ON PAEDIATRIC ENDOSCOPY** was held on 21/10/2019 AT Sree Balaji college of nursing resources person Mrs. Girija Baskaran gave lecture on Training in paediatric gastrointestinal endoscopy largely occurs during formalized paediatric gastroenterology training programs that generally last 2 to 3 years in duration. Duty-hour restrictions and an increasing focus on patient quality, safety, and accountability have resulted in a paradigm shift across postgraduate medical education toward a competency-based system that defines desired training outcomes. Pediatric endoscopy training programs are obliged to ensure learners are competent to deliver high-quality endoscopic care at completion of training.
