## **Course Overview on Consumer Law and Practice**

### **COURSE OBJECTIVE**

Consumer considerations and their protection are very old concepts, but in the last decade there has been a significant development in this branch of law. Globalization of trade, market-dominated economy, information revolution and emergence of e-commerce has further enhanced this process. A greater importance has been assigned to consumer law at a global basis. All these factors have increased more scope for research and advocacy for creating a consumer friendly regulatory framework. The Indian legal framework has also undergone a substantial change to comply with the international norms. The subject has received tremendous importance among the contemporary legal fraternity in India. The legal experts are emphasizing on the need for teaching consumer law very seriously to present generation law students for making them equipped to handle issues relating to this branch of law. In this background the present course will aim to introduce the students to the existing law and practice relating to consumer protection

### **Module – I**

#### **AN INTRODUCTION TO CONSUMER PROTECTION LAW AND POLICIES.**

- Development of market and consumer relations

# FUNDAMENTAL COURSE ON TAX POLICIES OF INDIA

## **COURSE OBJECTIVE**

No government can run a country without revenue. One of the major sources of revenue is taxation. Taxes can be classified as Direct and Indirect Tax. Direct taxes encompass those taxes where impact and incidence falls on the same person. Income Tax Act, 1961 is the prime legislation in the area of direct taxes in India. It is very interesting to know various facets of this Act. The Act makes ample scope for tax planning and tax management by utilizing various provisions which are enshrined therein. A tax payer can reduce her tax liability by taking advantage of various incentives that are provided in the Act. It creates a win-win situation. After completion of the course, a learner can have following take aways :

1. An overview of the direct and indirect taxation system of India.
2. Knowledge of computation of income tax, GST, Custom Tax.
3. Idea on various avenues for tax planning and tax management
4. Awareness on the compliance of tax laws
5. Enables to have practical approach about filing of income tax returns and GST.
