It is a commendable job to apply your area of study to practically solve problems. Energy shortage is a pressing problem today. Your idea addresses it very well. We encourage you to go ahead with the idea on a small scale for now and come up with a Knowledge. We have approved the idea mainly because it shows your interest in the subject and your ability to apply it in real life. We have also reviewed your statistics of the amount of energy that can be saved which eventually translates into monetary savings as well.
