Respected **SHANTHI KUMARASAMI,**

We are pleased to inform you that we approve your proposal for Advanced Research Training Programme, Assistant Professor, School of Basic Sciences has been approved by the board. This is with regards to the proposal you have submitted with a proposal for the Research Program No BIHER / 2018-2019 / Fellow / 1936 dt 27.09.2018. It is a very nice thought and we feel it definitely needs to be encouraged.

It is a commendable job to apply your area of study to practically solve problems. Energy shortage is a pressing problem today. Your idea addresses it very well. We encourage you to go ahead with the idea on a small scale for now and come up with a Knowledge. We have approved the idea mainly because it shows your interest in the subject and your ability to apply it in real life. We have also reviewed your statistics of the amount of energy that can be saved which eventually translates into monetary savings as well. The timeline would be 20 Days for the Fellowship and submit a report on the same as well to the board within a week.
