We are pleased to inform you that we approve your proposal for International collaboration for Advanced Research, Assistant Professor, School of Management and commerce has been approved by the board. This is with regards to the proposal you have submitted with a proposal for the Advanced Research Training No BIHER / 2019-2020 / Fellow / 3225 dt 09.09.2019. We have approved the idea mainly because it shows your interest in the subject and your ability to apply it in real life. We have also reviewed your statistics of the amount of energy that can be saved which eventually translates into monetary savings as well. The timeline would be 1 Months for the Fellowship and submit a report on the same as well to the board within a week.
