You have been selected to receive funding as part of the **Short Term Fellowship**, and as such, we are writing to inform you that your application [BIHER / 2020-2021 / Fellow / 2082dt.09.03.2021] has been approved for the sum of Rs. **28996/-**, (Rupees Twenty Eight Thousand Nine Hundred Ninety Six Only) to be used towards a Training Program lasting **20 Days**.

Advancement of the proposal for the Long Term Fellowship - Regulations.

You have been selected to receive funding as part of the Long Term Fellowship, and as such, we are writing to inform you that your application [BIHER / 2020-2021 / Fellow / 3851 dt. 09.11.2020] has been approved for the sum of Rs. 190903.00 (Rupees One Lacs Ninety Thousand Nine Hundred Three Only) to be used towards a Fellowship lasting 6 Months.

Our fellowship payment option provides for a direct stipend, rather than having you pay out of pocket and then submit a reimbursement request, so that you may focus on your research without worrying about money. It's important to fill out the grant agreement and send it back within two weeks if you want to accept the award and get paid. Upon completion of your fellowship, you will also be asked to submit a report on your experience. Please include receipts, software, and pictures with your Report. Don't forget that you'll have to pay back that funding if you end up having to abandon your project before it's finished.

All the Best.

Subject: Approval Letter for the Faculty Research Program – Regarding

Respected NITHYAKALYANI K,

We are pleased to inform you that we approve your proposal for Faculty Research Program has been approved by the board. This is with regards to the proposal you have submitted with a proposal for the Research Training Proposal No BIHER / 2020-2021 / Fellow / 4219 dt 21.01.2021. It is a very nice thought and we feel it definitely needs to be encouraged.

It is a commendable job to apply your area of study to practically solve problems. Energy shortage is a pressing problem today. Your idea addresses it very well. We encourage you to go ahead with the idea on a small scale for now and come up with a Knowledge. We have approved the idea mainly because it shows your interest in the subject and your ability to apply it in real life. We have also reviewed your statistics of the amount of energy that can be saved which eventually translates into monetary savings as well. The timeline would be 45 Days for the Fellowship and submit a report on the same as well to the board within a week. We would grant Amount of Rs 127972.00 (Rupees One Lacs Twenty Seven Thousand Nine Hundred Seventy Two Only) for this. We will support you throughout the execution of the idea.

You have been shortlisted to receive funding as part of the Short Term Training Program. As a consequence of this, we are writing to inform you that the sum of Rs. 119957 /- [Rupees One Lacs Nineteen Thousand Nine Hundred Fifty Seven Only] requested in your application (BIHER / 2020-2021 / Fellow / 3665 dt. 21.01.2021) has been authorized for utilization toward a Research Program that is scheduled for 4 Months.

If you want to accept the award and get paid for it, you need to make sure that the grant agreement is filled out correctly and that you send it back within two weeks. Instead of requiring you to pay for the fellowship out of your own money and then submitting a request for reimbursement, our fellowship payment option allows you to receive a direct stipend. This allows you to concentrate on your research without being distracted by concerns about money. In addition, once your fellowship has come to an end, you will be required to write and submit a report discussing your time spent there. Please send any relevant receipts, software, and images along with your report. Remember that you will be responsible for repaying that funding if you are forced to stop working on your project before it is completed.

We hope that everything works out well for you.

Subject: Approval Letter for the Short Term Training Program Fellowship – Regarding Respected **DR. C. NAVEEN KUMAR,**

We are pleased to inform you that we approve your proposal for Short Term Training Program, Associate Professor, School of Medicine has been approved by the board. This is with regards to the proposal you have submitted with a proposal for the Research Program No BIHER / 2020-2021 / Fellow / 1878 dt 21.01.2021. It is a very nice thought and we feel it definitely needs to be encouraged.

It is a commendable job to apply your area of study to practically solve problems. Energy shortage is a pressing problem today. Your idea addresses it very well. We encourage you to go ahead with the idea on a small scale for now and come up with a Knowledge. We have approved the idea mainly because it shows your interest in the subject and your ability to apply it in real life. We have also reviewed your statistics of the amount of energy that can be saved which eventually translates into monetary savings as well. The timeline would be 45 Days for the Fellowship and submit a report on the same as well to the board within a week. We would grant you a budget of **Rs 151937 /-**, (Rupees One Lacs Fifty One Thousand Nine Hundred Thirty Seven Only) for this. We will support you throughout the execution of the idea.
