Respected ARAVIND RAMANATHAN,

It is a commendable job to apply your area of study to practically solve problems. Energy shortage is a pressing problem today. Your idea addresses it very well. We encourage you to go ahead with the idea on a small scale for now and come up with a Knowledge. We have approved the idea mainly because it shows your interest in the subject and your ability to apply it in real life. We have also reviewed your statistics of the amount of energy that can be saved which eventually translates into monetary savings as well. The timeline would be 45 Days for the Fellowship and submit a report on the same as well to the board within a week. We would grant you a budget of Rs 66393 /- (Rupees Sixty Six Thousand Three Hundred Ninety Three Only) for this. We will support you throughout the execution of the idea.

You have been selected to receive funding as part of the International Conference, and as such, we are writing to inform you that your application (EHER/2022/Fellow/3982 dt. 07.10.2022) has been approved for the sum of Rs. 79003/- [Rupees Seventy Nine Thousand Three Only] to be used towards a Attending Conference lasting 45 Days

Regarding

Respected **GANESH RAMESH,**

We are pleased to inform you that we approve your proposal for International collaboration for Advanced Research, Professor, School of Dentistry has been approved by the board. This is with regards to the proposal you have submitted with a proposal for the Advanced Research Training No BIHER / 2021-2022 / Fellow / 2411 dt 12.02.2022. It is a very nice thought and we feel it definitely needs to be encouraged.

It is a commendable job to apply your area of study to practically solve problems. Energy shortage is a pressing problem today. Your idea addresses it very well. We encourage you to go ahead with the idea on a small scale for now and come up with a Knowledge. We have approved the idea mainly because it shows your interest in the subject and your ability to apply it in real life. We have also reviewed your statistics of the amount of energy that can be saved which eventually translates into monetary savings as well. The timeline would be 4 Months for the Fellowship and submit a report on the same as well to the board within a week. We would grant you a budget of **Rs 145592 /-**, (Rupees One Lacs Forty Five Thousand Five Hundred Ninety Two Only) for this. We will support you throughout the execution of the idea.
