"Dear DHANALAKSHMI KI,"

Advancement of the proposal for the Faculty Research Program - Regulations

You have been selected to receive funding as part of the Faculty Research Program, and as such, we are writing to inform you that your application (BIHER/2018-2019/Fellow/1810 dt. 03.08.2018) has been approved for the sum of Rs. 76696 /- [Rupees Seventy Six Thousand Six Hundred Ninety Six Only] to be used towards a Research Training lasting 3 Months.

Our fellowship payment option provides for a direct stipend, rather than having you pay out of pocket and then submit a reimbursement request, so that you may focus on your research without worrying about money. It's important to fill out the grant agreement and send it back within two weeks if you want to accept the award and get paid. Upon completion of your fellowship, you will also be asked to submit a report on your experience. Please include receipts, software, and pictures with your Report. Don't forget that you'll have to pay back that funding if you end up having to abandon your project before it's finished.

We wish you the best of luck.

For MICROCHIP
