Annual Report of Code of Conduct Sessions

The undergraduate medical education programme is designed with a goal to create an “Indian Medical Graduate” possessing requisite knowledge, skills, attitudes, values and responsiveness. The institute appoints the committee decides upon on selecting a faculty for delivering the content. The medical education unit of Bhaarath medical college and hospital conducts code of conduct during the foundation course every year. So far, three MBBS batch students have undergone the code of conduct sessions.

During the foundation course, code of conduct is conducted for 3days at 1 hour per day. The session usually begins with the introduction to code of conduct committee members followed by briefing of code of conduct and institutional expectations from the students with obtaining feedback at the end of the session. The code of conduct sessions helps, the institute to maintain discipline in the campus.
